Scenes in the Life of Harriet Tubman Dial Books for Young Readers

From the author of the New York Times bestseller Nothing Daunted, The Agitators chronicles the revolutionary activities of Harriet Tubman, Frances Seward, and Martha Wright: three unlikely collaborators in the quest for abolition and women's rights. In Auburn, New York, in the mid-nineteenth century, Martha Wright and Frances Seward, inspired by Harriet Tubman's slave rescues in the dangerous territory of Eastern Maryland, opened their basement kitchens as stations on the Underground Railroad. Tubman was an illiterate fugitive slave, Wright was a middle-class Quaker mother of seven, and Seward was the aristocratic wife and moral conscience of her husband, William H. Seward, who served as Lincoln's Secretary of State. All three refused to abide by laws that denied them the rights granted to white men, and they supported each other as they worked to overturn slavery and achieve full citizenship for blacks and women. The Agitators opens when Tubman is a slave and Wright and Seward are young women bridling against their traditional roles. It ends decades later, after Wright's and Seward's sons--and Tubman herself--have taken part in three of the defining engagements of the Civil War. Through the sardonic and anguished accounts of the protagonists, reconstructed from their letters, diaries, and public appearances, we see the most explosive debates of the time, and portraits of the men and women whose paths they crossed: Lincoln, Seward, Frederick Douglass, William Lloyd Garrison, John Brown, Elizabeth Cady Stanton, Susan B. Anthony, Harriet Beecher Stowe, and others. Tubman, embraced by Seward and Wright and by the radical network of reformers in western New York State, settles in Auburn and spends the second half of her life there. With extraordinarily compelling storytelling reminiscent of Doris Kearns Goodwin's No Ordinary Time and David McCullough's John Adams, The Agitators brings a vivid new perspective to the epic American stories of abolition, the Underground Railroad, women's rights activism, and the Civil War.

A secret worth killing for, a woman with no past, and an act of treason that changed America: #1 bestselling author Brad Meltzer returns with The House of Secrets. "When Hazel Nash was six years old, her father taught her: mysteries need to be solved. He should know. Hazel's father is Jack Nash, the host of America's favorite conspiracy TV show, The House of Secrets. Even as a child, she loved hearing her dad's tall tales, especially the one about a leather book belonging to Benedict Arnold that was hidden in a corpse. Now, years later, Hazel wakes up in the hospital and remembers nothing, not even her own name. She's told she's been in a car accident that killed her father and injured her brother. But she can't remember any of it, because of her own traumatic brain injury. Then a man from the FBI shows up, asking questions about her dad -- and about his connection to the corpse of a man found with an object stuffed into his chest: a priceless book that belonged to Benedict Arnold. Back at her house, Hazel finds guns that she doesn't remember owning. On her forehead, she sees scars from fights she can't recall. Most important, the more Hazel digs, the less she likes the person she seems to have been. Trying to put together the puzzle pieces of her past and present, Hazel Nash needs to figure out who killed this man -- and how the book wound up in his chest. The answer will tell her the truth about her father, what he was really doing for the government -- and who Hazel really is. Mysteries need to be solved. Especially the ones about yourself."

I Am Anne Frank Penguin

The definitive biography of one of the most courageous women in American history "reveals Harriet Tubman to be even more remarkable than her legend" (Newsday). Celebrated for her exploits as a conductor on the Underground Railroad, Harriet Tubman has entered history

as one of nineteenth-century America's most enduring and important figures. But just who was this remarkable woman? To John Brown, leader of the Harper's Ferry slave uprising, she was General Tubman. For the many slaves she led north to freedom, she was Moses. To the slaveholders who sought her capture, she was a thief and a trickster. To abolitionists, she was a prophet. Now, in a biography widely praised for its impeccable research and its compelling narrative, Harriet Tubman is revealed for the first time as a singular and complex character, a woman who defied simple categorization. "In the first major biography of Harriet Tubman in more than 100 years, we see the heroine of children's books and biopics with a new clarity and richness of detail." --Lev Grossman, Time

Born a slave in Maryland, Harriet Tubman knew first-hand what it meant to be someone's property; she was whipped by owners and almost killed by an overseer. It was from other field hands that she first heard about the Underground Railroad which she travelled by herself north to Philadelphia. Throughout her long life (she died at the age of ninety-two) and long after the Civil War brought an end to slavery, this amazing woman was proof of what just one person can do.

Harriet Tubman ' s name is known world-wide and her exploits as a self-liberated Underground Railroad heroine are celebrated in children ' s literature, film, and history books, yet no major biography of Tubman has appeared since 1943. Jean M. Humez ' s comprehensive Harriet Tubman is both an important biographical overview based on extensive new research and a complete collection of the stories Tubman told about her life—a virtual autobiography culled by Humez from rare early publications and manuscript sources. This book will become a landmark resource for scholars, historians, and general readers interested in slavery, the Underground Railroad, the Civil War, and African American women. Born in slavery in Maryland in or around 1820, Tubman drew upon deep spiritual resources and covert antislavery networks when she escaped to the north in 1849. Vowing to liberate her entire family, she made repeated trips south during the 1850s and successfully guided dozens of fugitives to freedom. During the Civil War she was recruited to act as spy and scout with the Union Army. After the war she settled in Auburn, New York, where she worked to support an extended family and in her later years founded a home for the indigent aged. Celebrated by her primarily white antislavery associates in a variety of private and public documents from the 1850s through the 1870s, she was rediscovered as a race heroine by woman suffragists and the African American women ' s club movement in the early twentieth century. Her story was used as a key symbolic resource in education, institutional fundraising, and debates about the meaning of "race" throughout the twentieth century. Humez includes an extended discussion of Tubman ' s work as a public performer of her own life history during the nearly sixty years she lived in the north. Drawing upon historiographical and literary discussion of the complex hybrid authorship of slave narrative literature, Humez analyzes the interactive dynamic between Tubman and her interviewers. Humez illustrates how Tubman, though unable to write, made major unrecognized contributions to the shaping of her own heroic myth by early biographers like Sarah Bradford. Selections of key documents illustrate how Tubman appeared to her contemporaries, and a comprehensive list of primary sources represents an important resource for scholars.

I am Muhammad Ali Dial Books for Young Readers

A New York Times Outstanding Book for young adult readers, this biography of the famed Underground Railroad abolitionist is a lesson in valor and justice. Born into slavery, Harriet Tubman knew the thirst for freedom. Inspired by rumors of an “ underground railroad ” that carried slaves to liberation, she dreamed of escaping the nightmarish existence of the Southern plantations and choosing a life of her own making. But after she finally did escape, Tubman made a decision born of profound courage and moral conviction: to go back and help those she'd left behind. As an activist on the Underground Railroad, a series of safe houses running from South to North and eventually into Canada, Tubman delivered more than three hundred souls to freedom. She became an insidious threat to the Southern establishment—and a symbol of hope to slaves everywhere. In this “ well-written and moving life of the ‘ Moses of her people ’ ’ ’ (The Horn Book), an acclaimed author makes vivid and accessible the life of a national hero, soon to be immortalized on the twenty-dollar bill. This intimate portrait follows Tubman on her journey from bondage to freedom, from childhood to the frontlines of the abolition movement and even the Civil War. In addition to being named a New York Times Outstanding Book, *Harriet Tubman: Conductor on the Underground Railroad* was also selected as an American Library Association Notable Book.
