Heinemann

For many, cooking is simply the
mechanical act of reproducing

standard recipes. To Maryse Condé, however, cooking implies creativity and personal invention, on par with the complexity of writing a story. A cook, she explains, uses spices and flavors the same way an author chooses the music and meaning of words. In *Of Morsels and Marvels*, Condé takes us on a literary journey around places she has travelled to in India, Indonesia, and South Africa. She highlights the tastes and culinary traditions that are fascinating examples of a living museum. Such places, Condé explains, provide important insights into lesser-known aspects of contemporary life. One anecdote illustrates what becomes of the standard Antillean dishes of fish stew and goat curry by

two Antilleans who own a restaurant in Sydney, Australia. Cuisine changes not only according to the individual cook but also adapts to foreign skies under which it is created. The author also recounts personal memories of her lifelong relationship with cooking, such as when Adélie, her family's servant, wrongly blames little Maryse for mixing raisins with fish and using her imagination in the kitchen. Blending travel with gastronomy, this enchanting volume from the winner of the 2018 Alternative Nobel Prize will delight all who marvel at the wonders of the kitchen or seek to taste the world. Subjugation and Resistance of Black Women in the Novels of Toni Morrison and Maryse

Conde University of Virginia Press

Stories of magic, superstition, and witchcraft were strictly forbidden in the little town of Salem Village. But a group of young girls ignored those rules, spellbound by the tales told by a woman named Tituba. When questioned about their activities, the terrified girls set off a whirlwind of controversy as they accused townspeople after townspeople of being witches. Author Shirley Jackson examines in careful detail this horrifying true story of accusations, trials, and executions that shook a community to its foundations.

Books for Young Readers

The bestselling epic novel of family, treachery, rivalry, religious fervour and the turbulent fate of a royal African dynasty. It is 1797 and the African kingdom of Segou, born of blood and violence, is at the height of its power. Yet Dousika Traore, the king's most trusted advisor, feels nothing but dread. Change is coming. From the East, a new religion, Islam. From the West, the slave trade. These forces will tear his country, his village and the lives of his beloved sons apart, in Maryse Condé's glittering epic. 'Rich and colorful and glorious. It sprawls over continents and centuries to find its way into the reader's heart' -

Maya Angelou 'A stunning reaffirmation of Africa and its peoples... It's a starburst' - John A. Williams

The Intentional Witch of Salem

Open Road Media

First published in 1992, Wendy Walker's *The Secret Service* takes place in an alternative 19th century. A young king sits on the English throne and is about to take a bride. His Majesty's Secret Service has learned of a plot against the royal couple: three nobles from the Continent, all passionate connoisseurs of the arts, are ready to release their dastardly attack in an effort to topple the current dynasty. The agents of the Secret Service, apprised of the threat, have

formulated a technology that enables them to masquerade as objects-the objects most desired by the connoisseurs-in order to spy upon them undetected. Thus Polly, the protagonist, is sent abroad as a crystal goblet, while her two male colleagues perform their missions as a rose bush and a bronze statue of Thisbe. Once on the mainland, they discover, to their great peril, the full scope of the villains' designs.

| 18th century. Featuring primary documents as well as scholarly interpretations, <i>Witches of the Atlantic World</i> builds upon information regarding both Christian and non-Christian beliefs about possession and the demonic. Elaine G. Breslaw draws on Native American, African, South American, and African-American sources, as well as the European and New England heritage, to illuminate the ways in which witchcraft in early America was an attempt to understand | and control evil and misfortune in the New World. Organized into sections on folklore and magic, diabolical possession, Christian perspectives, and the question of gender, the volume includes selections by Cotton Mather, Matthew Hopkins, and Samuel Willard, among others; Salem trial testimonies; and commentary by a host of distinguished scholars. Together the materials demonstrate how the Protestant and Catholic traditions shaped American | concepts, and how multicultural aspects played a key role in the Salem experience. <i>Witches of the Atlantic World</i> sheds new light on one of the most perplexing aspects of American history and provides important background for the continued scholarly and popular interest in witches and witchcraft today. <i>The Belle Cr é ole</i> Simon and Schuster Now in paperback! "In Rihata, a small, sleepy backwater town in a fictitious African state, a couple and their family

struggle to come to terms with each other against a background of political manoeuvring and upheaval."--Back cover.

A Graphic Novel Hodder & Stoughton

An African family's saga, from the day its ancestors left for the New World, to the day their descendants return in search of roots. By a Guadeloupean writer, author of *Segu*.

Land of Many Colors U of Nebraska Press

A year of bones, of grave-dirt, relentless work. Of mummified corpses and chanting priests. A year of rape, suicide, sudden

death. Of friendship too. Of desire. Of love... A year unlike any other he has lived. Deep in the heart of Paris, its oldest cemetery is, by 1785, overflowing, tainting the very breath of those who live nearby. Into their midst comes Jean-Baptiste Baratte, a young, provincial engineer charged by the king with demolishing it. At first Baratte sees this as a chance to clear the burden of history, a fitting task for a modern man of reason. But before long, he begins to suspect that the destruction of the cemetery might be a prelude to his own.

A Novel Soho Press Inc

Possessing one of the most vital voices in international letters, Maryse Condé added to an

already acclaimed career the New Academy Prize in Literature in 2018. The twelfth novel by this celebrated author revolves around an enigmatic crime and the young man at its center. Dieudonné Sabrina, a gardener, aged twenty-two and black, is accused of murdering his employer--and lover--Lorraine, a wealthy white woman descended from plantation owners. His only refuge is a sailboat, La Belle Créole, a relic of times gone by. Condé follows Dieudonné's desperate wanderings through the city of Port-Mahault the night of his acquittal, the narrative unfolding through a series of multivoiced flashbacks set against a forbidding backdrop of social disintegration

and tumultuous labor strikes in turn-of-the-twenty-first-century Guadeloupe. Twenty-four hours later, Dieudonné's fate becomes suggestively intertwined with that of the French island itself, though the future of both remains uncertain in the end. Echoes of Faulkner and Lawrence, and even Shakespeare's Othello, resonate in this tale, yet the drama's uniquely modern dynamics set it apart from any model in its exploration of love and hate, politics and stereotype, and the attempt to find connections with others across barriers. Through her vividly and intimately drawn characters, Condé paints a rich portrait of a contemporary society grappling

with the heritage of slavery, racism, and colonization. The Secret Service Da Capo Press

After being captured by pirates, Concepción Benavidez, a young Spanish girl who has been impregnated by the pirate captain, is sold as a slave to a prominent Puritan and finds herself accused of witchcraft by the residents of Salem Village.

Ana Historic Bloomsbury Publishing USA

Among the young women of Salem, Massachusetts, who were accused of witchcraft in 1692 was a West Indian

slave who was released two years later and sold. This novel creates for her a fictional childhood in Barbados, where she was bought by the family who took her to Salem.

written literary analysis. Featured content includes commentary on major characters, 25 important quotes, essay topics, and key themes like History Versus Fiction and Discrimination and Violence Against Women.

Tituba House of Anansi

The story of the Salem Witch Trials told through the lives of six women Six Women of Salem is the first work to use the lives of a select number of representative women as a microcosm to illuminate the larger crisis of the Salem witch trials. By the end of the trials, beyond the twenty who were executed and the five who perished in prison, 207 individuals had been accused, 74 had been "afflicted," 32 had

officially accused their fellow neighbors, and 255 ordinary people had been inexorably drawn into that ruinous and murderous vortex, and this doesn't include the religious, judicial, and governmental leaders. All this adds up to what the Rev. Cotton Mather called "a desolation of names." The individuals involved are too often reduced to stock characters and stereotypes when accuracy is sacrificed to indignation. And although the flood of names and detail in the history of an extraordinary event like the Salem witch trials can swamp the individual lives involved, individuals still deserve to be remembered and, in remembering specific lives,

modern readers can benefit from such historical intimacy. By examining the lives of six specific women, Marilynne Roach shows readers what it was like to be present throughout this horrific time and how it was impossible to live through it unchanged.

Reclaiming the Invisible

Finalist in Fiction for the
OCM Bocas Prize for
Caribbean Literature

Jamaica, 1938. Gloria Campbell is sixteen years old when a single violent act alters the course of her life forever. Taking along her younger sister, she flees their

hometown to forge a new life in Kingston. But in a capital city awash with change, a black woman is still treated as a second-class citizen. From a room in a boarding house and a job at a supply store, Gloria finds her way to a house of ill repute on the edge of the city, intrigued by the glamorous, financially independent women within. It is an unlikely place to meet the love of your life, but here she encounters Pao, a Chinatown racketeer and a loyal customer who will become something more. It is

also an unlikely place to gain a passion for social justice, but it is one of the house's proprietors who instills in Gloria new ideas about the rights of women and all humankind, eventually propelling her to Cuba, where even greater change is underway, and where Gloria must choose between the life she has made for herself and the one that might be. Alive with the energy of a country at a crossroads, this is a story of love in many forms, and of Gloria's evolution-from a frightened girl on the run to a

woman fully possessed of her own power.

Angry Spirits One

World/Ballantine

Young readers “ will be carried along by the sheer excitement of the story ” of 17th-century slavery and witchcraft by the million-copy selling author (The New York Times). In 1688, Tituba and her husband, John, are sold to a Boston minister and sent to the strange world of Salem, Massachusetts. Rumors about witches are spreading like wildfire throughout the state, filling the heads of Salem ’ s

superstitious, God-fearing residents. When the reverend ’ s suggestible young daughter, Betsey, starts having fits, the townsfolk declare it to be the devil ’ s work. Suspicion falls on Tituba, who can read fortunes and spin flax into thread so fine it seems like magic. When suspicion turns to hatred, Tituba finds herself in grave danger. Will she be judged guilty of witchcraft and hanged? Loosely based on accounts of the period and trial transcripts, Ann Petry ’ s compelling historical novel draws readers into the hysteria of America ’ s deadly witch

hunts.
