A young Russian woman comes into her own in the midst of revolution and civil war in this "brilliant" novel set in "a world of furious beauty" (Los Angeles Review of Books). After the loves and betrayals of The Revolution of Marina M., young poet

Marina Makarova finds herself alone amid the devastation of the Russian Civil War -- pregnant and adrift, forced to rely on her own resourcefulness to find a place to wait out the birth of her child and eventually make her way back to her native city, Petrograd. After two years of revolution, the city that was once St. Petersburg is almost unrecognizable, the haunted, half-empty, starving Capital of Once Had Been, its streets teeming with homeless children. Moved by their plight, though hardly better off herself, she takes on the challenge of caring for these orphans, until they become the tool of tragedy from an unexpected direction. Shaped by her country's ordeals and her own trials -- betrayal and privation and inconceivable loss -- Marina evolves as a poet and a woman of sensibility and substance hardly imaginable at the beginning of her transformative odyssey. Chimes of a Lost Cathedral is the

culmination of one woman's s journey through some of the most dramatic events of the last century -- the epic story of an artist who discovers her full power, passion, and creativity just as her revolution reveals its true direction for the future.

Powerful, fascinating and deeply moving - this book pushes aside our lazy images of human migration and refugees. I loved it. RODDY DOYLE, author of Love THE BESTSELLING MEMOIR - SHORTLISTED FOR THE IRISH NATIONAL BOOK AWARDS BIOGRAPHY OF THE YEAR 'I carry my troubled homeland within me; I hide it like a crime.' Growing up in conservative Saudi Arabia, Suad Aldarra felt stifled by the strictures placed on women. She yearned for the vibrant Syrian streets of her family's origin. When the opportunity arose to study at Damascus University, she jumped at the chance to move to a city she loved and to experience a degree of freedom she'd never known. But when the war started, everything changed. Suddenly Suad was thrown into a world of relentless pressure desperately looking for a way out. Her degree in software engineering was the saving grace that allowed her to travel to Ireland on a working visa. Yet reaching safety came at a price ... I Don't Want to Talk About Home is not a memoir about war and destruction. It's not about camps or boats. It's about the enduring love for a home that ceased to exist, building a life out of the rubble, and the parts of yourself you lose and find when integrating into a new world. Illuminating, vivid, and insightful, this is such a timely book. LOUISE O'NEILL, author of Idol Full of heart, honesty and hard-learned wisdom... a captivating journey across continents, history and culture. I literally couldn't put this book down. JAN CARSON author of The Raptures So You Want to Talk About Race Penguin Journal for girls.

I Don't Want to Talk about it John F. Blair, Publisher George Orwell set out ' to make political writing into an art ' , and to a wide extent this aim shaped the future of English literature — his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell ' s essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In Why I Write, the first in the Orwell ' s Essays series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the ' four great motives for writing ' — ' sheer egoism ' , ' aesthetic enthusiasm ' , ' historical impulse ' and ' political purpose ' — and considers the importance of keeping these in balance. Why I Write is a unique opportunity to look into Orwell ' s mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer ' s oeuvre. 'A writer who can — and must — be rediscovered with every age.' — Irish Times

'This book fills a tremendous void...' wrote E. Fuller Torrey, M.D., about the first edition of *I AM NOT SICK, I Don't Need Help!* Ten years later, it still does. Dr. Amador's research on poor insight was inspired by his attempts to help his brother Henry, who developed schizophrenia, accept treatment. Like tens of millions of others diagnosed with schizophrenia and bipolar disorder, Henry did not believe he was ill. In this latest edition, 6 new chapters have been added, new research on anosognosia (lack of insight) is presented and new advice, relying on lessons learned from thousands of LEAP seminar participants, is given to help readers quickly and effectively use Dr. Amador's method for helping someone accept treatment. *I AM NOT SICK, I Don't Need Help!* is not just a reference for mental health practitioners or law enforcement professionals. It is a must-read guide for family members whose loved ones are battling mental illness. Read and learn as have hundreds of thousands of others...to LEAP-Listen, Empathize, Agree, and Partner-and help your patients and loved ones accept the treatment they need.

FINALIST In her first memoir, New Yorker cartoonist Roz Chast brings her signature wit to the topic of aging parents. Spanning the last several years of their lives and told through four-color cartoons, family photos, and documents, and a narrative as rife with laughs as it is with tears, Chast's memoir is both comfort and comic relief for anyone experiencing the life-altering loss of elderly parents. When it came to her elderly mother and father, Roz held to the practices of denial, avoidance, and distraction. But when Elizabeth Chast climbed a ladder to locate an old souvenir from the "crazy closet"--with predictable results--the tools that had served Roz well through her parents' seventies, eighties, and into their early nineties could no longer be deployed. While the particulars are Chast-ian in their idiosyncrasies--an anxious father who had relied heavily on his wife for stability as he slipped into dementia and a former assistant principal mother whose overbearing personality had sidelined Roz for decades--the themes are universal: adult children accepting a parental role; aging and unstable parents leaving a family home for an institution; dealing with uncomfortable physical intimacies; managing logistics; and hiring strangers to provide the most personal care. An amazing portrait of two lives at their end and an only child coping as best she can, *Can't We Talk about Something More Pleasant* will show the full range of Roz Chast's talent as cartoonist and storyteller.

****THE INSTANT #1 NEW YORK TIMES BESTSELLER**** "An unforgettable—and Hollywood-bound—new thriller... A mix of

Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly *The Silent Patient* is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

Do you feel awkward at networking events? Do you wonder what your date really thinks of you? Do you wish you could decode people? You need to learn the science of people. As a human behavior hacker, Vanessa Van Edwards created a research lab to study the hidden forces that drive us. And she's cracked the code. In *Captivate*, she shares shortcuts, systems, and secrets for taking charge of your interactions at work, at home, and in any social situation. These aren't the people skills you learned in school. This is the first comprehensive, science backed, real life manual on how to captivate anyone—and a completely new approach to building connections. Just like knowing the formulas to use in a chemistry lab, or the right programming language to build an app, *Captivate* provides simple ways to solve people problems. You'll learn, for example... · How to work a room: Every party, networking event, and social situation has a predictable map. Discover the sweet spot for making the most connections. · How to read faces: It's easier than you think to speed-read facial expressions and use them to predict people's emotions. · How to talk to anyone: Every conversation can be memorable—once you learn how certain words generate the pleasure hormone dopamine in listeners. When you understand the laws of human behavior, your influence, impact, and income will increase significantly. What's more, you will improve your interpersonal intelligence, make a killer first impression, and build rapport quickly and authentically in any situation—negotiations, interviews, parties, and pitches. You'll never interact the same way again.

Most dating books tell you what NOT to do. Here's a book dedicated to telling you what you CAN do. In his book, *Get the Guy*, Matthew Hussey—relationship expert, matchmaker, and star of the reality show *Ready for Love*—reveals the secrets of the male mind and the fundamentals of dating and mating for a proven, revolutionary approach to help women to find lasting love. Matthew Hussey has coached thousands of high-powered CEOs,

showing them how to develop confidence and build relationships that translate into professional success. Many of Matthew's male clients pressed him for advice on how to apply his winning strategies not to just get the job, but how to get the girl. As his reputation grew, Hussey was approached by more and more women, eager to hear what he had learned about the male perspective on love and romance. From landing a first date to establishing emotional intimacy, playful flirtation to red-hot bedroom tips, Matthew's insightfulness, irreverence, and warmth makes *Get the Guy: Learn Secrets of the Male Mind to Find the Man You Want and the Love You Deserve* a one-of-a-kind relationship guide and the handbook for every woman who wants to get the guy she's been waiting for.

The Sunset Strip Diaries Penguin

The Long-Awaited, Enormously Entertaining Memoir by One of the Great Artists of Our Time—Now a New York Times, USA Today, Los Angeles Times, and Publisher's Weekly Bestseller. In this candid and often hilarious memoir, the celebrated director, comedian, writer, and actor offers a comprehensive, personal look at his tumultuous life.

Beginning with his Brooklyn childhood and his stint as a writer for the Sid Caesar variety show in the early days of television, working alongside comedy greats, Allen tells of his difficult early days doing standup before he achieved recognition and success. With his unique storytelling pizzazz, he recounts his departure into moviemaking, with such slapstick comedies as *Take the Money and Run*, and revisits his entire, sixty-year-long, and enormously productive career as a writer and director, from his classics *Annie Hall*, *Manhattan*, and *Annie and Her Sisters* to his most recent films, including *Midnight in Paris*. Along the way, he discusses his marriages, his romances and famous friendships, his jazz playing, and his books and plays. We learn about his demons, his mistakes, his successes, and those he loved, worked with, and learned from in equal measure. This is a hugely entertaining, deeply honest, rich and brilliant self-portrait of a celebrated artist who is ranked among the greatest filmmakers of our time.

'I Had a Black Dog says with wit, insight, economy and complete understanding what other books take 300 pages to say. Brilliant and indispensable.' - Stephen Fry 'Finally, a book about depression that isn't a prescriptive self-help manual. Johnston's deftly expresses how lonely and isolating depression can be for sufferers. Poignant and humorous in equal measure.' Sunday Times There are many different breeds of Black Dog affecting millions of people from all walks of life. The Black Dog is an equal opportunity mongrel. It was Winston Churchill

who popularized the phrase Black Dog to describe the bouts of depression he experienced for much of his life. Matthew Johnstone, a sufferer himself, has written and illustrated this moving and uplifting insight into what it is like to have a Black Dog as a companion and how he learned to tame it and bring it to heel.

Apropos of Nothing Hachette UK

There comes a time in every girl's life, when she has to choose good or choose bad. Amy Asbury chose bad, hands down. Good meant wallflowers, secretaries and subservient wives. Bad meant power- and a possible escape from a life of secrets. At twelve years old she was trying to make sense of a drug-addicted father and his disturbing behavior. By fifteen she was dealing with horrendous depression,

blackouts and rape. At sixteen she was in a mental institution for suicidal tendencies and violent behavior. She knew she could never be normal. The only place for a girl like her was Hollywood. Read the true story of the social ascent (and eventual decline) of a girl in the Sunset Strip music scene of the early 1990's. From crazy parties to glittered junkies and man-eating strippers, Amy has chronicled what life was like back in the days of excess and debauchery. It is not just a fascinating look into an amusing time in pop culture, but also details the mindset of a young woman trying to find confidence and self-worth in a life full of pain and chaos. The party came screeching to a halt when the Grunge movement took over and heroin became more prominent. How far off track can a person go before it's too late?
