The Instant New York Times Bestseller! A speculative thriller in the vein of *The Handmaid's Tale* and

The Power. Optioned by Universal and Elizabeth Banks to be a major motion picture! "A visceral, darkly haunting fever dream of a novel and an absolute page-turner. Liggett's deeply suspenseful book brilliantly explores the high cost of a misogynistic world that denies women power and does it with a heart-in-your-throat, action-driven story that's equal parts horror-laden fairy tale, survival story, romance, and resistance manifesto. I couldn't

stop reading." - Libba Bray, New York Times bestselling author. Survive the year. No one speaks of the year. It's forbidden. In Garner County, girls are told they have the power to lure grown men from their beds, to drive women mad with jealousy. They believe their very skin emits a powerful aphrodisiac, the potent essence of youth, of a girl on the edge of womanhood. That's why they're banished for their sixteenth year, to release their magic into the wild so they can return purified and ready for marriage. But not all of them will make it home alive. Sixteen-year-old Tierney James dreams of a better life—a society that doesn't pit friend against friend or woman against woman, but as women they eventually become, and the difficult decisions they make in-between. With sharp prose and gritty realism, *The Grace Year* examines the complex and sometimes twisted relationships between girls, the women they eventually become, and the difficult decisions they make in-between. *The Turn of the Key* HarperCollins From award-winning and bestselling author, Jewell Parker Rhodes comes a powerful coming-of-age story about two brothers, one who presents as white, the other as black, and the complex

ways in which they are forced to navigate the world, all while training for a fencing competition. Framed. Bullied. Disliked. But I know I can still be the best. Sometimes, 12-year-old Donte wishes he were invisible. As one of the few black boys at Middlefield Prep, most of the students don't look like him. They don't like him either. Dubbing him "Black Brother," Donte's teachers and classmates make it clear they wish he were more like his lighter-skinned brother, Trey. When he's bullied and framed by the captain of the fencing team, "King" Alan, he's suspended from school and arrested. Terrified, searching for a place where he belongs, Donte joins a local youth center and meets former Olympic fencer Arden

Jones. With Arden's help, he begins training as a competitive fencer, setting his sights on taking down the fencing team captain, no matter what. As Donte hones his fencing skills and grows closer to achieving his goal, he learns the fight for justice is far from over. Now Donte must confront his bullies, racism, and the corrupt systems of power that led to his arrest. Powerful and emotionally gripping, *Black Brother*, *Black Brother* is a careful examination of the school-to-prison pipeline and follows one boy's fight against racism and his empowering path to finding his voice.

Eleven-year-old Mimi Mackson comes from a big Indian American family: Dad's a renowned food writer, Mom's a successful businesswoman, and her three older siblings all have their own respective accomplishments. It's easy to feel invisible in such an impressive family, but Mimi's dream of proving she's not the least-talented member of her family seems possible when she discovers a baking contest at the new bakery in town. Plus, it'll start her on the path to becoming a celebrity chef like her culinary idol, Puffy Fay.

But when Mimi's dad returns from a business trip, he's mysteriously lost his highly honed sense of taste. Without his help, Mimi will never be able to bake something impressive enough to propel her to gastronomic fame. Drawn into the woods behind her house by a strangely familiar song, Mimi meets Vik, a boy who brings her to parts of the forest she's never seen. Who knew there were banyan trees and wild boars in Massachusetts? Together they discover exotic ingredients and bake them into delectable and enchanting treats. But as her dad acts stranger every day, and her siblings' romantic entanglements cause trouble in their town, Mimi begins to wonder whether the

ingredients she and Vik found are somehow the cause of it all. She needs to use her skills, deductive and epicurean, to uncover what's happened. In the process, she learns that in life as in baking, not everything is sweet. . . .

A gripping history of China's deteriorating relationship with Hong Kong, and its implications for the rest of the world. For 150 years as a British colony, Hong Kong was

a beacon of prosperity where people, money, and technology flowed freely, and residents enjoyed many civil liberties. In preparation for handing the territory over to China in 1997, Deng Xiaoping promised that it would remain highly autonomous for fifty years. An international treaty established a Special Administrative Region (SAR) with a far freer political system than that of Communist China—one with its own currency and government administration, a common-law legal system, and freedoms of press, speech, and religion. But as the halfway

mark of the SAR ' s lifespan approaches in 2022, it is clear that China has not kept its word. Universal suffrage and free elections have not been instituted, harassment and brutality have become normalized, and activists are being jailed en masse. To make matters worse, a national security law that further crimps Hong Kong ' s freedoms has recently been decreed in Beijing. This tragic backslide has dire worldwide implications—as China continues to expand its global influence, Hong Kong serves as a chilling preview of how

dissenters could be treated in regions that fall under the emerging superpower 's control. Today Hong Kong, Tomorrow the World tells the complete story of how a city once famed for protests so peaceful that toddlers joined grandparents in millions-strong rallies became a place where police have fired more than 10,000 rounds of tear gas, rubber bullets and even live ammunition at their neighbors, while pro-government hooligans attack demonstrators in the streets. A Hong Kong resident from 1992 to 2021, author Mark L. Clifford has

witnessed this transformation firsthand. As a celebrated publisher and journalist, he has unrivaled access to the full range of the city 's society, from student protestors and political prisoners to aristocrats and senior government officials. A powerful and dramatic mix of history and on-the-ground reporting, this book is the definitive account of one of the most important geopolitical standoffs of our time.
