The Close-combat Files Of Col. Rex Applegate Capstone Classroom  
In Jesus, the One and Only, best-selling author and Bible teacher Beth Moore invites you to know Christ personally. Watch and listen as He breaks up a funeral by raising the dead, confronts conniving religious leaders of His day, teaches on a Galilean hillside, or walks on the waves and calms the storm. Like a ragtag band of followers two thousand years ago, you will never be the same again after such an up close and personal encounter. “ He is Jesus, the One and Only, transcendent over all else, ” writes Moore. “ To know Him is to love Him. To love Him is to long for Him. To long for Him is to finally reach soul hands into the One true thing we need never get enough of . . . Jesus Christ. He ’ s all you need. ” Available for the first time in eBook, this

new edition also features an excerpt from Moore ’ s Jesus, the One and Only Bible study.

**Just Like Daddy** Primedia Business Directories & Books

Violence is one of the most important challenges, not only for public health systems, but also for public mental health. Violence can have immediate as well as long-term and even transgenerational effects on the mental health of its victims. This book provides a comprehensive and wide-ranging assessment of the mental health legacy left by violence. It addresses the issues as they affect states, communities and families, in other words at macro-, meso- and microlevels, beginning by describing the impact of violence on neurobiology and mental health, as well as the spectrum of syndromes and disorders associated with different forms of violence. The work moves on to tackle violence at the international—and intranational—level before zeroing in on the nature

---

of violence in communities such as villages or city districts. It also examines the results of violence in the family. Each type of violence has distinct effects on mental health and in each chapter specific groups are explored in depth to demonstrate the heterogeneity of violence as well as the diversity of its outcomes in the realm of public mental health. Finally, the book addresses the notion of 'undoing violence' by detailing case studies of effective interventions and prevention occurring in countries, communities and families. These cases give us pause to reflect on the nature of resilience and dignity in the context of violence and mental health. All the chapters have been written by leading authors in the field and provide a state-of-the-art perspective. The authors, from different fields of expertise, facilitate interdisciplinary and international insights into the impact of violence on mental health.

"Fairies Afield" is a children's fantasy story written by Mary Louisa Molesworth, a well-known English children's author in the late nineteenth and early twentieth century. The book, published in 1902, is part of Molesworth's wide body of work, which includes a number of novels and stories for children. The story follows two siblings, Tottie and Tittie, as they go on a fantastic journey into the world of fairies. The children discover a secret road in the woods that leads them to the world of the fairies, where they meet a variety of wonderful creatures and participate in

---

quirky and enchanting adventures. The kids become friends with fairies, elves, and other mystical creatures as they explore this magical realm. Like children's books from the Victorian and Edwardian eras, the story is full with endearing moments and soft moral messages. The narratives of Molesworth highlight kindness, amazement, and inventiveness. "Fairies Afield" perfectly encapsulates the essence of beloved children's books with its themes of friendship, magic, and youthful innocence. For those who appreciate classic stories of magic and adventure, the

novel is still enjoyable.

Colombia's status as the fourth largest nation in Latin America and third most populous—as well as its largest exporter of such disparate commodities as emeralds, books, processed cocaine, and cut flowers—makes this, the first history of Colombia written in English, a much-needed book. It tells the remarkable story of a country that has consistently defied modern Latin American stereotypes—a country where military dictators are virtually unknown, where the political left is congenitally weak, and where urbanization and industrialization

have spawned no lasting populist movement.

There is more to Colombia than the drug trafficking and violence that have recently gripped the world's attention. In the face of both cocaine wars and guerrilla conflict, the country has maintained steady economic growth as well as a relatively open and democratic government based on a two-party system. It has also produced an impressive body of art and literature. David Bushnell traces the process of state-building in Colombia from the struggle for independence, territorial consolidation, and reform in the nineteenth century to economic development and social and political democratization in the twentieth. He also sheds light on the modern history of Latin America as a whole.

Colonel Askins is an adventurer. Whether it be fighting his way out of an ambush, hunting tiger in Asia or sniping along the Rhine, Askins has done it with gusto. Here he recounts his early days as a forest ranger, his decade of slinging lead on the Mexican border, his astounding success as a competitive pistol shot, his combat participation in World War II, his adventures as a paratrooper in Vietnam and his career as one of the world's leading big-game hunters.

Jesus, the One and Only Paladin Press

"Water Consciousness: How We All Have to Change to Protect Our Most Critical Resource is a solution-focused guide to the global water crisis hitting home everywhere. In-depth essays from leading thinkers and stunning photographs illuminate what we can do as individuals and as nations to reverse this crisis. Authors cover a breadth of topics including conservation, privatization, technology, grassroots movements,

and the need for new laws that treat water as a common trust, not a commodity. Water Consciousness will not only inspire you to change how you think about water but also to change how you live with and use water every day."--BOOK JACKET.
