Sessional Papers - Legislature of the Province of Ontario  
Faber & Faber  
Before there was Lois Lowry 's *The Giver* or M. T. Anderson 's *Feed*, there was Robert Cormier 's *I Am the Cheese*, a subversive classic that broke new ground for YA literature. A boy 's search for his father becomes a desperate journey to unlock a secret past. But the past must not be remembered if the boy is to survive. As he searches for the truth that hovers at the edge of his mind, the boy—and readers—arrive at a shattering conclusion. “ An absorbing, even brilliant job. The book is assembled in mosaic fashion: a tiny chip here, a chip there. . . . Everything is related to something else; everything builds and builds to a fearsome climax. . . . [Cormier] has the knack of making horror out of the ordinary, as the masters of suspense know how to do. ” —The New York

Times Book Review “ A horrifying tale of government corruption, espionage, and counter espionage told by an innocent young victim. . . . The buildup of suspense is terrific. ” —School Library Journal, starred review

*Make Your Own Damn Cheese* Lulu Press, Inc

A 2016 Michael L. Printz Honoree  
"This is East Texas, and there's lines. Lines you cross, lines you don't cross. That clear?" New London, Texas. 1937.  
Naomi Vargas and Wash Fuller know about the lines in East Texas as well as anyone. They know the signs that mark

---

them. They know the people who enforce them. But sometimes the attraction between two people is so powerful it breaks through even the most entrenched color lines. And the consequences can be explosive. Ashley Hope Pérez takes the facts of the 1937 New London school explosion—the worst school disaster in American history—as a backdrop for a riveting novel about segregation, love, family, and the forces that destroy people.

*Cheesemonger* Greenwood Publishing Group  
Situating on London's Foster Lane, there is a quintessentially Georgian, redbrick house with a green door bearing the sign *trencoms*, 1662. It's the home of the *Trencom* family's cheese store, a generational establishment begun by

Humphrey *Trencom* that now, 303 years later, is run by Edward *Trencom*. Quaint though it may seem, it bears witness to a strange occurrence of "accidents" that seem to befall every generation of the curd-loving family.... Edward *Trencom* has bumbled through life, relying on his trusty nose to turn the family cheese shop into the most celebrated fromagerie in England. This was no ordinary nose, but one long, aquiline, and furnishing the trademark circular bump over the bridge---the very same nose bestowed on all the *Trencom* men. It was extraordinary, able to discern the composition, maturity, and quality of cheese---and the *Trencom* noses had sniffed, whiffed, and judged the very best cheeses of the world. But on an ordinary day, Edward's world is turned upside down when he stumbles across a crate of family papers. To his horror, he discovers that nine previous

---

generations of his family have come to sticky ends because of their noses. When he investigates---despite his grandfather's caveat never to look into the origin of his nose---Edward finds himself caught up in a Byzantine riddle to which there is no obvious answer. And like his ill-fated ancestors, he is hunted down by rival forces whose identity and purpose remain a total mystery. Trapped between the mad, the bad, and a cheese to die for, Edward Trencom's nose must make a choice---and for the last nine generations it has made the catastrophically wrong decision. Giles Milton's deliciously comic debut novel is a mouthwatering blend of Tom Sharpe and P. G. Wodehouse. From the noble Roquefort to the piquant Époisses, every page is permeated by the pungent odor of cheese. Praise for Giles Milton "He has a rare ability---a talent for

sifting fine pearls from faraway sands and for transmuting the merely arcane into little literary gems." ---Simon Winchester, *The Boston Globe* "Milton spins a fascinating tale. . . . Exuberantly eccentric characters stride the pages."---*Time* magazine on Nathaniel's Nutmeg "In an exceptionally pungent, amusing, and accessible historical account, Giles Milton brings readers right into the midst of these colonists and their daunting American adventure."--- Janet Maslin, *The New York Times*, on *Big Chief Elizabeth* [I Am the Cheese](#) Berrett-Koehler Publishers William McInnes, one of Australia's best-known storytellers and actors, has turned to a subject that is close to his heart. Fatherhood is about family, about memories of his father and the memories he's creating as a dad

---

himself, with his own son and daughter. **Out of Darkness** Macmillan  
Warm, witty and nostalgic, these tales are just like a friendly chat over the back fence, or the banter of a backyard BBQ. They will stir your own memories: of hot summer days and cooling off under the sprinkler while Dad works in the garden with the radio tuned to the sports results; that time Dad tried to teach you to drive - and then got out of the car and kissed the ground; or taking your own kids on a family road trip. Fatherhood is full of memories: the happy, the hilarious, the sad, bad, and the unexpectedly poignant moments. You will laugh, you may even cry - but you will recognise yourself and those you love somewhere in these pages.

Winner of the USA Book News National Book Award for Best Nonfiction True Crime and Best Memoir/Autobiography By the time he was thirteen, he already had attended thirteen funerals. Abandoned by his mother, and with his father, "Mangy" Menginie—president of the Pagans Motorcycle Club, Philadelphia chapter—in jail, Anthony "LT" Menginie is raised inside the Pagans and inducted into a life of sex, violence, drugs, and organized crime. In Mangy's absence, LT finds a father

---

figure in the Saint, a club member who helps teach him the difference between the club members you respect...and those you fear. The author recounts the power struggles that occur when Mangy is released from jail and tries to resume his role as father and president. Soon all hell breaks loose when Mangy betrays the club by going over to the rival Hells Angels, helping to touch off the "Biker Wars" in Philadelphia. The chapter's new president grooms LT to one day confront his father for his treachery.

Faced with an impossible decision, LT has to decide where his loyalties lie. Prodigal Father, Pagan Son is a voyeuristic glimpse into the shocking and hypnotic underworld of notorious "one-percenter" biker clubs, hit men, drug dealers, and the other individuals who operate under no other rules than the "club code." But more than this, Menginie's story is the gritty and powerful true tale of surviving amid personal trials and tragedies, and of one man's determination to escape to a better life.

The author of *Negotiating the Impossible* "tackles our assumptions about business and life with humor, zest, and wisdom in this delightful fable" (Daniel H. Pink, *New*

---

York Times–bestselling author). If you were a mouse trapped in a maze and someone kept moving the cheese, what would you do? In a world where most mice dutifully accept their circumstances, ask no questions, and keep chasing the cheese, Deepak Malhotra tells an inspiring story about three unique and adventurous mice—Max, Big, and Zed—who refuse to accept their reality as given. *I Moved Your Cheese* reveals what is possible when we finally discard long-held and widely accepted assumptions about how we should live our lives. After all, achieving extraordinary success, personal or professional, has always depended on the ability to challenge assumptions, reshape the environment, and play by a different set of rules—our own. But rejecting deeply ingrained beliefs is not easy. As Zed explains, “You see, Max, the problem is not that the mouse is in the maze, but that the maze is in the mouse.” “Deepak Malhotra allows you to glimpse a world of your own making without the limits and barriers that

---

others create." –Stephen R. Covey, New York Times- bestselling author of The 7 Habits of Highly Effective People "A magnificent story with a powerful message. As someone who has encouraged scores of professionals into breaking through the maze and defining their own pursuits, I find this to be a gem of a book." –Vinod Khosla, cofounder, former CEO and Chairman, Sun Microsystems, and founder, Khosla Ventures "This book's message is both profound and durable. Malhotra has left the maze, and so can we." –Foreword Reviews [Congressional Record](#) Lulu.com I Am the CheeseKnopf Books for Young Readers [Heroes](#) Chelsea Green Publishing Make Your Own Damn Cheese is an engaging read that feeds off of the success of Spencer Johnson's New York Times bestseller Who Moved My Cheese, and Deepak Malhotra's ensuing response and Wall Street Journal bestseller, I Moved Your Cheese. Much deeper and far more edifying than a collection of platitudes or lighthearted

---

fable, *Make Your Own Damn Cheese* is the kind of read that people love--especially those who enjoyed the first two tales of mazes and mice who conquer their fears and learn to adapt. This new twist on the beloved fable adapts Chuback's personal advice and wisdom that is practical, directly applicable, highly motivational, and leads to personal awareness and real-world achievement. *Make Your Own Damn Cheese* is short, quick, and effective. Chuback makes indirect but obvious reference to the first two books and states a case for self-reliance, entrepreneurship, and self-determination. The seven main characters are fashioned after major players in the history of personal development: Earl Nightingale, Napoleon Hill, Jim Rohn, Bob Proctor, Brian Tracy, Dennis Waitley, and Price Pritchett. In this variation, a young mouse seeking happiness and freedom (Earl), is guided by an elderly mouse (Napoleon) who brings him deep into a maze to be taught by other learned mice (Jim, Brian, Bob, Price,

---

and Dennis). There, he learns what cheese really is and why it is important, and he also learns that he is really a human being and not a mouse at all--he has the power of choice, free will, and decision-making. He is joyfully astonished to learn that he does not have to spend his life chasing cheese--he learns to make his own damn cheese!

classic, *Who Moved My Cheese?* uses a simple parable to reveal profound truths about dealing with change so that you can enjoy less stress and more success in your work and in your life. It would be all so easy if you had a map to the Maze. If the same old routines worked. If they'd just stop moving "The Cheese." But things keep changing... Most people are fearful of change, both personal and professional, because they don't have any control over how or when it happens to them. Since change happens either to the individual or by the individual, Dr. Spencer Johnson, the coauthor of the multimillion bestseller *The One Minute Manager*, uses a deceptively simple story to show that when it

---

comes to living in a rapidly changing world, what matters most is your attitude. Exploring a simple way to take the fear and anxiety out of managing the future, *Who Moved My Cheese?* can help you discover how to anticipate, acknowledge, and accept change in order to have a positive impact on your job, your relationships, and every aspect of your life.

**The Atlas of American Artisan  
Cheese** Knopf Books for Young  
Readers  
There's more to American  
cheese than tangerine orange

---

or white bricks. In *It's Not You, It's Brie*, cheese expert Kirstin Jackson tells the whole cheese story. Through fifty American cheese profiles, she takes us "backstage" into underground caves, into funky scents and traditions that link today's cheese makers to American history. You'll meet the people who dedicate their lives to artisan cheese—from those who run generations-old family farms to others who ditched their day job to start a dairy. Jackson groups the cheeses into sixteen styles ranging from American Originals to Mixed Milk, explaining how each one's unique flavors, appearance, and production practices have come to define its style. Featured cheeses include Queso Oaxaqueño, a Mexican-style cheese hand-stretched in California; Scholten Weybridge, a double-crème made in Vermont from the milk of a rare Dutch Belted cow; and River's Edge Mayor of Nye Beach, a funky washed-rind goat's milk that knocks its French rivals out of the water. Beer, wine, and food

---

pairing suggestions round out each profile, along with recipes that use every cheese style in refreshing new ways, from Gouda Almond Toffee to Landaff and Celery Root Beer Soup.
