Welcome to Oakwood Falls. A mountainside town, where the swoon is high and the men are dreamy. Get all five Wedded Curves stories in one boxset. Whoa! I Married a Mountain Man. Always the bridesmaid and never the bride. It's something I'd resigned myself to. Then at my best friend's wedding, I met Gavin 'Bear' Warren. He made my heart go boom. I remember laughing. I remember talking. I even remember going for a long walk together. What I don't

remember is saying 'I do'.  
Somehow, I'm the bride,  
married to a man-a  
mountain man-I just met.  
What do I do now? Whoa! I  
Married a Billionaire You  
never truly know a man until  
you share a bank  
account. That's something  
my granny used to say  
growing up. I never cared  
about money, only the man.  
But when I married Danny  
Cardiff, I finally understood  
what she meant. When I  
said, 'I do' I thought it was to  
a mild mannered ex-marine  
turned business analyst who  
spent more time working at  
home than in the office. But  
when we went on our  
honeymoon, I realized just  
how wrong I was. There  
was a private jet. We had an  
entire island to  
ourselves. Staff to cater to  
every whim. When I grew  
concerned over how we  
could afford this, he broke  
the news. He's a billionaire.

Whoa! But now I'm  
wondering what other  
secrets he's hiding. Whoa! I  
Married the Pitcher It only  
took one strike. The moment  
I saw Bryce Cardiff step up  
to the mound, I knew he  
was the man I wanted to  
marry. Problem was, he was  
off limits to me. As the  
owner's daughter, I wasn't  
allowed to mingle with the  
players. But then we ran  
into each other in the  
stairwell, and...we couldn't  
help ourselves. Now we're  
on the run. All we want is  
each other. All baseball  
wants is their prized pitcher  
and their little princess back  
under the owner's thumb. I  
don't know how we're going  
to stop them from pulling us  
apart, but Bryce says he  
has a plan. I hope it's a  
good one. Whoa! I Married a  
Rock Star He made me the  
girl in his song In the  
beginning, I was nothing  
more than an employee, a

gift to his wealthy friends, the nanny who'd take care of their baby. Then we got to know each other. I always imagined a rock star would be arrogant and crude, but Tristan Alto was none of those things. Away from the limelight, he was charming, intelligent, and oh so worldly. He swept me off my feet?, told me secrets I don't think anyone knew. I was his the moment he picked up his guitar and described me in song. Whoa! I Married a Biker With one look, my engine revved... Tattoos and leather jackets are a dime a dozen in the music industry. And as goddaughter to one of the world's biggest rock legends, I've seen my fair share of bad boys on motorcycles. Then Wyatt Tanner enters the room... He has the bike, the tattoos, and the leather jacket. But he isn't a musician pretending to be bad. He's a

real, bonafide bad-a-s-s. An ex-member of an outlaw biker gang, he's the only genuine person in a room full of pretenders. I'm instantly drawn to him... We click immediately. He makes me feel things I've never imagined existed outside of stories and songs. I can see myself spending my life with him. But then his old life catches up, and suddenly my happily ever after doesn't seem so happy after all. Can we beat the odds and find our happily ever after in Oakwood Falls? As always, this Megan Wade book comes with her 'Sugar Promise'. High heat, low drama, guaranteed. **His Secretary** Star Key Press Isabelle and Richard Hughes have been married for over half their lives, now in their fifties and with Richard making a lot of money running a real estate firm, Isabelle should want for nothing. that was how she felt until her husband told her how long he would be leaving this time. He had never left her for three weeks before and now she would have to figure out what to do with her time - perhaps a charity event would keep her busy. She didn't expect, however, all the men that she would be around as she prepared for it and just how helpful they wanted to be. Isabelle is familiar with the modern world, but not familiar enough to know that many younger men are attracted to older women and are not afraid to show that attraction. How will she handle all of them? How will she make sure to keep her new wants hidden from her husband - does she even want to? An adventure through her new found sexuality awaits in this story.
