The Jilted Bride: A Neighbors-to-Lovers Romantic Comedy SR
A sheikh blackmails the working-class woman who broke his heart in this royal romance by a USA Today – bestselling author. Tilda was living to regret that once she ’ d had a short-lived romance with Rashad, the Crown Prince of Bakhar. Now, not only had he gained possession of her impoverished family ’ s home, Rashad was also blackmailing her for the huge debt they owed him—and insisting she pay the price . . . as his concubine! Tilda was appalled—but in no position to refuse. Soon she was the arrogant sheikh ’ s captive,

ready to be ravished in his faraway desert kingdom. But Rashad slipped up by publicly naming Tilda as his woman . . . and under the law of Bakhar this meant she and he were bound together forever . . . as husband and wife!

The Marriage Bargain Simon and Schuster
NEW YORK TIMES BESTSELLER • From the author of American Wife and Eligible . . . He proposed. She said no. And it changed her life forever. “ A deviously clever what if. ” —O: The Oprah Magazine “ Immersive, escapist. ” —Good Morning America “ Ingenious. ” —The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The New Yorker • NPR • The Washington Post • Marie Claire • Cosmopolitan (UK) • Town & Country • New York Post In 1971, Hillary Rodham is a young woman full of promise: Life magazine has covered her Wellesley commencement speech, she ’ s attending Yale Law School, and she ’ s on the forefront of student activism and the women ’ s rights movement. And then she meets Bill Clinton. A handsome, charismatic southerner and fellow law student, Bill is already planning his political career.

In each other, the two find a profound intellectual, emotional, and physical connection that neither has previously experienced. In the real world, Hillary followed Bill back to Arkansas, and he proposed several times; although she said no more than once, as we all know, she eventually accepted and became Hillary Clinton. But in Curtis Sittenfeld's powerfully imagined tour-de-force of fiction, Hillary takes a different road. Feeling doubt about the prospective marriage, she endures their devastating breakup and leaves Arkansas. Over the next four decades, she blazes her own trail—one that unfolds in public as well as in private, that involves crossing paths again (and again) with Bill Clinton, that raises questions about the tradeoffs all of us must make in building a life. Brilliantly weaving a riveting fictional tale into actual historical events, Curtis Sittenfeld delivers an uncannily astute and witty story for our times. In exploring the loneliness, moral ambivalence, and iron determination that characterize the quest for political power, as well as both the exhilaration and painful compromises demanded of female ambition in a world still run mostly by men, *Rodham* is a singular and unforgettable novel.

After The Billionaire's Wedding Vows... (Mills & Boon Modern)

Harlequin

"Smith spins out a sensuous, sinuous psychological thriller that compels attention to the final line."—Booklist Amelie and Janet are in love with the same man: Janet's husband. One knows it; the other doesn't. Or does she? As bestselling novelist Amelie Ferrar knows, an affair with a married person is like a work of fiction: a kind of spy story with its rules and customs, negotiations and compromises, and many private rituals. But like any spy story, there will inevitably be a betrayal: something will slip, someone else will find out, someone may even die. As Amelie falls deeper into her obsession with the man she loves—and his wife—the line between the fiction she writes and the reality she lives begins to blur...and the twisted ending to this story is one that not even she could have seen coming.

The Matchmaker Bride (The Bride Series Book 3) Romantic Comedy SR

What happened to Generation X? Millennials dominate our Facebook feeds and people bang on about the baby boomers - but what about us? The lost generation, the middle youth, the middle child of today. Are we still cool? Generation X?

Remember them? The kids who believed they'd never grow up. The generation Douglas Coupland immortalised in his novel of

the same name. The wry, knowing navel-gazers obsessed with cool and being cool who today are sandwiched between the boomers of the 60s and the millennials. Gen X'ers came of age against a backdrop of Britpop and the Spice Girls, Tarantino and Pulp Fiction, Madchester and the Stone Roses, acid house and rave, super clubs, Ministry and Cream. They holidayed in Ibiza high on hooch and E and never ever believed there'd be a comedown. So whatever happened to them? We turned 40. And as Tiffanie Darke points out in this witty exploration of the generation who defied generalisation, we're not handling it all that well... Where once we wore floaty skirts and Doc Martins, now we're sporting Scandi fashion and 'interesting' trainers. We still party in Ibiza but now bodyboard in Cornwall. Where once mixtapes were the ultimate mating call, now we take selfies and swap Spotify playlists - all the while conspicuously wearing large Dr Beats headphones and casually leaving old packets of Kingsize Rizla lying round our open plan kitchens. More to the point, Gen X are now in charge. In government, in business and the creative industries. The most anti-establishment of generations has now become the establishment. But as tech overtakes the arts as society's great shaping force, Tiffanie ponders - does cool and its pursuit still matter? If Gen X had it sorted, gave us Barack Obama and downward facing dogs, why is stress the new flu? Why are we working not for love anymore - or cool - but to avoid negative equity and depleting pension pots? In *Now We Are 40*, Tiffanie interviews some of the most iconic Gen X'ers such as Pearl Lowe, Richard Reed and Blur's bassist Alex James to look at how Gen X live their life in between being young and old, and how it feels to want to burn down the establishment only to realise that now you are the establishment.

The exciting bestselling author who thrilled readers with *The Marriage Bargain* and *The Marriage Trap*, Jennifer Probst rounds out her sizzling trilogy with more “nonstop sexual tension” (Laura Kaye). Carina Conte has had a crush on her brother Michael’s best friend, Max Gray, since she was a teenager. Now she’s earned her MBA and come to work at Michael’s new venture, America’s fastest-growing bakery empire. But some things never change: her family still treats her like a child. With three drop-dead gorgeous siblings, she’s still the ugly duckling of the bunch. And Max, the company’s new CEO, still barely notices her. Max knows Carina Conte is strictly off limits. But hot-blooded lust wins out at a conference when the two share a scorching one-night stand—and are busted by her mother! Now, forced by old-world Italian tradition into a marriage he’s not ready for, Max is miserable—and Carina is furious. Her new husband is about to realize that hell hath no fury like a woman transformed....

Now We Are 40 Melanie Marchande

Maddy Wainright has given up on marriage - and men. After dating way too many losers who aren't capable of appreciating her for who she is, she's about ready to resign herself to a life of spinsterhood. Until her insanely rich boss Daniel Thorne comes along with an offer she simply can't refuse. He proposes a marriage of convenience - one that would allow Maddy to live in the lap of luxury for a year, and Mr. Thorne to stay in the country that has become his home. At the end of their arrangement, Maddy will walk away with a cool two million dollars. All she has to do is move into his mansion, put on a convincing show in public, and endure a few INS interviews, for which she will be thoroughly prepped. It's a big risk, but one Maddy might just be willing to take, considering the payoff. At first, it's all business.

But when the gentle touches, passionate kisses, and lingering looks they have to give each other in public start spilling over into their private life, Daniel and his devious mind take Maddy to heights of pleasure she's never experienced. And the more she gets to know him, the more she feels that wistful tug in her chest every time he puts his arm around her in public. Before long, she finds herself wishing it were real. As time goes on, Maddy finds herself wondering if two million dollars will be enough to cover the cost of repairing a broken heart. But Mr. Thorne may have yet another secret in store...

Forgotten Marriage Entangled: Indulgence

Dante Liakos had yet another challenge to overcome in securing his business empire's future, but this one was much more personal in nature – the need for a wife and an heir. Without them, he could lose control of the empire he had worked so hard to rebuild and expand. However, as he had found so many times before, turning a challenge into a success was about recognizing the right opportunity and acting upon it decisively. In Jayden Hart, he saw such an opportunity, enclosed in the rare combination of innocence, beauty and brilliance - a combination he couldn't resist despite his attempts to remain aloof from the relationship! Normally poised and self-assured, Jayden's world had taken an alarming turn. What initially had seemed like a nuisance was quickly becoming a significant threat to her

business, her family, and her whole way of life! And she had no idea how to avoid catastrophe. Dante's suggested solution presented a potential lifeline, but with what strings attached? Would the solution be worse than the crisis that had required it? And how was she to avoid falling in love with her secret husband?

"THE BOOK CHINA DOESN'T WANT YOU TO READ."--CNN?
A riveting insider's story of how the Party and big money work in China today, by a man who, with his wife, Whitney Duan, rose to the zenith of power and wealth--and then fell out of favor. She was disappeared four years ago. News of this book led to a phone call from Whitney, proof that she's alive. As Desmond Shum was growing up impoverished in China, he vowed his life would be different. Through hard work and sheer tenacity he earned an American college degree and returned to his native country to establish himself in business. There, he met his future wife, the highly intelligent and equally ambitious Whitney Duan who was determined to make her mark within China's male-dominated society. Whitney and Desmond formed an effective team and, aided by relationships they formed with top members of China's Communist Party, the so-called red aristocracy, he vaulted into China's billionaire class. Soon they were developing the massive air cargo facility at Beijing International Airport, and

they followed that feat with the creation of one of Beijing's premier hotels. They were dazzlingly successful, traveling in private jets, funding multi-million-dollar buildings and endowments, and purchasing expensive homes, vehicles, and art. But in 2017, their fates diverged irrevocably when Desmond, while residing overseas with his son, learned that his now ex-wife Whitney had vanished along with three coworkers. This is both Desmond's story and Whitney's, because she has not been able to tell it herself.
