I Don't Want to Wash My Hands! Dorrance Publishing

Fans of the hit picture book *I Don't Want to Be a Frog* will love this silly companion featuring a frog that's still as stubborn as ever and his surprisingly patient father. "Reminiscent of Mo Willems' 'Elephant and Piggie' series"—Publishers Weekly *Frog* does NOT want to grow up.

Doesn't need to be tall. Doesn't want to be able to jump high enough to see the tree frogs. He's just FINE being small. Besides, if you grow up, you don't get to do fun things like jump in mud puddles with your best friend, Pig. Do you? This hilarious story—which uses humor to teach that it's great being exactly who you are—is sure to bring a smile to every kid who just wants to stay a kid, in addition to those who are the smallest in their class. It's a sly and smartly funny tale that will have children and parents laughing together. And look for all the book in this hilarious series—I Don't Want to Be a Frog, There's Nothing to Do! and I Don't Want to Go to Sleep. Praise for the series: *I Don't Want to Be a Frog*:

"First-time author Petty's dialogue between a frog father and his son makes its point about accepting one's nature with a big grin. . . . The story might create similar gratitude in the minds of readers—or it might just make them giggle."—Publishers Weekly, starred review *I Don't Want to Be a Frog*: "Reminiscent of Mo Willems's 'Elephant and Piggie' series."—Publishers Weekly "An enjoyable read-aloud"—Kirkus There's Nothing to Do!

"Snappy, spot-on dialogue pairs ideally with the outsize drama of Boldt's artwork; reading this book belongs on families' to-do lists."—Publishers Weekly, starred review

I Don't Want to Die Poor Atria Books

Does a part of you feel your life choices are not exactly your own choices and you wish to understand why that is the case and what to do about it? And do you wish you could make decisions that are purely based on wanting the best for yourself as opposed to trying to impress other people or live as per the definitions of what other people think/feel is right? If you've answered YES, Let This Book Help You Turn Things Around So You Stop Chasing Acceptance And Conformity With The Masses And Instead Pursue And Focus On Your Uniqueness! Are you living your life or are you living someone else's life? The desire to be popular and fashionable is one of the most powerful drivers of human behavior. You probably think that the decisions you make on a day to day basis are your own but the truth is that every choice you make is actually predetermined by your desire to be likeable. This phenomenon ripples out into every facet of your life and has a bigger impact on your life's outcome than you can possibly imagine. Keep reading to learn how your life today is really the outcome of external pressure rather than internal logical decision making. We all have that singular moment in our lives when everything changes forever, this is that moment for you. This book is about to change your life by showing you that contrary to your own expectations, every choice you make isn't actually guided by conscious decision making but rather a strong desire to be popular and fit in.

Unfortunately, the desire to fit in has disastrous consequences for your personal life as well as your academic and professional life. If you are ever going to achieve greatness, then you must learn how to drop the fake you and embrace the power of the real you. I have spent years working in the medical field as a nurse. This book isn't just a combination of cold hard facts and statistics. The book is actually a story of my life, struggles and triumphs. My experiences in the medical field have provided me with a unique perspective on life that a lot of people have found to be very useful. I didn't achieve my full potential until I learned how to stop trying to be other people and simply embrace the power of being me. You can learn to do the same thing if you keep reading. This book will teach you... How to stop being a spoilt kid and become a responsible adult What it takes to be a leader boy or leader girl How to overcome depression and anxiety Why humans crave to fit in How human behavior is impacted by deeply held subconscious beliefs Why we crave to connect with other people How to overcome anger issues Read along as we cover insightful topics like: • Working as a single mom • Overcoming childhood pain • The difference between material wealth and happiness • Self introspection • I can't mentality • Copycat syndrome • Want to be like syndrome • And much more! When you are done reading this book, you will realize that you never really had a clue about who you were. You will be scared by the realization of how much your actions were really just attempts at social conformity but you will be glad to learn how to reach your full potential by embracing the real you.

I Don't Want to Talk About It I Don't Want to Be Quiet!

Do you feel all the feels—all the time? Are you fed up with the mainstream spiritual "love and light" scene that calls for constant positivity, even in the face of true loss, trauma, and pain? If so, this book is for you. *I Don't Want to Be an Empath Anymore* is a gift for the jaded empath searching for authenticity in spirituality, and spirituality in being authentic—something beyond the clichéd, positive affirmations that seem to invalidate our anger, sadness, and pain. When we feel broken—and when real damage has been done, it's not always helpful to ignore our feelings and tell ourselves that we are perfect and whole. In this refreshingly honest guide, shamanic practitioner Ora North offers practical exercises to help you navigate your intuition and empathic sensitivities, create much-needed boundaries, and build confidence. You'll also learn to balance your emotions and energy, and harness the strength of your shadow side to embrace your whole self and live your best life. Like the Japanese craft known as Kintsugi—the art of repairing broken pottery using a lacquer dusted with powdered gold—the process of acknowledging and repairing our fragmented selves can make us even more beautiful than before, cracks and all. In this book, you won't find platitudes or attempts to whitewash your experiences. What you will find are real, practical tools and guidance to help you make the most of your unique abilities.

Bloomsbury Publishing

School can seem very scary to lots of kids. The [series name] series boosts confidence with fun stories to ease transition.

I Don't Want to Sleep WestBow Press

"*I Don't Want to Turn 3*" explores the interaction between family that is happening in just about every household in the world.

I Don't Want To Be A Young Master Revell

The pages of this book tell of our predestination, which was planned by God from the beginning of time. No doubt about it, God has a purpose for everyone. His purpose for us existed before we even hit planet earth. "I chose you before I formed you in the womb; I set you apart before you were born. I appointed you a prophet to the nations" (Jeremiah 1:5 HCSB). God forms each person. Then, He strategically configures each person's trials, situations, and circumstances, tailor-made for them. Each is to accomplish His divine purpose—even the fragmented pieces that are affected by our own choices. He throws nothing away! It all works for our good. "For I know the plans I have for you—this is the Lord's declaration—plans for your welfare, not for disaster, to give you a future and a hope" (Jeremiah 29:11 HCSB). Author Phyllis Matthews allows you to witness her personal transformation in action. She put God to the challenge. She was clueless in her life until she allowed God to navigate her steps. "A man's heart plans his way, but the Lord determines his steps" (Proverbs 16:9 HCSB). Her perception of her life was her reality; it was not God's interpretation. In other words, God had a different picture than what she was seeing or viewing.

I Don't Want to Go to Bed! Free Spirit Publishing

Read Virginia Ironside's posts on the Penguin Blog. A screamingly funny and poignant story about embracing life beyond middle age Marie Sharp is heading toward sixty and is just fine with it. She's already had plenty of excitement in her life: sex and drugs in the freewheeling sixties, career and children, marriage and divorce. Now she's ready to settle into a quiet, blissfully boring routine. No Italian classes or gym memberships or bicycle trips across Europe, thank you very much! Marie just wants to put her feet up and "start doing old things." She's even sworn off men! But as it turns out, life still has some surprises in store, the biggest of which is a new grandson on the way. What's more, Archie, her old childhood crush, suddenly reenters her life, and her closest friend falls seriously ill. Armed with a biting sense of humor, Marie wrestles with a life that refuses to follow her plans—and may still offer more possibilities than she realizes.

I Don't Want to Read This Book Doubleday Books for Young Readers

The art of persuasion as taught by one of the world's most sought-after speakers and pitchmen In this daring book, Joel Bauer teaches you how to persuade by making your messages entertaining. Learn the secrets behind "The Fright Challenge," "The Transformation Mechanism," and other persuasion tactics used by pitchmen, carneys, and conjurers to convince people to their way of thinking. Along with coauthor Mark Levy, Bauer has taken these ethical, entertainment-based techniques, and has made them practical for everyday use—capable of influencing one person or a thousand, in business and in life. Joel Bauer (Los Angeles, CA) is an expert in performance-based live marketing who *The Wall Street Journal* online referred to as "undoubtedly the chairman of the board" of corporate tradeshow rain-making. Mark Levy (Chester, NJ) has written for the *New York Times*, has authored or coauthored three books, and is the founder of Levy Innovation, a consulting firm that makes individuals and companies memorable.

I Don't Want to Be Small Big Little Talks

Hugo is in no doubt as to what he and Bella should go as to the Hippo-Bird Fancy Dress Party. They will go as the princess and the pea and he will be the princess (of course!) leaving poor Bella to be the pea. Indignant, Bella refuses. She has a better suggestion - they will go as a mermaid on a rock and she will be the mermaid (of course!) leaving a huffy Hugo to be the rock. Hugo is not happy. But neither is Bella. They just can't decide on a costume and things reach a crisis when they both flounce off saying they don't want to go to the party at all. After time to consider, both Hugo and Bella calm down and (privately) both choose to dress as a pea as a gesture of making it all up to each other. So when they both arrive at the party as peas, Hugo and Bella announce proudly that they are "two peas in a pod, just as it should be" underlining the message of the book that friendships are all about give and take. With wonderfully absurd illustrations from new talent Simon Rickerty and a great read-aloud text, this is a made-for-sharing picture book.

You Don't Want a Dragon! AuthorHouse

David is waiting in a bar for a date who's not going to show... bitter and alone, will he give up on the girl he loves? After a summer spent apart Scott and Haley are back together, but something has changed between them... Will their relationship ever feel the same as before? Help God I'm Single But I Don't Want To Be Little, Brown Books for Young Readers

The events of the story are about a plane that took place on the beach of the island, and all the passengers escaped, and a number of them decided to explore the island and found a village of similar design and shape and people with uniform clothes and cars of the same color and type. They found strange people who are not from the ancient tribes who do not know development and modernity What is their story ?? The passengers of the ill-fated plane lived with them for a period of time until that day

You Don ' t Want To Be IdentifiedDragonfly Books

Be careful what you wish for -- again! This follow-up to You Don't Want a Unicorn points out the hilarious mishaps that come with adopting a dragon. Our protagonist wishes (much to the narrator's continued chagrin) for a pet dragon. Though initially thrilled, the kid quickly discovers that dragons aren't quite as awesome as they originally thought. From the scooting to the digging to the fire-breathing, our Kid is dismayed that they still haven't found their perfect pet. Little do they know, that pet might just be right around the corner . . .

I Don't Want to Wait! New Harbinger Publications

From beloved children's author and illustrator Tony Ross, comes a fun to read and humorous take on the importance of handwashing. The Little Princess does not want to wash her hands. After all, she's already washed her hands so many times! She's washed her hands before eating and after going outside. She's washed her hands after sneezing and using the potty. Why should she wash her hands anymore? Well, because of germs and nasties, she's told, which are too small to even see! But if they get inside your body, they can make you ill. Not even a Princess wants to be in bed all day! Now the Little Princess knows just what to do! She's got just one more question... "Have you washed your hands?"

I Don't Want to Be Nice! Bloomsbury Publishing

NO! I do NOT want to be so small! I wish I'd keep growing so I can be tall. This little boy is fed up with being so little. He wants to be as tall as his friends and his big brother. But when he loses his teddy bear up a tree, not even his new tall friend can get it back for him. Maybe with a little bit of help they can reach the bear together ... A fun and inspiring tale about learning to love who we are, no matter what size. A perfect picture book for little people who don't want to be so little! From the brilliant Laura Ellen Anderson – the author/illustrator of the brilliantly fun I Don't Want Curly Hair and the bestselling Amelia Fang series. This eBook comes with a glorious, feel-good audio accompaniment by CBeebies star Justin Fletcher, complete with rich sound effects.

I Don't Want to Be a Frog Penguin

"I don't want to go to school!" "Why not? It's the first day! Aren't you excited?" Joey doesn't want to go to school and he has a whole list of far-fetched reasons to stay home. Can his mom convince him otherwise? Perfect for first graders or anxious children returning from summer break. Fully illustrated in color.

I Don't Want to Go to School! Simon and Schuster

A harrowing, remarkable poetry memoir about one girl's struggle with anxiety disorder. This is a true story of growing up, breaking down, and coming to grips with a psychological disorder. When Samantha Schutz first left home for college, she was excited by the possibilities -- freedom from parents, freedom from a boyfriend who was reckless with her affections, freedom from the person she was supposed to be. At first, she revelled in the independence. . . but as pressures increased, she began to suffer anxiety attacks that would leave her mentally shaken and physically incapacitated. Thus began a hard road of discovery and coping, powerfully rendered in this poetry memoir.

The "I Don't Want to Cook" Book Funstory

The hit book about a willful young frog with a serious identity crisis and his heard-it-all-before father. Perfect for fans of Mo Willems ' s Don ' t Let the Pigeon Drive the Bus! and Jon Klassen ' s I Want My Hat Back! Frog wants to be anything but a slimy, wet frog. A cat, perhaps. Or a rabbit. An owl? But when a hungry wolf arrives—a wolf who HATES eating frogs—our hero decides that being himself isn ' t so bad after all. In this very silly story with a sly message, told in hilarious dialogue between a feisty young frog and his heard-it-all-before father, young readers will identify with little Frog ' s desire to be something different, while laughing along at his stubborn yet endearing schemes to prove himself right. And look for the hilarious sequels—I Don't Want to Be Big, There's Nothing to Do!, and I Don't Want to Go to Sleep. "First-time author Petty ' s dialogue between a frog father and his son makes its point about accepting one ' s nature with a big grin. . . . The story might create similar gratitude in the minds of readers—or it might just make them giggle."—Publishers Weekly, STARRED REVIEW "A lively look at self-acceptance."—Kirkus Reviews "This amusing story ends with a laugh and a much more content frog."—School Library Journal "Silliness and deadpan humor combine into a hopping good story of being happy with who you are."—Booklist "A paean to self-acceptance wrapped in snappy dialogue and illustrated with richly colored comic paintings."—Wall Street Journal "Petty and Boldt provide just enough predictability to hook youngest readers, then deliver a delightful twist or two to create surprise and satisfaction—for both the green hero and the many fans he'll make with this book."—Shelf Awareness "This lighthearted exploration of identity will delight as a readaloud."—The Bulletin of the Center for Children's Books

I Don't Want to Be a Pea! Pink Bloom Press

What could be good about a bad marriage? The good news is, you can get beyond that old marriage and its destructive habits, and build a brand-new one with the same spouse. And you can do it in just 90 days, even if only one spouse is committed to change. Thousands of couples in marriages that are on the brink will never enter a therapist's office, and for others it's too late by the time they do agree to come. But for more than 20 years, David Clarke has seen marriages turn around in just 12 weeks. Here he takes his 90-day plan and presents it using humor, Scripture, and personal stories to help couples turn difficult marriages into great ones. Whether the issue is communication, the kids, negative attitudes, or even serious sin, Clarke's personalized approach will put readers on the road to a great marriage.

How to Persuade People Who Don't Want to be Persuaded Penguin

The hit book about a willful young frog with a serious identity crisis and his heard-it-all-before father is now available in paperback.
