Driving is a privilege and not a right. Drivers must drive responsibly and safely, obey traffic laws, and never drink and drive. Finally, make sure that you and your passengers are properly buckled up - it's the law! Today's vehicles are loaded with technology that was unheard of even a decade ago. Systems that warn when you are drifting from your lane, assist you in parallel parking, automatically brake in emergency situations and provide 360 degrees of vision around the vehicle via a camera are becoming standard, even on moderately priced vehicles. As remarkable as these leaps in automotive technology are, the truth is that the most important safety feature in any vehicle remains you as the driver. Therefore, it is to your benefit to continue improving and expanding your knowledge of traffic laws and safe driving practices. Driving is a privilege. Once you have been issued a driver's license, you have the responsibility to continually demonstrate the skill and knowledge to drive safely.

Whether you have been behind the wheel for decades or are just starting to venture out, driving is a discipline that requires judgment, knowledge, physical and mental self-awareness, and practice. "What Every Driver Must Know" is an excellent resource for assisting you on this lifelong journey.

New York State Driver's License Practice Test Questions and Study Guide John Wiley & Sons
Passing the FRACP Written Examination is the ideal studyaid for candidates of the Fellow of the Royal Australasian College of Physicians (FRACP) examination. Written by a team of physicians based at Flinders Medical Centre, and covering the key components of the FRACP basic training syllabus, this guide presents over 500 multiple-choice questions on all major topics covered in the examination. It provides coverage of rapidly evolving topics such as healthcare in an ageing population, disparity in indigenous health outcomes, advances in molecular science and genetics, and the complexity of care arising from multiple chronic illnesses. Questions echo the written examination, including those on both 'Basic Sciences' and 'Clinical Practice'. Many of the questions are similar to those in the actual examination; others are designed to 'teach' particularly important issues or to draw attention to contemporary topics. Each question has an answer that fully explains the correct and incorrect responses. This study aid also includes: • Questions and answers linked to a reference that is usually the best and most contemporary review for further reading and as additional guide to study • QR code links to all the references • Hints and tips from previous candidates on examination strategies • A large number of the new style extended matching questions (EMQs). This brand new study aid gives all FRACP candidates a unique opportunity to practise for the examination and improve their medical knowledge of the syllabus as a whole.
