Germany, in the final years of the Third Reich. Hermann Karnau is a sound engineer obsessed with recording the human voice in all its variations—the rantings of leaders, the roar of crowds, the rasp of throats constricted in fear—and indifferent to everything else. Employed by the Nazis, his assignments take him to Party rallies, to the Eastern Front, and into the household of Joseph Goebbels. There he meets Helga, the eldest daughter: bright, good-natured, and just beginning to suspect the horror that surrounds her... Based on an acclaimed novel by Marcel Beyer, *Voices in the Dark* is the first fictional graphic novel by Ulli Lust, whose award-winning graphic memoir *Today Is the Last Day of the Rest of Your Life* appeared in English in 2013. It is the story of an unlikely friendship and of a childhood betrayed, a grim parable of naïveté and evil, and a vivid, unsettling masterpiece. This NYRC edition is a trade paperback and features full color throughout and new English hand-lettering.

Freddy and Simon the Dictator Turtleback Books

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. “Gaspingly funny and wonderfully inappropriate.” —O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives.
