Build your strongest-ever portfolio from anywhere in the world Millionaire Expat is a handbook for smart investing, saving for retirement, and building wealth while overseas. As a follow-up to The Global Expatriate's Guide to Investing, this book provides savvy investment advice for everyone—no matter where you're from—to help you achieve your financial goals. Whether you're looking for safety, strong growth, or a mix of both, index funds are the answer. Low-risk and reliable, these are the investments you won't hear about from most advisors. Most advisors would rather earn whopping commissions than follow sound financial principles, but Warren Buffett and Nobel Prize winners agree that index funds are the best way to achieve market success—so who are you ready to trust with your financial future? If you want a better advisor, this book will show you how to find one; if you'd rather go it alone, this book gives you index fund strategies to help you invest in the best products for you. Learn how to invest for both safety and strong returns Discover just how much retirement will actually cost, and how much you should be saving every month Find out where to find a trustworthy advisor—or go it alone Take advantage of your offshore status to invest successfully and profitably Author Andrew Hallam was a high school teacher who built a million-dollar portfolio—on a teacher's salary. He knows how everyday people can achieve success in the market. In Millionaire Expat, he tailors his best advice to the unique needs of those living overseas to give you the targeted, real-world guidance you need.
