Welcome to Oakwood Falls. A mountainside town, where the swoon is high and the men are dreamy. Get all five Wedded Curves stories in one boxset. Whoa! I Married a Mountain Man. Always the bridesmaid and never the bride. It's something I'd resigned myself to. Then at my best friend's wedding, I met Gavin 'Bear' Warren. He made my heart go boom. I remember laughing. I remember talking. I even remember going for a long walk together. What I don't remember is saying 'I do'. Somehow, I'm the bride, married to a man-a mountain man-I just met. What do I do now? Whoa! I Married a Billionaire. You never truly know a man until you share a bank account. That's something my granny used to say growing up. I never cared about money, only the man. But when I married Danny Cardiff, I finally understood what she meant. When I said, 'I do' I thought it was to a mild

mannered ex-marine turned business analyst who spent more time working at home than in the office. But when we went on our honeymoon, I realized just how wrong I was. There was a private jet. We had an entire island to ourselves. Staff to cater to every whim. When I grew concerned over how we could afford this, he broke the news. He's a billionaire. Whoa! But now I'm wondering what other secrets he's hiding. Whoa! I Married the Pitcher. It only took one strike. The moment I saw Bryce Cardiff step up to the mound, I knew he was the man I wanted to marry. Problem was, he was off limits to me. As the owner's daughter, I wasn't allowed to mingle with the players. But then we ran into each other in the stairwell, and...we couldn't help ourselves. Now we're on the run. All we want is each other. All baseball wants is their prized pitcher and their little princess back under the

owner's thumb. I don't know how we're going to stop them from pulling us apart, but Bryce says he has a plan. I hope it's a good one. Whoa! I Married a Rock Star. He made me the girl in his song. In the beginning, I was nothing more than an employee, a gift to his wealthy friends, the nanny who'd take care of their baby. Then we got to know each other. I always imagined a rock star would be arrogant and crude, but Tristan Alto was none of those things. Away from the limelight, he was charming, intelligent, and oh so worldly. He swept me off my feet?, told me secrets I don't think anyone knew. I was his the moment he picked up his guitar and described me in song. Whoa! I Married a Biker. With one look, my engine revved...Tattoos and leather jackets are a dime a dozen in the music industry. And as goddaughter to one of the world's biggest rock legends, I've seen my fair share of bad

boys on motorcycles. Then Wyatt Tanner enters the room... He has the bike, the tattoos, and the leather jacket. But he isn't a musician pretending to be bad. He's a real, bonafide bad-a-s-s. An ex-member of an outlaw biker gang, he's the only genuine person in a room full of pretenders. I'm instantly drawn to him... We click immediately. He makes me feel things I've never imagined existed outside of stories and songs. I can see myself spending my life with him. But then his old life catches up, and suddenly my happily ever after doesn't seem so happy after all. Can we beat the odds and find our happily ever after in Oakwood Falls? As always, this Megan Wade book comes with her 'Sugar Promise'. High heat, low drama, guaranteed.
