Each chapter is individually summarized and analyzed, and has study questions and answers.

Mrs. Flowers Trond Knutsen

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. **I Know Why the Caged Bird Sings** captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local "powhitetrash." At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors ("I met and fell in love with William Shakespeare") will allow her to be free

instead of imprisoned. Poetic and powerful, **I Know Why the Caged Bird Sings** will touch hearts and change minds for as long as people read. "I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity." —James Baldwin From the Paperback edition. On the Pulse of Morning Greenwood

An anthology of poems includes selections written by such writers as Mary Higgins Clark, Amy Tan, and Faye Kellerman

The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also feature glossaries and visual elements that complement the classic, familiar format. Piqued by a dare, Angelou wrote this first book as an exercise in autobiography as art—and succeeded. Her novel is a story of the difficulties of black women and the eventual victory of spirit that comes from being a soulful fighter. CliffsNotes on **I Know Why the Caged Bird Sings** helps you explore this tale of rebirth, self-worth, and dignity. This concise supplement helps you understand the overall structure of the novel, actions and motivations of the characters, and the social and cultural perspectives of the author. Features that help you study include A close look at the author's life which offers insight into her writing A list of characters and their descriptions Summaries and commentaries, chapter by chapter Critical assessments of the novel and the television movie adaptation Glossaries to help you fully understand the novel Critical essays on women in the novel and Southern Fundamentalism A review section that tests your knowledge, and suggested essay topics Classic literature or modern-day treasure—you'll understand it all with expert information and insight from CliffsNotes study guides.

Maya Angelou has fascinated, moved, and inspired countless readers with the first three volumes of her autobiography, one of the most remarkable personal narratives of our age. Now, in her fourth volume, **The Heart of a Woman**, her turbulent life breaks wide open with joy as the singer-dancer enters the razzle-dazzle of fabulous New York City. There, at the Harlem Writers Guild, her love for writing blazes anew. Her compassion and commitment lead her to respond to the fiery times by becoming the northern coordinator of Martin Luther King's history-making quest. A tempestuous, earthy woman, she promises her heart to one man only to have it stolen, virtually on her wedding day, by a passionate African freedom fighter. Filled with unforgettable vignettes of famous characters, from Billie Holiday to Malcolm X, **The Heart of a Woman** sings with Maya Angelou's eloquent prose -- her fondest dreams, deepest disappointments, and her dramatically tender relationship with her rebellious teenage son. Vulnerable, humorous, tough, Maya speaks with an intimate awareness of the heart within all of us.

'One of a kind. Utterly fantastic.' Eoin Colfer on Tin David and Penny's strange new home is surrounded by forest. It's the childhood home of their mother, who's recently died. But other creatures live here ... magical creatures, like tiny, hairy Pog. He's one of the First Folk, protecting the boundary between the worlds. As the children explore, they discover monsters slipping through from the place on the other side of the cellar door. Meanwhile, David is drawn into the woods by something darker, which insists there's a way he can bring his mother back ...

**ABOUT THE BOOK** The caged bird sings with a fearful trill of things unknown but longed for still and his tune is heard on the distant hill for the caged bird sings of freedom One of the best and most influential books written in English since 1923. A biblical study of life in the midst of death. A New York Times bestseller. A National Book Awards nominee. One of the essential books produced by our culture. One of the most banned books in America. All of these phrases have been used to describe *I Know Why the Caged Bird Sings*. The much-loved and oft-feared book is Maya Angelou's autobiography. Within the context of her life story, Angelou dares to examine racism, sexism, familial bonds, feminine strength, religion, sexual violence, and the things we do survive. The story begins when she is three years old and sent with her brother to live with their grandmother in rural Arkansas. It ends with the sense of empowerment Angelou felt upon giving birth to her son Guy when she was only 17 years old. Maya Angelou is now in her 80s and still revered for her wisdom, independence, and grace. She has managed to achieve great success as a writer, actress, dancer,

director, musician, editor, activist, philanthropist, teacher, and mother. She is called doctor and has received countless honors. And yet Angelou never went to college. She was a single teenage mother. She grew up in rural, segregated Arkansas. She was mute for many years. She once lived in a junkyard for a month. When she was just eight years old, she was raped. EXCERPT FROM THE BOOK She didn't want her family to think she was a bad person, but she felt awful about lying. Mr. Freeman received a light sentence and was released that day. His body was found that evening. Maya blamed herself for Mr. Freeman's death and decided not to talk anymore for fear of hurting others. Not knowing what to do with Maya, the Baxter family sent her and Bailey back to Stamps. Bailey dealt with his devastation by making outlandish stories about St Louis, while Maya continued in her silence. Many of the townsfolk didn't understand and thought she was uppity or simple. Momma and Uncle Willy simply accepted it with understanding. Commentary From today's perspective, it seems almost criminal that the family never took Maya to a therapist. How could they ever expect a little girl to understand that what had happened to her and subsequently to Mr. Freeman was not her fault? How could they simply send her away when she stopped talking? And yet, in those days people didn't talk about such things. The adults didn't know how to deal with the rape, so how could they know how to deal with the little girl that was raped? They just didn't talk about it and hoped that the experience would fade with time. It obviously didn't. Chapters 15 & 16 Summary Mrs. Bertha Flowers is a wealthy, educated woman and the closest thing the black community in Stamps has to aristocracy. She and Momma have been friends for years. One day Mrs. Flowers comes into the store and asks Maya to carry her grocery bags home for her and visit for a little while. She tells Maya that speaking is very important in life and gives her a book to read aloud. Mrs. Flowers also challenges Maya to memorize some poems and recite them on her next visit. Once Maya gets her voice back, she begins working for Mrs. Viola Cullinan... Buy the book to continue reading! Follow @hyperink on Twitter! Study Guides

Entertaining and informative, *Pets in America* is a portrait of Americans' relationships with the cats, dogs, birds, fishes, rodents, and other animals we call our own. More than 60 percent of U.S. households have pets, and America grows more pet-friendly every day. But as Katherine C. Grier demonstrates, the ways we talk about and treat our pets--as companions, as children, and as objects of beauty, status, or pleasure--have their origins long ago. Grier begins with a natural history of animals as pets, then discusses the changing role of pets in family life, new standards of animal welfare, the problems presented by borderline cases such as livestock pets, and the marketing of both animals and pet products. She focuses particularly on the period between 1840 and 1940, when the emotional, behavioral, and commercial characteristics of contemporary pet keeping were established. The story is filled with the warmth and humor of anecdotes from period diaries, letters, catalogs, and newspapers. Filled with illustrations reflecting the whimsy, the devotion, and the commerce that have shaped centuries of American pet keeping, *Pets in America* ultimately shows how the history of pets has evolved alongside changing ideas about human nature, child development, and community life. This book accompanies a museum exhibit, "Pets in America," which opens at the McKissick Museum in Columbia, South Carolina, in December 2005 and will travel to five other cities from May 2006 through May 2008.
