Driving is a privilege and not a right. Drivers must drive responsibly and safely, obey traffic laws, and never drink and drive. Finally, make sure that you and your passengers are properly buckled

up - it's the law! Today's vehicles are loaded with technology that was unheard of even a decade ago. Systems that warn when you are drifting from your lane, assist you in parallel parking, automatically brake in emergency situations and provide 360 degrees of vision around the vehicle via a camera are becoming standard, even on moderately priced

---

vehicles. As remarkable as these leaps in automotive technology are, the truth is that the most important safety feature in any vehicle remains you as the driver. Therefore, it is to your benefit to continue improving and expanding your knowledge of traffic laws and safe driving practices. Driving is a privilege. Once you have been issued a driver's license, you

have the responsibility to continually demonstrate the skill and knowledge to drive safely. Whether you have been behind the wheel for decades or are just starting to venture out, driving is a discipline that requires judgment, knowledge, physical and mental self-awareness, and practice. "What Every Driver Must Know" is an excellent resource

for assisting you on this lifelong journey. *2020 Drivers Manual for Missouri -Everything New Drivers Need to Know* Research & Education Assoc. One of Julio Cortázar's great early novels. "Anyone who doesn't read Cortázar is doomed."—Pablo Neruda In its characters, themes, and preoccupations, *Final Exam* prefigures

---

Cortázar's later fictions, including Blow-Up and his masterpiece, Hopscotch. Written in 1950 (just before the fall of Perón's government), it is Cortázar's allegorical, bitter, and melancholy farewell to an Argentina from which he was about to be permanently self-exiled. (Cortázar moved to Paris the following year.) The setting of Final Exam is a surreal Buenos Aires, dark and eerie, where a strange fog has enveloped the city to everyone's bewilderment. Juan and Clara, two students, meet up with their friends Andrés and Stella, as well as a journalist friend they call "the chronicler." Juan and Clara are getting ready to take their final exams, but instead of preparing, they wander the city with their friends, encounter strange happenings in the squares and ponder life in cafés. All the while, they are trailed by the mysterious Abel. With its daring typography, its shifts in rhythm as well as in the wildly veering directions of its characters' thoughts and speech, Final Exam breaks new ground in the territory of stream-of-consciousness

---

narrative techniques. It is considered one of Cortázar's best works.
