Their love for music sparked a curse... Lark Espinoza could get lost in her music--and she's not so sure anyone in her family would even care to find her. Her trendy, party-loving twin sister and her mother--come--lately Beth, who's suddenly sworn off men and onto homemaking, don't understand her love of cassette tapes, her loathing of the pop scene, or her standoffish personality. For outcast Lark, nothing feels as much like a real home as working at Bubble's Oddities store and trying to attract the attention of the cute guy who works at the Vinyl shop next door--the same one she traded lyrical notes with in class. Auden Ellis silences the incessant questions in his own head with a steady stream of beats. Despite the unconditional love of his aunt--turned--mother, he can't quit thinking about the loss of his parents--or the possibility he might end up afflicted with his father's issues. Despite his connection with lyric-loving Lark, Auden keeps her at arm's length because letting her in might mean giving her a peek into something dangerous. When two strangers arrive in town, one carrying a mysterious, dark object and the other playing an eerie flute tune, Lark and Auden find that their painful pasts have enmeshed them in a cursed future. Now, they must come to terms with their budding attraction while helping each other challenge the reflection they see in the mirror. If they fail, they'll be trapped for eternity in a place beyond reality. \*Set in 1985 and full of nostalgia! Perfect for fans of Stranger Things and Pretty in Pink.

**ABOUT THE BOOK** The caged bird sings with a fearful trill of things unknown but longed for still and his tune is heard on the distant hill for the caged bird sings of freedom One of the best and most influential books written in English since 1923. A biblical study of life in the midst of death. A New York Times bestseller. A National Book Awards nominee. One of the essential books produced by our culture. One of the most banned books in America. All of these phrases have been used to describe I Know Why the Caged Bird Sings. The much-loved and oft-feared book is Maya Angelou ' s autobiography. Within the context of her life story, Angelou dares to examine racism, sexism, familial bonds, feminine strength, religion, sexual violence, and the things we do survive. The story begins when she is three years old and sent with her brother to live with their grandmother in rural Arkansas. It ends with the sense of empowerment Angelou felt upon giving birth to her son Guy when she was only 17 years old. Maya Angelou is now in her 80s and still revered for her wisdom, independence, and grace. She has managed to achieve great success as a writer, actress, dancer, director, musician, editor, activist, philanthropist, teacher, and mother. She is called doctor and has received countless honors. And yet Angelou never went to college. She was a single teenage mother. She grew up in rural, segregated Arkansas. She was mute for many years. She once lived in a junkyard for a month. When she was just eight years old, she was raped. EXCERPT FROM THE BOOK She didn ' t want her family to think she was a bad person, but she felt awful about lying. Mr. Freeman received a light sentence and was released that day. His body was found that evening. Maya blamed herself for Mr. Freeman ' s death and decided not to talk anymore for fear of hurting others. Not knowing what to do with Maya, the Baxter family sent her and Bailey back to Stamps. Bailey dealt with his devastation by making outlandish stories about St Louis, while Maya continued in her silence. Many of the townsfolk didn ' t understand and thought she was uppity or simple. Momma and Uncle Willy simply accepted it with understanding. Commentary From today ' s perspective, it seems almost criminal that the family never took Maya to a therapist. How could they ever expect a little girl to understand that what had happened to her and subsequently to Mr. Freeman was not her fault? How could they simply send her away when she stopped talking? And yet, in those days people didn ' t talk about such things. The adults didn ' t know how to deal with the rape, so how could they know how to deal with the little girl that was raped? They just didn ' t talk about it and hoped that the experience would fade with time. It obviously didn ' t. Chapters 15 & 16 Summary Mrs. Bertha Flowers is a wealthy, educated woman and the closest thing the black community in Stamps has to aristocracy. She and Momma have been friends for years. One day Mrs. Flowers comes into the store and asks Maya to carry her grocery bags home for her and visit for a little while. She tells Maya that speaking is very important in life and gives her a book to read aloud. Mrs. Flowers also challenges Maya to memorize some poems and recite them on her next visit. Once Maya gets her voice back, she begins working for Mrs. Viola Cullinan... Buy the book to
