NOW A NETFLIX ORIGINAL MOVIE STARRING MACHINE GUN KELLY, DANIEL WEBBER, DOUGLAS BOOTH, AND IWAN RHEON, DIRECTED BY JEFF TREMAINE. Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of The Dirt—the outrageous, legendary, no-holds-barred autobiography of M ö tley Cr ü e. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love affairs, rollercoaster drug addictions, and immortal music in M ö tley Cr ü e books like Tommyland and The Heroin Diaries, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in The Dirt. Even fans already familiar with earlier editions of the bestselling expos é will treasure this gorgeous deluxe edition. Joe Levy at Rolling Stone calls The Dirt "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting."

In 2009, Bruce Springsteen and the E Street Band performed at the Super Bowl's half-time show. The experience was so exhilarating that Bruce decided to write about it. That's how this extraordinary autobiography began. Over the past seven years, Bruce Springsteen has privately devoted himself to writing the story of his life, bringing to these pages the same honesty, humour, and originality found in his songs. He describes growing up Catholic in Freehold, New Jersey, amid the poetry, danger, and darkness that fueled his imagination, leading up to the moment he refers to as "The Big Bang": seeing Elvis Presley's debut on The Ed Sullivan Show. He vividly recounts his relentless drive to become a musician, his early days as a bar band king in Asbury Park, and the rise of the E Street Band. With disarming candour, he also tells for the first time the story of the personal struggles that inspired his best work, and shows us why the song "Born to Run" reveals more than we previously realized.

Ozzie & Prince Zebedee Orion  
New York Times Bestseller Founding member, singer, and lead guitarist of Metallica and Megadeath shares the ultimate, unvarnished story behind his involvement in the rise of two of the world ’ s most influential heavy metal bands in history. Dave Mustaine is the first to admit that he ’ s bottomed out a few times in his dark and twisted speed metal version of a Dickensian life. From his soul-crushing professional and artistic setbacks to his battle with addiction, Mustaine has hit rock bottom on multiple occasions. April 1983 was his lowest point, when he was unceremoniously fired from Metallica for his hard-partying ways. But, what seemed to be the end of it all was just the beginning for the guitarist. After parting ways with Metallica, Mustaine went on to become the front man, singer, songwriter, guitarist (and de facto CEO) for Megadeath—one of the most successful metal bands in the world. A pioneer of the thrash metal movement, Megadeath rose to international fame in the 1980s, and has gone on to earn seven consecutive Grammy nominations for Best Metal Performance. In this outrageously candid memoir, one of heavy metal ’ s most iconic figures gives an insider ’ s look into the loud and sordid world of thrash metal—sex, drugs, and rock n ’ roll included.

The final word on the only name synonymous with heavy metal - Black Sabbath. Way back in the mists of time, in the days when rock giants walked the earth, the name Ozzy Osbourne was synonymous with the subversive and dark. Back then, Ozzy was the singer in Black Sabbath, and they meant business. A four-piece formed from the ashes of two locally well-known groups called The Rare Breed (Ozzy and bassist Geezer Butler) and Mythology (guitarist Tony Iommi and drummer Bill Ward), all four founding members of the original Black Sabbath grew up within half-a-mile of each other. This biography tells the story of how they made that dream come true - and how it then turned into a nightmare for all of them. How at the height of their fame, Sabbath discovered they had been so

badly ripped off by their managers they did not even own their own songs. How they looked for salvation from Don Arden - an even more notorious gangster figure, who resurrected their career but still left them indebted to him, financially and personally. And how it finally came to a head when in 1979 they sacked Ozzy: 'For being too out of control - even for us,' as Bill Ward put it. The next 15 years would see a war break out between the two camps: the post-Ozzy Sabbath and Ozzy himself, whose solo career overshadowed Sabbath to the point where, when he offered them the chance to reform around him again, it was entirely on his terms. Or rather, that of his wife and manager, daughter of Don Arden - Sharon Osbourne. Sellout Penguin  
Please note: This is a companion version & not the original book. Sample Book Insights: #1 I was the fourth child in my family, and the first boy. My three older sisters were Jean, Iris, and Gillian. I didn ’ t have any fun in Aston, as there were only grey skies and corner pubs. #2 I was a very nervous kid. I was terrified most of the time. I was terrified of impending doom, and I convinced myself that if I stepped on the cracks in the pavement while running home, my mother would die. #3 My father was a good man, and he was strict but never beat me up or locked me in the coal house. He would always give up his seat on the bus for a woman or help an old lady across the road. #4 I had an incredible imagination. I spent years wondering what beer must be like, until I finally drank some and thought, What the fuck is this shit. I didn ’ t think it was possible for me to make any money other than by working in a factory or robbing a bank. I was a kid trying to fit in with the local gangs.

The legendary frontman of Judas Priest, one of the most successful heavy metal bands of all time, celebrates five decades of heavy metal in this tell-all memoir. Most priests hear confessions. This one is making his. Rob Halford, front man of global iconic metal band Judas Priest, is a true "Metal God." Raised in Britain's hard-working, heavy industrial heartland, he and his music were forged in the Black Country. Confess, his full autobiography, is an unforgettable rock 'n' roll story-a journey from a Walsall council estate to musical fame via alcoholism, addiction, police cells, ill-fated sexual trysts, and bleak personal tragedy, through to rehab, coming out, redemption . . . and finding love. Now, he is telling his gospel truth. Told with Halford's trademark self-deprecating, deadpan Black Country humor, Confess is the story of an extraordinary five decades in the music industry. It is also the tale of unlikely encounters with everybody from Superman to Andy Warhol, Madonna, Jack Nicholson, and the Queen. More than anything else, it's a celebration of the fire and power of heavy metal. Rob Halford has decided to Confess. Because it's good for the soul. Named one of the Best Music Books of 2020 by Rolling Stone and Kirkus Reviews

Dragons Love Tacos meets Where the Wild Things Are in this rollicking story about the mishaps of a best friend duo from debut author and illustrator Gela Kalaitzidis. Ozzie and Prince Zebedee are the best of friends. They do everything together, but things change when Prince Zebedee accuses Ozzie of cheating and Ozzie swallows up Prince Zebedee in one big GULP! Before too long, an emotional Ozzie has crunched up half the town while a stubborn Prince Zebedee refuses to leave the dragon's tummy until he apologizes. With wit and charm, Gela Kalaitzidis has crafted a tale of love, forgiveness, and empathy in one hilarious package.  
Trust Me, I'm Dr. Ozzy Hachette UK  
The name 'Tony Iommi' sends shivers down the spines of guitarists around the world. As lead guitarist and songwriter of Black Sabbath, Tony Iommi is considered to be one of the most influential musicians of the past four decades and the inventor of heavy metal. From working class, Midlands roots, his unique playing style - a result of a disfiguring hand injury he suffered working in a sheet metal factory - created a dark and gothic sound unlike anything that had been heard before and which captured the mood of its time. Sabbath went on to become a superband, playing to massive audiences around the world and selling millions of records, and Iommi led the life of a rockstar to the fullest - with the scars from all the drug-fuelled nights of excess and wildness to show for it. Iron Manis the exclusive account of the life and adventures of one of rock's greatest heroes.  
I Am Ozzy Harper Collins  
Sharon Osbourne reveals the truth behind the headlines in her characteristically frank, intimate and articulate memoir-from her childhood as the daughter of Don Arden, to managing and marrying Ozzy Osbourne, to her rising fame on shows such as The Osbournes and The X Factor. A devoted wife and mother, businesswoman, TV star and award-winning producer, Sharon Osbourne has, in her own words, "lived fifty lives in fifty years". Her childhood with her father, the notorious rock manager Don Arden, was an unruly mix of glamour and violence. In her late 20s, Sharon finally made the painful decision to break with her family. Always irrepressible, Sharon flourished, creating a loving family of her own while becoming a legendary manager and rock band promoter. In rock star Ozzy Osbourne, Sharon found her soul mate, yet Ozzy's drug and drink-fueled excesses-which culminated in his attempt to strangle her-made their marriage a white-knuckle ride from the start. Only her devotion to their three children gave her the will to survive. From the

tremendous highs of the hit show The Osbournes to the devastating lows of Ozzy's near-fatal quad-bike accident and her own bout with colon cancer, Sharon's tenacity, honesty, and humor have triumphed again and again.  
Diary of a Madman Hachette UK  
A British journalist ’ s “ fast and funny ” account of hedonism and conspicuous consumption in Los Angeles—and his attempt to get in on the fun (The New York Times). From the author of War Reporting for Cowards, Death by Leisure is the incisive, irreverent, and savagely funny story of British journalist Chris Ayres ’ s attempt to infiltrate the American leisure class (and find true love) in the credit-fueled years before the 2008 economic collapse. When the bubble bursts, however, Ayres must learn to live without the billionaire balls, supermodel girlfriends, foie gras pina coladas, and caviar facials to which he ’ s grown accustomed. Just like the rest of us, alas. “ With dry British wit, [Ayres] skewers American greed, L.A. life, and his own endless romantic foibles...Somehow, Ayres knew the fall was coming and kept going anyway. So did we. ” —Time  
“ Were this merely a tale of a stranger in a strange land, Ayres ’ s hilariously self-effacing manner would make this worth reading. But what makes it more than merely clever is the way Ayres turns his own romantic insecurity and material aspiration into a stinging, if sympathetic, indictment of mindless consumption. Yes, we ’ re destroying the planet, he seems to say, but can we help it, given how pathetic we are? And anyone who can make us laugh at that must be a genius. ” —Booklist (starred review)  
The Wit and Wisdom of Ozzy Osbourne One World  
The final word in sex, drugs, and rock-and-roll, heavy metal legend Ozzy Osbourne shares his unbelievable story for the first time in this tell-all memoir. "They've said some crazy things about me over the years. I mean, okay: 'He bit the head off a bat.' Yes. 'He bit the head off a dove.' Yes. But then you hear things like, 'Ozzy went to the show last night, but he wouldn't perform until he'd killed fifteen puppies . . .' Now me, kill fifteen puppies? I love puppies. I've got eighteen of the f\*\*king things at home. I've killed a few cows in my time, mind you. And the chickens. I shot the chickens in my house that night. It haunts me, all this crazy stuff. Every day of my life has been an event. I took lethal combinations of booze and drugs for thirty f\*\*king years. I survived a direct hit by a plane, suicidal overdoses, STDs. I've been accused of attempted murder. Then I almost died while riding over a bump on a quad bike at f\*\*king two miles per hour. People ask me how come I'm still alive, and I don't know what to say. When I was growing up, if you'd have put me up against a wall with the other kids from my street and asked me which one of us was gonna make it to the age of sixty, which one of us would end up with five kids and four grandkids and houses in Buckinghamshire and Beverly Hills, I wouldn't have put money on me, no f\*\*king way. But here I am: ready to tell my story, in my own words, for the first time. A lot of it ain't gonna be pretty. I've done some bad things in my time. I've always been drawn to the dark side, me. But I ain't the devil. I'm just John Osbourne: a working-class kid from Aston, who quit his job in the factory and went looking for a good time."

Summary of Ozzy Osbourne's I Am Ozzy Sphere  
One of music's most notorious frontmen leads a headbanging, voyeuristic odyssey into sex, drugs, and rock 'n' roll that rivals Motley Crue's The Dirt and Aerosmith's Walk This Way. He made Keith Richards look like a choirboy and Mick Jagger look like a nun. And as the head of the legendary band Motorhead, he ploughed his way through so many drugs, so many women, and so much alcohol, that he gave a whole new meaning to the term Debauchery. And he changed the face of music, conquering the rock world with such songs as "Ace of Spades," "Bomber," and "Overkill" and inventing a whole new form of music--speed metal. At the age of 57, Lemmy Kilmister remains a rock icon, both for his monumental talent and his hedonistic lifestyle. In White Line Fever, he recounts his incredible, pleasure-filled, and death-defying journey through music history. Born on Christmas Eve, 1945, in Wales, to a vicar and a librarian, Ian Fraser Kilmister learned early, he as he forthrightly puts it, "what an incredible pussy magnet guitars were." A teenager at the birth of rock 'n' roll, Lemmy idolized Elvis and Buddy Holly and soon joined a band of his own. He would eventually head to London, where he became a roadie for Jimi Hendrix, played in Opal Butterfly, and joined space rockers Hawkwind's lineup in 1971. Four years later, speedfreak Lemmy was fired from the band for doing the wrong drugs. Vowing to form the "dirtiest rock 'n' roll band in the world," he formed Motorhead, arguably the heaviest and loudest heavy metal band to ever take the stage. During their twenty-seven-year history, Motorhead would go on to release twenty-one albums, including the #1 record No Sleep 'Til Hammersmith and would earn a Grammysnomination. Lemmy would also cheat death on more than one occasion, most notoriously in 1980, when his doctor told him, "I cannot give you a blood transfusion because normal blood will kill you...and your blood would kill another human being, because you're so toxic." But

---

through more than two decades of notorious excess, Lemmy has lived to tell the warts-and-all tale of a life lived over the edge. White Line Fever, a tour of overindulgence, metal, and the search for musical integrity, offers a sometimes hilarious, often outrageous, and always unbridled ride with the leader of the loudest rock band in the world.

Honey Badger Don't Care Everest Media LLC

"From celebrated music writer Dan Ozzi comes a comprehensive chronicle of the punk music scene's evolution from the early nineties to the mid-aughts, following eleven bands as they dissolved, "sold out," and rose to surprise stardom. From its inception, punk music has been identified by two factors: its proximity to "authenticity," and its reliance on an antiestablishment ethos. Yet, in the mid- to late '90s, major record labels sought to capitalize on punk's rebellious undertones, leading to a schism in the scene: to accept the cash flow of the majors, or stick to indie cred?Sellout chronicles the evolution of the punk scene during this era, focusing on prominent bands as they experienced the last "gold rush" of the music industry. Within it, music writer Dan Ozzi follows the rise of successful bands like Green Day and Jimmy Eat World, as well as the implosion of groups like Jawbreaker and At the Drive-In, who buckled under the pressure of their striving labels. Featuring original interviews and personal stories from members of eleven of modern punk's most (in)famous bands, Sellout is the history of the evolution of the music industry, and a punk rock lover's guide to the chaotic darlings of the post-grunge era."

Grove/Atlantic, Inc.

In their own words (and we all know how colorful those can be), the five members of the notorious Osbourne clan tell the amazing story of the first family of rock. OZZY talks about his first beer, his legendary career,and why he's the only sane member of the Osbourne family. SHARON explains the root of her shopaholic nature, the ups and downs of being married to Ozzy, and what it's like to battle cancer and host a talk show. AIMEE reveals why she opted out of MTV's The Osbournes, why she thinks her mother's in denial, and why her father destroyed himself with drugs. KELLY offers cutting thoughts on sibling relationships and growing up Osbourne as well as on life as a fledgling rock star. JACK shares stories about life without privacy ("What's privacy?") and his stint in rehab -- and claims he's the only sane one in the family. IF YOU THOUGHT YOU ALREADY KNEW THE OSBOURNES, THINK AGAIN!
