This book contains expanded versions of research papers presented at the international sessions of Annual Conference of the Japanese Society for Artificial Intelligence (JSAI), which was held online in June 2020. The JSAI annual conferences are considered key events for our organization, and the international sessions held at these conferences play a key role for the society in its efforts to share Japan's research on artificial intelligence with other countries. In recent years, AI research has proved of great interest to business people. The event draws both more and more presenters and attendees every year, including people of diverse backgrounds such as law and the social sciences, in addition to artificial intelligence. We are extremely pleased to publish this collection of papers as the research results of our international sessions.

Removing Generational Curses Wiley Global Education

A three-level series of grammar reference and practice books for teenage and young adult learners. Active Grammar Level 1 covers all the grammar taught at A1-A2 (CEF) level.

The book presents grammar points in meaningful context through engaging and informative texts, followed by clear explanations and useful tips that highlight common mistakes usually made by low-level learners. Example exercises provide plenty of challenging practice and encourage students to apply their own ideas creatively to grammar learning. A large number of contrastive revision exercises in the book and on the CD-ROM allow students to assess and monitor their progress at regular intervals. This version without answers and CD-ROM is suitable for classroom use and self-study. From Curses to Blessings Springer Science & Business Media
From Curses to Blessings takes readers through a thorough teaching on the various causes that allow curses to enter our lives, including generational patterns and personal sin. The authors give substantial scriptural support to their message, along with lists of demonic spirits associated with various sins and prayers for freedom. Since the material covers the full range from murder and prostituting oneself to the way one speaks about one ' s neighbor or thinks

about one ' s spouse, all believers will be able to find something to apply to their lives to gain greater freedom. The final chapters include faith-building material on how to release God ' s blessings into our lives.
