Jimmy Skunk, Peter Rabbit, and other woodland creatures secretly trail Old Mr. Toad as he makes his way to a very important engagement. Gentle lessons about nature and the environment.

Sleepy Dog Vintage

As topical today as when it was first published in 1938, this book tells of Bartholomew Cubbins (from Caldecott Honor winner Bartholomew and the Oobleck) and his unjust treatment at the hands of King Derwin. Each time Bartholomew attempts to obey the king's order to take off his hat, he finds there is another hat on his head. Soon it is

Bartholomew's head that is in danger . . . of being chopped off! While *The 500 Hats* is one of Dr. Seuss's earliest works, it is nevertheless totally Seussian, addressing subjects that we know the good doctor was passionate about: abuse of power (as in *Yertle the Turtle*), rivalry (as in *The Sneetches*), and of course, zany good humor!

Llama Llama Misses Mama Random House Books for Young Readers A lesser-known collection of classic Dr. Seuss stories about humility, equality, and the power of imagination! This collection of three rhyming stories by Dr. Seuss features a whole litter of Cat in the Hat-like cats! In "I Can Lick 30 Tigers Today!" a boastful cat bites off more than he can chew in the shape of 30 tigers; in "King Louie Katz"--a tale about tails--a single cat challenges authority and creates a more "demo-catic" society; and in "The Glunk That Got Thunk," a cat thinks up something so wild, she needs to un-thunk it! Beautifully illustrated in ink and watercolor, this quirky collection of Seussian silliness will be a

welcome gift to Dr. Seuss fans of all ages.

I Need My Monster RH

Childrens Books

This enhanced eBook features read-along narration. A unique monster-under-the-bed story with the perfect balance of giggles and shivers, this picture book relies on the power of humor over fear, appeals to a child's love for creatures both alarming and absurd, and glorifies the scope of a child's imagination. One night, when Ethan checks under his bed for his monster, Gabe, he finds a note from him instead: "Gone fishing. Back in a week." Ethan knows that without Gabe's familiar nightly scares he doesn't stand a chance of getting to sleep, so Ethan interviews potential substitutes to see if

they've got the right equipment for the job—pointy teeth, sharp claws, and a long tail—but none of them proves scary enough for Ethan.

When Gabe returns sooner than expected from his fishing trip, Ethan is thrilled. It turns out that Gabe didn't enjoy fishing because the fish scared too easily.

The 500 Hats of Bartholomew Cubbins Random House Books for Young Readers

While debating literature's greatest heroines with her best friend, thirtysomething playwright Samantha Ellis has a revelation—her whole life, she's been trying to be Cathy Earnshaw of *Wuthering Heights* when she should have been trying to be *Jane Eyre*. With this discovery, she embarks on a retrospective look at the literary ladies—the characters and the writers—whom she has loved since childhood. From early obsessions with the March sisters to her later idolization of Sylvia Plath, Ellis evaluates how her heroines stack up today. And, just as she excavates the stories of her favorite characters, Ellis also shares a frank, often

humorous account of her own life growing up in a tight-knit Iraqi Jewish community in London. Here a life-long reader explores how heroines shape all our lives.

The Cat in the Hat Comes Back HarperCollins

The riotously funny follow-up to *The Cat in the Hat!* The Cat is back—along with some surprise friends—in this beloved Beginner Book by Dr. Seuss. Dick and Sally have no time to play. It's winter and they have mountains of snow to shovel. So when the Cat comes to visit, he decides to go inside and to take a bath. No problem, right? Wrong! The pink ring he leaves in the tub creates is a very BIG pink problem when he transfers the stubborn stain from the bath onto Mother's white dress, Dad's shoes, the floors, the walls, and ultimately, over the entire yard full of snow! Will the kids EVER clean up the mess? You bet they will, with some help from the Cat and his helpers: 26 miniature cats (AKA Little Cats A-Z) who live inside the Cat's hat! This classic Dr. Seuss story is the perfect choice for beginning readers and read-

alouds, especially on snow days! Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that give clues to their meaning.
