I figli della caduta Fanucci Editore

When a giant meteor crashes into the earth and destroys all life, the small group of human survivors manage to leave the barren planet and establish a new home on the moon. From Tycho Base, men and women are able to observe the devastated planet and wait for a time when return will become possible. Cloned children

have had children of their own, and their eyes are raised toward the giant planet in the sky which long ago was the cradle of humanity. Finally, after millennia of waiting, the descendants of the original refugees travel back to a planet they've never known, to try and rebuild a civilization of which they've never been a part. The fate of the earth lies in the success of their return, but after so much time, the question is not whether they can rebuild an old destroyed home, but whether they can learn to inhabit an alien new world--Earth. FROM THE BESTSELLING AUTHOR OF THE CARTEL. Frankie Machianno, a hard-working entrepreneur, passionate lover, part-time surf bum, and full-time dad, is a pillar of his waterfront community—and a retired hit man. Once better known as Frankie

Machine, he was a brutally efficient killer. Now someone from his past wants him dead, and after a botched attempt on his life, Frankie sets out to find his potential killers. However, the list of suspects is longer than the California coastline. With the mob on his heels and the cops on his tail, Frankie hatches a plan to protect his family, save his life, and escape the mob forever. Then things get really complicated.

"Migliaia di anni fa, il programma di terraformazione della Terra si è esteso verso le stelle, e su un mondo chiamato Nod gli scienziati hanno scoperto una forma di vita aliena. Tuttavia la loro missione prevedeva che la cancellassero, sovrascrivendo su di essa la memoria del loro mondo. Poi però il grande impero della Terra è caduto e le decisioni relative al programma si sono perse nelle pieghe del tempo. Eoni più tardi, gli esseri umani e i loro nuovi alleati – i ragni noti come Portiadi – intercettano frammentari segnali radio fra le stelle e inviano una nave esplorativa, la Voyager, nella speranza di trovare i loro cugini provenienti dalla Vecchia Terra. Non sanno però che gli antichi terraformatori hanno destato su Nod qualcosa che sarebbe stato meglio lasciar dormire indisturbato. Qualcosa che li sta aspettando."

L'esegesi di Philip K. Dick è l'ultimo lavoro di un autore che ha dedicato la vita a mettere in discussione la natura della realtà e la sua percezione, la malleabilità dello spazio e del tempo, il rapporto tra l'umano e il divino. Nel 1974, già noto ai lettori per opere come

La svastica sul sole, Ubik e Ma gli androidi sognano pecore elettriche?, Philip K. Dick inizia a vivere intense e laceranti esperienze trascendentali. Da quel momento lo scrittore produce più di ottomila pagine di appunti, scritte sia a macchina che a mano. Lo scopo è quello di documentare il suo tentativo di comprendere quello che lui chiama "2-3-74", un'esperienza visionaria dell'intero universo "trasformato in dati". Tra confessioni intime, sapere esoterico, resoconti onirici e fughe romanzesche, Dick descrive il suo cammino verso il centro di un mistero cosmico che mette alla prova la sua forza d'immaginazione e la sua creatività fino al limite estremo. "E il mondo ha cominciato a parlare, in un vero linguaggio dei segni: in silenzio." - Philip K. Dick "Una vasta e calamitosa sequenza di discussioni con l'universo: intensa, spaventosa, grottesca, folgorante. L'esegesi fa parte di quei libri che si è soliti associare a leggende e a uomini folli, ma Dick non era né una leggenda né un folle. Ha vissuto in mezzo a noi, ed è stato un genio." - Jonathan Lethem "Se volete sapere cosa si prova nel vedere il proprio mondo dissolversi, rivoluzionato da una nuova e visionaria percezione del reale, allora dovete leggere l'esegesi." - The Guardian

Hollis Henry, ex cantante rock diventata giornalista, ha accettato con molta riluttanza di lavorare nuovamente al soldo di Hubertus Bigend, magnate del marketing globale, per scoprire l'identità segreta del progettista di un marchio di abbigliamento che Bigend spera di arruolare per la fabbricazione delle uniformi dell'esercito statunitense. Il traduttore ed esperto di crittologia Milgrim, ossessionato dai dettagli, è totalmente nelle mani di Bigend, soprattutto da quando il magnate lo ha salvato dalla dipendenza pagandogli una costosa cura in una clinica svizzera. Garreth, invece, ha una passione per gli

sport estremi. Di recente è saltato dall'edificio più alto del mondo, aprendo il paracadute solo all'ultimo momento, e per dimostrarlo ha un femore tutto nuovo fatto con un materiale sperimentale. Garrett ha gli amici giusti per i favori di cui un uomo come Bigend potrebbe avere bisogno, in particolare quando le cose vanno improvvisamente storte. Cosa potrebbe succedere, ad esempio, se un contratto per le uniformi siglato dal dipartimento della Difesa diventasse il viatico per un traffico d'armi, e se anche Bigend si ritrovasse a essere manipolato e alla deriva in un mondo pericoloso e pieno di insidie? Un thriller raffinato e intelligente in grado di mantenere il lettore inchiodato alla pagina fin dal principio, in un'atmosfera che unisce futuro e modernità.

The definitive graphic novel adaptation of Dune, the groundbreaking science-fiction classic by Frank Herbert. Dune, Frank Herbert's epic science-fiction masterpiece set in the far future amidst a sprawling feudal interstellar society, tells the story of Paul Atreides as he and his family accept control of the desert planet Arrakis. A stunning blend of adventure and mysticism, environmentalism, and politics, Dune is a powerful, fantastical tale that takes an unprecedented look into our universe, and is transformed by the graphic novel format. In the first volume of a three-book trilogy encompassing the original novel, Brian Herbert and Kevin J. Anderson's adaptation retains the story's integrity, and Raúl Allén and Patricia Martínez's magnificent illustrations, along with cover art by Bill Sienkiewicz, bring the book to life for a new generation of readers.

An alien race struggles to survive on an uninhabitable planet in this "impeccably detailed and beautifully thought out" novel from a Hugo Award winner (Kirkus Reviews, starred review). On a planet

besieged with cosmic dust, where meteors of all sizes frequently hit, wiping out entire civilizations, a strange alien species struggles against extinction over the course of millennia. As their star grows hotter, melting ice caps and causing more earthquakes and volcanic eruptions, higher levels of radiation lead to higher rates of mutation. Plants that had been edible become poisonous or die off altogether. Watching their dire situation only get worse, the planet's scientists finally acknowledge that to survive long-term, the inhabitants will have to abandon their fraught home world and become a space-faring species. In a story that spans millennia, Hugo Award-winning author and British science fiction master John Brunner introduces us to an alien race that takes control of their own evolution and builds the technological society that will be their way into space. "One of the most important science fiction authors. Brunner held a mirror up to reflect our foibles because he wanted to save us from ourselves."

Trentatré racconti, pubblicati tra il 1947 e il 1953, di un Philip K. Dick che muove i primi passi nella letteratura fantascientifica: storie che possono essere raggruppate in tre categorie principali, quella basata sul grimmick, la trovata che risolve un complesso quadro di indizi volti a porre l'enigma di una civiltà aliena, quella dei racconti di fantasia, in cui l'immaginazione dickiana può uscire dagli schemi ed esprimersi al meglio, e quella fondata sul tema della guerra, una delle sue ossessioni, che risente ancora delle visioni apocalittiche con cui l'umanità ha visto schiudersi il secondo conflitto mondiale. I principali temi cari all'autore sono quasi tutti già presenti in questa antologia: il rapporto con Dio, la diversa percezione del reale e le sue differenti sfaccettature, il conflitto tra vita biologica e artificiale, l'angoscia dell'impossibilità di comunicare con gli altri e l'attenta osservazione della società e del mondo intero.

#1 internationally bestselling author John Connolly delivers a masterful combination of “ the hard-boiled with the supernatural ” (Publishers Weekly, starred review) with this return of dangerous and driven private investigator Charlie Parker as he battles an old evil that haunts a strange and isolated community. Jerome Burnel was once a hero. He intervened to prevent multiple killings, and in doing so damned himself. His life was torn apart, imprisoned and brutalized. But in his final days, with the hunters circling, he tells his story to private detective Charlie Parker. He speaks of the girl who was marked for death, but was saved; of the ones who tormented him, and an entity that hides in a ruined stockade. Parker is not like other men. He died, and was reborn. He is ready to wage war. Now he will descend upon a strange, isolated community called the Cut,

and face down a force of men who rule by terror, intimidation, and murder. All in the name of the being they serve. All in the name of the Dead King.

The Winter of Frankie Machine Fanucci Editore

"Looking for your next big YA fantasy series? We've got our eye on this stylish blockbuster." --Entertainment Weekly Project Runway meets Mulan in this sweeping fantasy about a young girl who poses as a boy to compete for the role of imperial tailor and embarks on an impossible journey to sew three magic dresses from the sun, the moon, and the stars. Maia Tamarin dreams of becoming the greatest tailor in the land, but as a girl, the best she can hope for is to marry well. When a royal messenger summons her ailing father, once a tailor of renown, to court, Maia poses as a boy and takes his place. She knows her life is forfeit if her secret is discovered, but she'll take that risk to achieve her dream and save her family from ruin. There's just one catch: Maia is one of twelve tailors vying for the job. Backstabbing and lies run rampant as the tailors compete in challenges to prove their artistry and skill. Maia's task is further complicated when she draws the attention of the court magician, Edan, whose piercing eyes seem to see straight through her disguise. And nothing can prepare her for the final challenge: to sew three magic gowns for the emperor's reluctant bride-to-be, from the laughter of the sun, the tears of the moon, and the blood of stars. With this impossible task before her, she embarks on a journey to the far reaches of the kingdom, seeking the sun, the moon, and the stars and finding more than she ever could have imagined. Steeped in Chinese culture, sizzling with forbidden romance, and shimmering with magic, this young adult fantasy is pitch-perfect for fans of Sarah J. Maas or Ren e Ahdieh. "Spin the Dawn is proof that casting a wider net not only gives us a fresh story that feels unlike everything else on the shelves beside it but also allows for richer and more nuanced storytelling." --NPR "All the cutthroat competition of a runway fashion reality show and the thrilling exploits of an epic quest . . . a stunning tapestry of adventure." --The Washington Post "What an amazing creation Every time I thought I knew where it was going, I was wrong. This is a white-knuckle read." --Tamora Pierce, #1 New York Times bestselling author of Tempests and Slaughter

Le porte dell'Eden Fanucci Editore

From "one of the most significant figures of the last generation of fantasy", comes Francesco Dimitri's debut novel in English, an enthralling and seductive fantasy following four old friends and the secrets they keep. Four old school friends have a pact: to meet up every year in the small town in Puglia they grew up in. Art, the charismatic leader of the group and creator of the pact, insists that the agreement must remain unshakable and enduring. But this year, he never shows up. A visit to his house increases the friends' worry; Art is farming marijuana. In Southern Italy doing that kind of thing can be very dangerous. They can't go to the Carabinieri so

must make enquiries of their own. This is how they come across the rumours about Art; bizarre and unbelievable rumours that he miraculously cured the local mafia boss's daughter of terminal leukaemia. And among the chaos of his house, they find a document written by Art, *The Book of Hidden Things*, that promises to reveal dark secrets and wonders beyond anything previously known. Francesco Dimitri's first novel written in English, following his career as one of the most significant fantasy writers in Italy, will entrance fans of Elena Ferrante, Neil Gaiman and Donna Tartt. Set in the beguiling and seductive landscape of Southern Italy, this story is about friendship and landscape, love and betrayal; above all it is about the nature of mystery itself.

[Ice Daddy](#) Fanucci Editore

Can bad boys become good daddies? Nashville nursing student Paige McMillan only wanted to get over a cheating ex. But a few sinful hours with a tall, muscular bad boy left the good girl with a lifetime of responsibility -- and no idea who her adorable daughter's father really is. Love him or hate him, hockey superstar Lance Couture makes no apologies for being the best -- or for living life to its fullest. He's hot, rich, and girls can't get enough of him. Why would a player like him ever settle down? When a pro hockey team comes to town, Paige spots a familiar face in the most unlikely place: on the ice. The father of her daughter is Lance Couture, star of the Boston Brawlers. But the pro athlete isn't interested in talking about lost time. He'd rather replay their steamy one-night affair -- and his lips and tongue are oh so seductive ... Can Paige resist the hockey hunk's advances and tell him the truth? Can Lance's career survive another off-ice controversy? Is there hope for a happy little hockey family? *Ice Daddy* is a 60,000 word secret baby hockey romance! This standalone novel is the second entry in the Boston Brawlers

series. No cheating, no cliffhanger, HEA always guaranteed!
