Unfortunately, most of us are set up right from the beginning to follow a path that will never lead us to wealth or freedom. Instead we are expected and trained to follow a path that leads us into the time/dollar trap. We end up sacrificing our most precious resource, our time, for money. It leaves us stuck and in a perpetual loop as we struggle to keep up with debt and inflation. Instead, we need to think differently about how we approach education, work, careers, and money. We need to create a lifestyle that will lead us to wealth and a life of personal freedom. IT'S TIME offers a method to find that freedom. A clear explanation of the things that are necessary and important, as well as the things to avoid, as you create your own pathway to personal wealth and freedom. The key is to learn these lessons and apply them early. The pathway to wealth and freedom is long and takes time. If you are in the early stages of your life, now is the time to follow these lessons and start your journey.
