This complete boxset collection has everything you need to get started on the series in one bundle! GRAVE NEW WORLD Sometimes you have to play dirty. I'm Paige Harper and I clean up supernatural messes. But my personal life is something I can't seem to straighten out. I accidentally married a fae, and even though we've been divorced for years, Jax still manages to land me in hot water. Like, putting my house on the table at a high stakes poker game type of hot. Now, he's been arrested for murder and the cops want to pin a series of vampire killings on him. I don't know if he did it or not. But I do know he needs to be at that poker game or else my house is gone. In order to get Jax out, I turn to Nico, a one-eyed werewolf private detective, for help. Nico is a handsome, dangerous, ladies man and I have no intention of falling prey to his charms. Although, that's easier said than done as the two of us begin crawling through the dirty underbelly of the supernatural world... It's a good thing I brought my broom. GRIME AND PUNISHMENT The only thing worse than a serial killer that hates you...is a serial killer that likes you. The only upside to his attention is that Nico, a one-eyed werewolf private detective, has decided to assign himself as my personal bodyguard. Even though Nico gets me hot and bothered, I'm done with bad boys. Instead, I'm determined to make things work with a new guy that I've met. A nice HUMAN guy. But I can't take this relationship to the next level with a werewolf on my tail. As if that wasn't enough, I'm also juggling a new cleaning job at a supernatural brothel and trying to hunt down a kidnapped baby. Can I juggle work, romance, and an obsessed serial killer? I can, or I'll die trying. A FAREWELL TO CHARMS Sex sells...for everyone except the person cleaning up after it! I'm Paige Harper, and I've got problems paying the bills. My cleaning service for paranormal messes has only one major client. Charms is half gambling den, half brothel, and 100 percent of my income. Unfortunately, on the same week I'm due to get paid - Charms gets robbed. The ogre madame can't pay me, cover her bribes, or keep her teenage daughter in-line. Somehow, I'm in charge of fixing all these things - while trying to figure out if the guy I'm dating is a serial killer. On top of all that, Nico - a one-eyed werewolf private detective - is on the case, too. He gets under my skin, and has made it clear he wouldn't mind getting under my clothes. Somehow, I've gotta keep things strictly professional. Sure, no problem. It's a lot of balls to keep in the air, but it's a juggling act I've got to ace, or else it's farewell to Charms, my livelihood, and maybe even my life. New Religions and the Mediation of Non-Monogamy examines the relationship between alternative American religions and the media representation of non-monogamies on reality-TV shows like Sister Wives, Seeking Sister Wife, and Polyamory: Married & Dating. The book is the first full-length study informed by fieldwork with Mormon polygamists and fieldwork with LGBTQ Neo-Pagan/Neo-Tantric polyamorists. The book tracks community members’ responses to the new media about them, their engagement with television and other media, and the likeness of representations to actual populations through fieldwork and interviews. The book highlights differences in socioeconomic privileges that shape Mormon polygamists’ lives and LGBTQ polyamorists’ lives, respectively. The polyamory movement receives support from liberal media. As reality TV has shifted the image of Mormon polygamy to one of liberal American middle-class culture, Mormon polygamists have gained in public favor. The media landscape of non-monogamy is mediated by, in addition to these alternative religious populations, the norms and practices of the reality-TV industry and by sociocultural and economic realities, including race and class. This book adds to the fields of media studies, critical race and gender studies, new religious movements, and queer studies.

Court of Destiny Ann Gimpel Books, LLC

Urban fantasy and slow burn romance wrapped into a serial that will keep you up reading long into the night. Strange bedfellows rock worlds. My days as Faery ’ s reluctant regent have crashed and burned. Either I left the land to rot in a squalid soup of broken promises, or I destroyed her enemies one by one. No choice there. Not really. I ’ d known some of those “ enemies ” since childhood, which was centuries ago. They say familiarity breeds contempt. In my case it bred sorrow as I consigned Fae who ’ d been friends to eternal destruction and fed them to the land. Dariyah, the Witch-who-wasn ’ t-one, crossed my path for reasons I ’ m still figuring out. Her long-lost mother presided over one of Faery ’ s many dirty secrets, the Midnight Court. Some like to believe Fae blood is pure. It ’ s not. We and the Sidhe are joined at the hip, and the Midnight Court was once a living symbol of our bond. I ’ ll fight to maintain a magical world that ’ s open to all. If I ’ m quick, ruthless, I might beat Oberon at his own game. Sly bastard that he is, he still holds the link to Faery. If I can ’ t wrest it from him, the land—my land—will wither and fade.

Utilizing contemporary scholarship on secularization, individualism, and consumer capitalism, this book explores religious movements founded in the West which are intentionally fictional: Discordianism, the Church of All Worlds, the Church of the SubGenius, and Jediism. Their continued appeal and success, principally in America but gaining wider audience through the 1980s and 1990s, is chiefly as a result of underground publishing and the internet. This book deals with immensely popular subject matter: Jediism developed from George Lucas' Star Wars films; the Church of the Flying Spaghetti Monster, founded by 26-year-old student Bobby Henderson in 2005 as a protest against the teaching of Intelligent Design in schools; Discordianism and the Church of the SubGenius which retain strong followings and participation rates among college students. The Church of All Worlds' focus on Gaia theology and environmental issues makes it a popular focus of attention. The continued success of these groups of Invented Religions provide a unique opportunity to explore the nature of late/post-modern religious forms, including the use of fiction as part of a bricolage for spirituality, identity-formation, and personal orientation.

Faery ’ s castle lies in ruins, a reflection of the rest of a land I love. My land, my realm, has altered almost beyond recognition. The part that hasn ’ t changed is the incredible people and creatures who live in Faery. Unicorns. Fauns. Satyrs. Fae. Sidhe. To name but a few. Now they stand against us along with a collection of monsters intent on sucking every last breath of life from Faery. The worst part about all of this has been not knowing whom I can call friend. Faery, the incarnation of the land that bears her name, recovered her body, but I don ’ t trust her. Our lead seer confessed her visions have been tainted. We are in the thick of things. As we lurch into the endgame, my life, soul, and fortunes are linked with the woman I love. We rise—or fall—together. If it comes down to a gut-wrenching choice, will I pick Faery or Dariyah?
