I think I might be

really do not want  
to ...

And I don't want to  
do what his father  
And his father, and

his father did I  
want to be here now

So open up your  
morning light And  
say a little prayer  
for I You know that  
if we are to stay  
alive Then see the  
love in every eye I  
don't want to to  
wait for our lives  
to be over I want  
to know right now

The very thing I

don't like is, the  
FL, whose role which  
should be a  
supporting character,  
actually described as  
refined beauty and  
dignified, more than  
the actual heroine of  
the novel, a.k.a FL's  
cousin. And this  
description was  
written in almost  
every chapter more  
than once. It feels  
like the author  
worshipped FL beauty
