"Imagine George Costanza from Seinfeld being sent off to cover the Iraq War . . . Hilarious."
—Michiko Kakutani, *The New York Times*
Chris Ayres is a small-town boy, a hypochondriac, and a neat freak with an anxiety disorder. Not exactly the picture of a war correspondent. But when his boss asks him if he would like to go to Iraq, he doesn't have the guts to say no. After signing a one million dollar life-insurance policy, studying a tutorial on repairing severed limbs, and spending twenty thousand dollars on camping gear (only to find out that his bright yellow tent makes him a sitting duck), Ayres is embedded with a battalion of gung ho Marines who either shun him or threaten him when he files an unfavorable story. As time goes on, though, he begins to understand them (and his inexplicably enthusiastic fellow war reporters) more and more: Each night of terrifying combat brings, in the morning, something more visceral than he has ever experienced—the thrill of having won a fight for survival. War Reporting for Cowards tells, with "self-deprecating wit", the story of Iraq in a way that is extraordinarily honest and bitterly hilarious (*The New Yorker*). "Heartbreakingly funny."
—Anthony Swofford, author of *Jarhead*
"Chris Ayres has invented a new genre: a rip-roaring tale of adventure and derring-don't."
—Toby Young, author of *How to Lose Friends and Alienate People*
"Darkly entertaining." —*Los Angeles Times*
"Ayres's stories of life with Marines are gripping—in part because he's the perfect neurotic foil." —*People*
Slipknot *Stories Behind the Songs*

Frank Sinatra was the best-known entertainer of the twentieth century—infinately charismatic, lionized and notorious in equal measure. But despite his mammoth fame, Sinatra the man has remained an enigma. Now James Kaplan brings deeper insight than ever before to the complex psyche and turbulent life behind that incomparable voice, from Sinatra's humble beginning in Hoboken to his fall from grace and Oscar-winning return in *From Here to Eternity*. Here at last is the biographer who makes the reader feel what it was really like to be Frank Sinatra—as man, as musician, as tortured genius.
Room Full of Mirrors Harper Collins
'They call me a madman but compared to Pete Way, I'm out of my league.' - Ozzy Osbourne
There are rock memoirs and then there is this one. A *Fast Ride Out of Here* tells a story that is so shocking, so outrageous, so packed with excess and leading to such uproar and tragic consequences as to be almost beyond compare. Put simply, in terms of jaw-dropping incident, self-destruction and all-round craziness, Pete Way's rock'n'roll life makes even Keith Richards's appear routine and Ozzy Osbourne seem positively mild-mannered in comparison. Not for nothing did Nikki Sixx, bassist with LA shock-rockers Motley Crue and who 'died' for eight minutes following a heroin overdose in 1988, consider that he was a disciple of and apprenticed to Way. During a forty-year career as founding member and bassist of the venerated British hard rock band UFO, and which has also included a stint in his hell-raising buddy Ozzy's band, Pete Way has both scaled giddy heights and plunged to unfathomable lows. A heroin addict for more than ten years, he blew millions on drugs and booze and left behind him a trail of chaos and carnage. The human cost of this runs to six marriages, four divorces, a pair of estranged daughters and two dead ex-wives. Latterly, Way has fought cancer, but has survived it all and is now ready to tell his extraordinary tale. By turns hilarious, heart-rending, mordant, scabrous, self-lacerating, brutally honest and entirely compulsive, *A Fast Ride Out of Here* will be a monument to rock'n'roll

debauchery on an epic, unparalleled scale and also to one man's sheer indestructability.
Black Sabbath and Ozzy Osbourne Open Road + Grove/Atlantic
To Bruce Goldstein—an edgy, twenty-something New Yorker trying to make his mark in advertising—just waking up in the morning was an ordeal. Underemployed and recently dumped, he was well into the downward spiral of bipolar disorder. Even with therapy, lithium, Paxil, Wellbutrin, and Prozac, he could not shake his rapid mood swings, his fear of dying, or the voice of Satan, who first visited him one sunny day in Central Park. Then came Ozzy, a black Labrador pup (named after metal's "Prince of Darkness") who leads Bruce toward recovery through complete, canine dependence. From the depths of his despair to a life remade, Bruce shows how learning to care for, train, and love the hilariously loyal Ozzy provided him with the structure and focus he needed to heal.
A Fast Ride Out of Here Rowman & Littlefield
"Steven Tyler is one of the giants of American music, who's been influential for a whole generation of Rock 'n' Roll fans around the world. Long May He Rock!" —Sir Paul McCartney
Does the Noise in My Head Bother You? is the rock memoir to end all rock memoirs—the straight-up, no-holds-barred life of Grammy Award-winning, Rock 'n' Roll Hall of Fame inductee, and all around superstar legend Steven Tyler, lead singer of Aerosmith (and celebrity judge on *American Idol*). This is it—"the unbridled truth, the in-your-face, up-close and prodigious tale of Steven Tyler straight from the horse's lips"—as Tyler tells all, from the early years through the glory days, "All the unexpurgated, brain-jangling tales of debauchery, sex & drugs. and transcendence you will ever want to hear."
Tattoos & Tequila Sphere
Sharon Osbourne reveals the truth behind the headlines in her characteristically frank, intimate and articulate memoir—from her childhood as the daughter of Don Arden, to managing and marrying Ozzy Osbourne, to her rising fame on shows such as *The Osbournes* and *The X Factor*. A devoted wife and mother, businesswoman, TV star and award-winning producer, Sharon Osbourne has, in her own words, "lived

fifty lives in fifty years". Her childhood with her father, the notorious rock manager Don Arden, was an unruly mix of glamour and violence. In her late 20s, Sharon finally made the painful decision to break with her family. Always irrepressible, Sharon flourished, creating a loving family of her own while becoming a legendary manager and rock band promoter. In rock star Ozzy Osbourne, Sharon found her soul mate, yet Ozzy's drug and drink-fueled excesses—which culminated in his attempt to strangle her—made their marriage a white-knuckle ride from the start. Only her devotion to their three children gave her the will to survive. From the tremendous highs of the hit show *The Osbournes* to the devastating lows of Ozzy's near-fatal quad-bike accident and her own bout with colon cancer, Sharon's tenacity, honesty, and humor have triumphed again and again.

Black Sabbath: Symptom of the Universe
Hachette Books

Bringing Metal to the Children is a handbook to all things Heavy Metal, brought to you by insane prankster and guitar god Zakk Wylde, of Ozzy Osbourne and Black Label Society fame. This "Complete Berzerker's Guide to World Tour Domination" provides tips and tests for the True Rocker—as wild man Zakk Wylde invites all who dare onto the tour bus for brain-bursting tales of glory, debauchery, and general mayhem in the dangerous metal universe.

Sellout Random House

Now in paperback, the national bestselling biography of American musical icon Jimi Hendrix. It has been more than thirty-five years since Jimi Hendrix died, but his music and spirit are still very much alive for his fans everywhere. Charles R. Cross vividly recounts the life of Hendrix, from his difficult childhood and adolescence in Seattle through his incredible rise to celebrity in London's swinging sixties. It is the story of an outrageous life—with legendary tales of sex, drugs, and excess—while it also reveals a man who struggled to accept his role as idol and who privately craved the kind of normal family life he never had. Using never-before-seen documents and private letters, and based on hundreds of interviews with those who knew Hendrix—many of whom had never before agreed to be interviewed—*Room Full of Mirrors* unlocks the vast mystery of one of music's most enduring legends.

Apprentice Needed Wizard for Hire
"[We need] a grassroots, bottom-up movement that understands the challenge in front of us, and then organizes against monopoly power in communities across this country. This book is a blueprint for that organizing. In these pages, you will learn how monopolies and oligopolies have

taken over almost every aspect of American life, and you will also learn about what can be done to stop that trend before it is too late." —From the foreword by Bernie Sanders. A passionate attack on the monopolies that are throttling American democracy. Every facet of American life is being overtaken by big platform monopolists like Facebook, Google, and Bayer (which has merged with the former agricultural giant Monsanto), resulting in a greater concentration of wealth and power than we've seen since the Gilded Age. They are evolving into political entities that often have more influence than the actual government, bending state and federal legislatures to their will and even creating arbitration courts that circumvent the US justice system. How can we recover our freedom from these giants? Anti-corruption scholar and activist Zephyr Teachout has the answer: Break 'Em Up. This book is a clarion call for liberals and leftists looking to find a common cause. Teachout makes a compelling case that monopolies are the root cause of many of the issues that today's progressives care about; they drive economic inequality, harm the planet, limit the political power of average citizens, and historically-disenfranchised groups bear the brunt of their shameful and irresponsible business practices. In order to build a better future, we must eradicate monopolies from the private sector and create new safeguards that prevent new ones from seizing power. Through her expert analysis of monopolies in several sectors and their impact on courts, journalism, inequality, and politics, Teachout offers a concrete path toward thwarting these enemies of working Americans and reclaiming our democracy before it's too late.

Diary of a Madman Simon and Schuster
(Play It Like It Is). The classic heavy metal album, featuring the amazing guitar work of the legendary Randy Rhoads! Includes all the songs from the album, including: Flying High Again * You Can't Kill Rock And Roll * Over The Mountain * Little Dolls * Believer * and more.

Big Man Hachette Books

Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was the fourth child in my family, and the first boy. My three older sisters were Jean, Iris, and Gillian. I didn't have any fun in Aston, as there were only grey skies and corner pubs. #2 I was a very nervous kid. I was terrified most of the time. I was terrified of impending doom, and I convinced myself that if I stepped on the cracks in the pavement while running

home, my mother would die. #3 My father was a good man, and he was strict but never beat me up or locked me in the coal house. He would always give up his seat on the bus for a woman or help an old lady across the road. #4 I had an incredible imagination. I spent years wondering what beer must be like, until I finally drank some and thought, What the fuck is this shit. I didn't think it was possible for me to make any money other than by working in a factory or robbing a bank. I was a kid trying to fit in with the local gangs.

WIZARD FOR HIRE. Grand Central Publishing
Sharon Osbourne's life has always been an extreme rollercoaster ride. And despite her best efforts, the last few years have been the most dramatic and turbulent of all. In her gripping new autobiography Sharon reveals the truth behind the headlines. There have been times of huge joy and pleasure - becoming a grandmother for the first time and seeing both Jack and Kelly come through testing times to find happiness and contentment at last. But there has also been a lot of heartache. Sharon describes the shocking and unexpected battle to save her thirty-year marriage to Ozzy - and the devastating betrayal that lay behind their separation. She also lived through every mother's worst nightmare when Jack was diagnosed with multiple sclerosis - and writes movingly of her hopes and fears for her beloved son. A tough but fair judge on the *X Factor*, Sharon is just as hard on herself. She is honest about the mistakes she has made - from misguided plastic surgery to her battles with her weight and body image. Filled with laughter, tears and hard-won wisdom, *Unbreakable* is as funny, frank and fearless as Sharon herself.

Confess Everest Media LLC

THE NATIONAL BESTSELLER "Transformative ... If Tobia aspires to the ranks of comic memoirists like David Sedaris and Mindy Kaling, Sissy succeeds." --The New York Times Book Review A heart-wrenching, eye-opening, and giggle-inducing memoir about what it's like to grow up not sure if you're (a) a boy, (b) a girl, (c) something in between, or (d) all of the above. "A beautiful book . . . honest and funny."--Trevor Noah, *The Daily Show* "Sensational."--Tyler Oakley "Jacob Tobia is a force." --Good Morning America "A trans Nora Ephron . . . both honest and didactic." --OUT Magazine "A rallying cry for anyone who's ever felt like they don't belong." --Woman's Day As a young child in North Carolina, Jacob Tobia wasn't the wrong gender, they just had too much of the stuff. Barbies? Yes. Playing with bugs? Absolutely. Getting muddy? Please. Princess dresses? You betcha. Jacob wanted it all, but because they were "a boy," they were told they could only have the masculine half. Acting feminine labelled them "a sissy" and brought social isolation. It took Jacob years to discover that being "a sissy" isn't something to be ashamed of. It's a source of pride. Following Jacob through bullying and beauty contests, from Duke University to the United Nations to the podiums of the Methodist church—not to mention the parlors of the White House—this unforgettable memoir contains multitudes. A deeply personal story of trauma and healing, a powerful reflection on

gender and self-acceptance, and a hilarious guidebook for wearing tacky clip-on earrings in today's world, Sissy guarantees you'll never think about gender--both other people's and your own--the same way again.

Mustaine Grand Central Pub
New York Times Bestseller Founding member, singer, and lead guitarist of Metallica and Megadeath shares the ultimate, unvarnished story behind his involvement in the rise of two of the world’s most influential heavy metal bands in history. Dave Mustaine is the first to admit that he’s bottomed out a few times in his dark and twisted speed metal version of a Dickensian life. From his soul-crushing professional and artistic setbacks to his battle with addiction, Mustaine has hit rock bottom on multiple occasions. April 1983 was his lowest point, when he was unceremoniously fired from Metallica for his hard-partying ways. But, what seemed to be the end of it all was just the beginning for the guitarist. After parting ways with Metallica, Mustaine went on to become the front man, singer, songwriter, guitarist (and de facto CEO) for Megadeath—one of the most successful metal bands in the world. A pioneer of the thrash metal movement, Megadeath rose to international fame in the 1980s, and has gone on to earn seven consecutive Grammy nominations for Best Metal Performance. In this outrageously candid memoir, one of heavy metal’s most iconic figures gives an insider’s look into the loud and sordid world of thrash metal—sex, drugs, and rock n’ roll included.

I Am Ozzy All Points Books
In their own words (and we all know how colorful those can be), the five members of the notorious Osbourne clan tell the amazing story of the first family of rock. OZZY talks about his first beer, his legendary career, and why he's the only sane member of the Osbourne family. SHARON explains the root of her shopaholic nature, the ups and downs of being married to Ozzy, and what it's like to battle cancer and host a talk show. AIMEE reveals why she opted out of MTV's The Osbournes, why she thinks her mother's in denial, and why her father destroyed himself with drugs. KELLY offers cutting thoughts on sibling relationships and growing up Osbourne as well as on life as a fledgling rock star. JACK shares stories about life without privacy ("What's privacy?") and his stint in rehab -- and claims he's the only sane one in the family. IF YOU THOUGHT YOU ALREADY KNEW THE OSBOURNES, THINK AGAIN!

Off the Rails Anchor
The name 'Tony Iommi' sends shivers down the spines of guitarists around the world. As lead guitarist and songwriter of Black Sabbath, Tony Iommi is considered to be one of the most influential musicians of the past four decades and the inventor of heavy metal. From working class, Midlands roots, his unique playing style - a result of a disfiguring hand injury he suffered working in a sheet metal factory - created a dark and gothic sound unlike anything that had been heard before and which captured the mood of its time. Sabbath went on to become a superband, playing to massive audiences around the world and selling millions of records, and Iommi led the life of a rockstar to the fullest - with the scars from all the drug-fuelled nights of excess and wildness to show for it. Iron Man is the exclusive account of the life

and adventures of one of rock's greatest heroes.

Slash Mariner Books
Wondering if science could explain how he survived his 40-year avalanche of drugs and alcohol, Ozzy Osbourne became one of a handful of people in the world to have his entire DNA mapped in 2010. It was a highly complex, \$65,000 process, but the results were conclusive: Ozzy is a genetic anomaly. The "Full Ozzy Genome" contained variants that scientists had never before encountered and the findings were presented at the prestigious TEDMED Conference in San Diego-making headlines around the world. The procedure was in part sponsored by The Sunday Times of London, which had already caused an international furor by appointing Ozzy Osbourne its star health advice columnist. The newspaper argued that Ozzy's multiple near-death experiences, 40-year history of drug abuse, and extreme hypochondria qualified him more than any other for the job. The column was an overnight hit, being quickly picked up by Rolling Stone to give it a global audience of millions. In TRUST ME, I'M DR. OZZY, Ozzy answers reader's questions with his outrageous wit and surprising wisdom, digging deep into his past to tell the memoir-style survival stories never published before and offer guidance that no sane human being should follow. Part humor, part memoir, and part bad advice, TRUST ME, I'M DR. OZZY will include some of the best material from his published columns, answers to celebrities' medical questions, charts, sidebars, and more.

Sharon Osbourne Extreme Grand Central Publishing
The definitive history of the band that invented heavy metal—featuring rare photographs, a complete discography and an introduction by Robb Flynn. With its infernal sound and dark lyrics, Black Sabbath has been a force of nature for half a century. Its career spans eleven different line-ups and nineteen studio albums in addition to the twenty-eight solo albums of the original four members. The band began in 1968, playing blues rock on the cover circuit of Birmingham, England. But guitarist Tony Iommi, bassist Geezer Butler, singer Ozzy Osbourne, and drummer Bill Ward would soon define a new genre of music—and make themselves world famous. Joel McIver explores the complete history of Sabbath, from precursor bands to history-making albums and on to the present. With more than 150 photos, a gatefold family tree tracing the development of the band, a complete discography, and a foreword by Machine Head frontman Robb Flynn, this is the must-have book for any Sabbath fan.

I Am Ozzy Quarto Publishing Group USA
One of television's best loved personalities via the wildly successful hit MTV show The Osbournes, Ozzy tells about his days on the road and the

heartbreak he suffered during those days of hard living.

Trust Me, I'm Dr. Ozzy Too Smart Publications
"From celebrated music writer Dan Ozzi comes a comprehensive chronicle of the punk music scene's evolution from the early nineties to the mid-aughts, following eleven bands as they dissolved, "sold out," and rose to surprise stardom. From its inception, punk music has been identified by two factors: its proximity to "authenticity," and its reliance on an antiestablishment ethos. Yet, in the mid- to late '90s, major record labels sought to capitalize on punk's rebellious undertones, leading to a schism in the scene: to accept the cash flow of the majors, or stick to indie cred? Sellout chronicles the evolution of the punk scene during this era, focusing on prominent bands as they experienced the last "gold rush" of the music industry. Within it, music writer Dan Ozzi follows the rise of successful bands like Green Day and Jimmy Eat World, as well as the implosion of groups like Jawbreaker and At the Drive-In, who buckled under the pressure of their striving labels. Featuring original interviews and personal stories from members of eleven of modern punk's most (in)famous bands, Sellout is the history of the evolution of the music industry, and a punk rock lover's guide to the chaotic darlings of the post-grunge era. "--
