Malcolm Gladwell, host of the podcast Revisionist History and author of the #1 New York Times bestseller *Outliers*, offers a powerful examination of our interactions with strangers and why they often go wrong—now with a new afterword by the author. A Best Book of the Year: The Financial Times, Bloomberg, Chicago Tribune, and Detroit Free Press How did Fidel Castro fool the CIA for a generation? Why did Neville Chamberlain think he could trust Adolf Hitler? Why are campus sexual assaults on the rise? Do television sitcoms teach us something about the way we relate to one another that isn't true? Talking to Strangers is a classically Gladwellian intellectual adventure, a challenging and controversial excursion through history, psychology, and scandals taken straight from the news. He revisits the deceptions of Bernie Madoff, the trial of Amanda Knox, the suicide of Sylvia Plath, the Jerry Sandusky pedophilia scandal at Penn State University, and the death of Sandra Bland—throwing our understanding of these and other stories into doubt. Something is very wrong, Gladwell argues, with the tools and strategies we use to make sense of people we don't know. And because we don't know how to talk to strangers, we are inviting conflict and misunderstanding in ways that have a profound effect on our lives and our world. In his first book since his #1 bestseller *David and Goliath*, Malcolm Gladwell has written a gripping guidebook for troubled times.

**Leaders!** Do you have days when you feel like you're communicating with toddlers rather than adults in the workplace? Are you tired of dealing with sulking, tantrums, personality clashes and poor performance? If you are not getting the results you need as a high-performance leader, this book is for you. In it, you will learn a new approach to communication that will radically improve your leadership effectiveness. Communication is the KING of the so-called "soft" skills that are essential in the modern workplace. Yet most of us have had little or no training in how to communicate effectively, particularly under pressure. We haven't been taught the FOUNDATIONS of GREAT communication. In *Soft is the New Hard: How to Communicate Effectively Under Pressure*, communications and soft-skills specialist, Leah Mether, gives you the complete solution: a step-by-step process that underpins communication and lays the foundations for success. Mether's proven strategies will help you: · defuse conflict · manage yourself under pressure · inspire individuals and teams to action · influence decisions and outcomes · lead your team through change, restructure or transition · deliver difficult messages · communicate clearly in an emergency or crisis No one is a perfect communicator, everyone can improve. And with this book, Mether shows you how.

**I Don't Want to Talk about it** Farrar, Straus and Giroux (BYR)

In his second collection, including the iconic and much-referenced title story featured in the Academy Award-winning film *Birdman*, Carver establishes his reputation as one of the most celebrated short-story writers in American literature—a haunting meditation on love, loss, and companionship, and finding one's way through the dark.

**I Want to Die but I Want to Eat Tteokbokki** HarperCollins

Achieve your maximum potential with this updated version of a classic—a must-read for the 21st century.

**Ask a Manager** Simon and Schuster

"What happened to the passion we started with? Why aren't we as close as we used to be?" **PROBLEM:** If you are a woman who is unfulfilled in your marriage...if you feel unheard or overburdened...if you quietly live in a state of slow-burn resentment... **PROBLEM:** If you are a man unhappy that your partner seems so unhappy with you...if you feel bewildered, unappreciated, or betrayed... This book offers a solution. Bestselling author and nationally renowned therapist Terrence Real unearths the causes of communication blocks between men and women in this groundbreaking work. Relationships

are in trouble; the demand for intimacy today must be met with new skills, and Real -- drawing on his pioneering work on male depression -- gives both men and women those skills, empowering women and connecting men, radically reversing the attitudes and emotional stumbling blocks of the patriarchal culture in which we were raised. Filled with powerful stories of the couples Real treats, no other relationship book is as straight talking or compelling in its innovative approach to healing wounds and reconnecting partners with a new strength and understanding.

THE PHENOMENAL KOREAN BESTSELLER TRANSLATED BY INTERNATIONAL BOOKER SHORTLISTEE ANTON HUR 'Will strike a chord with anyone who feels that their public life is at odds with how they really feel inside.' Red **PSYCHIATRIST**: So how can I help you? ME: I don't know, I'm -- what's the word -- depressed? Do I have to go into detail? Baek Sehee is a successful young social media director at a publishing house when she begins seeing a psychiatrist about her -- what to call it? -- depression? She feels persistently low, anxious, endlessly self-doubting, but also highly judgemental of others. She hides her feelings well at work and with friends; adept at performing the calmness, even ease, her lifestyle demands. The effort is exhausting, overwhelming, and keeps her from forming deep relationships. This can't be normal. But if she's so hopeless, why can she always summon a desire for her favourite street food, the hot, spicy rice cake, tteokbokki? Is this just what life is like? Recording her dialogues with her psychiatrist over a 12-week period, Baek begins to disentangle the feedback loops, knee-jerk reactions and harmful behaviours that keep her locked in a cycle of self-abuse. Part memoir, part self-help book, *I Want to Die but I Want to Eat Tteokbokki* is a book to keep close and to reach for in times of darkness.

[The Five Love Languages](#) I Don't Want to Talk About It

A revolutionary and hopeful look at depression as a silent epidemic in men that manifests as workaholism, alcoholism, rage, difficulty with intimacy, and abusive behavior by the cofounder of Harvard's Gender Research Project. Twenty years of experience treating men and their families has convinced psychotherapist Terrence Real that depression is a silent epidemic in men—that men hide their condition from family, friends, and themselves to avoid the stigma of depression's "un-manliness." Problems that we think of as typically male—difficulty with intimacy, workaholism, alcoholism, abusive behavior, and rage—are really attempts to escape depression. And these escape attempts only hurt the people men love and pass their condition on to their children. This groundbreaking book is the "pathway out of darkness" that these men and their families seek. Real reveals how men can unearth their pain, heal themselves, restore relationships, and break the legacy of abuse. He mixes penetrating analysis with compelling tales of his patients and even his own experiences with depression as the son of a violent, depressed father and the father of two young sons.

**Make a Difference: Talk to Your Child about Alcohol** Vintage

When outgoing Lily meets a little girl who is too afraid to talk in school or other places outside of her home, she befriends the silent girl, their friendship grows, and the silent girl feels comfortable enough to talk to her new friend. This beautifully illustrated story book is for children with selective mutism to see that they can make a friend like Lily. It is also a helpful tool for parents, friends and teachers of children with selective mutism to understand why these children are unable to talk in certain settings, and to explore some strategies that may help reduce their anxiety around speaking. Jo studied for a Masters Degree in Speech and Language Sciences and qualified as a Speech and Language Therapist at University College London in 2006. Since then she has worked with children in a range of home, clinic and educational settings and currently combines NHS and independent work.

[The Giving Tree](#) Thomas Nelson

'The most important book about the second half of your life you'll ever read. I wish everyone in the UK could be under Dr Lucy's care, but this is the next best thing' SANDI TOKSVIG 'This warm and compassionate book gets to the heart of older age. Using stories and accessible explanations, it covers issues of declining health, quality of life and choices about the things that matter most' THE BRITISH GERIATRICS SOCIETY \_\_\_\_ Now more than ever, we need to talk about getting older. Many of us are living to a very great age. But how do we give those we love, and eventually ourselves, long lives that are as happy and healthy as possible? Dr Lucy's book gives us answers to the questions we can voice - and those that we can't. A long life should be embraced and celebrated, but it's not all easy. Yet even the most challenging situation can be helped by the right conversation. How do we start? How do we ask whether it's worth taking seven different medicines? Is it normal to find you're falling out of love with someone, as they disappear into dementia? Should Dad be driving, and if not, who can stop him? What are the secrets of the best care homes? When does fierce independence become bad behaviour? How do you navigate near-impossible discussions around resuscitation and intensity of treatments? And who decides what happens when we become ill? Serious, funny, kind and knowledgeable, this readable book helps guide us through essential conversations about getting older that go straight to the heart of what matters most.

**So You Want to Talk About Race** Beacon Press

From the creator of the popular website *Ask a Manager* and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say.

Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You ’ ll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “ reply all ” • you ’ re being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate ’ s loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “ A must-read for anyone who works . . . [Alison Green ’ s] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work. ” —Booklist (starred review) “ The author ’ s friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers ’ lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience. ” —Library Journal (starred review) “ I am a huge fan of Alison Green ’ s Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor. ” —Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “ Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way. ” —Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Maybe You Should Talk to Someone Bloomsbury Publishing

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

Little, Brown

I Don't Want to Talk About It Simon & Schuster

From bestselling writer David Graeber— “ a master of opening up thought and stimulating debate ” (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled “ On the Phenomenon of Bullshit Jobs. ” It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society ’ s most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging from Keynes to Lincoln. “ Clever and charismatic ” (The New Yorker), Bullshit Jobs gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and “ a thought-provoking examination of our working lives ” (Financial Times).

[Fahrenheit 451](#) Harper Collins

“ WE NEED TO TALK. ” In this urgent and insightful book, public radio journalist Celeste Headlee shows us how to bridge what divides us--by having real conversations BASED ON THE TED TALK WITH OVER 10 MILLION VIEWS NPR's Best Books of 2017 Winner of the 2017 Silver Nautilus Award in Relationships & Communication “ We Need to Talk is an important read for a conversationally-challenged, disconnected age. Headlee is a talented, honest storyteller, and her advice has helped me become a better spouse, friend, and mother. ” (Jessica Lahey, author of New York Times bestseller The Gift of Failure) Today most of us communicate from behind electronic screens, and studies show that Americans feel less connected and more divided than ever before. The blame for some of this disconnect can be attributed to our political landscape, but the erosion of our conversational skills as a society lies with us as individuals. And the only way forward, says Headlee, is to start talking to each other. In We Need to Talk, she outlines the strategies that have made her a better conversationalist—and offers simple tools that can improve anyone ’ s communication. For example: BE THERE OR GO ELSEWHERE. Human beings are incapable of multitasking, and this is especially true of tasks that involve language. Think you can type up a few emails while on a business call, or hold a conversation with your child while texting your spouse? Think again. CHECK YOUR BIAS. The belief that your intelligence protects you from erroneous assumptions can end up making you more vulnerable to them. We all have blind spots that affect the way we view others. Check your bias before you judge someone else. HIDE YOUR PHONE. Don ’ t just put down your phone, put it away. New research suggests that the mere presence of a cell phone can negatively impact the quality of a conversation. Whether you ’ re struggling to communicate with your kid ’ s teacher at school, an employee at work, or the people you love the most—Headlee offers smart strategies that can help us all have conversations that matter.

Why I ’ m No Longer Talking to White People About Race Thomas Nelson

'Every voice raised against racism chips away at its power. We can't afford to stay silent. This book is an attempt to speak' The book that sparked a national conversation. Steve Harvey, the host of the nationally syndicated Steve Harvey Morning Show, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In Act Like a Lady, Think Like a Man, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: The Ninety Day Rule: Ford requires it of its employees. Should you require it of your man? The five questions every woman should ask a man to determine how serious he is. And much more . . . Sometimes funny, sometimes direct, but always truthful, Act Like a Lady, Think Like a Man is a book you must read if you want to understand how men think when it comes to relationships.
