Bringing this unique character to life and seeing the world through her eyes, with all its beauty and confusion, was an immense challenge that I hope is just as rewarding to read as it was to write." #1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE'S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama "guides us straight to the intersection of the most serious questions of identity, class, and race" (The Washington Post Book World). "Quite extraordinary."—Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother's family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father's life, and at last reconciles his divided inheritance. Praise for *Dreams from My Father* "Beautifully crafted . . . moving and candid . . . This book belongs on the shelf beside works like James McBride's *The Color of Water* and Gregory Howard Williams's *Life on the Color Line* as a tale of living astride America's racial categories."—Scott Turow "Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither."—The New York Times Book Review "Obama's writing is incisive yet forgiving. This is a book worth savoring."—Alex Kotlowitz, author of *There Are No Children Here* "One of the most powerful books of self-discovery I've ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel."—Charlayne Hunter-Gault, author of *In My Place* "Dreams from My Father is an exquisite, sensitive study of this wonderful young author's journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white."—Marian Wright Edelman

One of the truly enigmatic personalities on the contemporary Indian political canvas, Narendra Damodardas Modi is difficult to ignore. From his humble beginnings as a RSS pracharak to his rise in the Hindutva ranks, and from being Bharatiya Janata Party's master planner to one of the its most popular and controversial state chief ministers, Modi's mantra of change and development is gradually finding many takers. Though he evokes vastly different reactions among the citizens for his alleged role during the Godhra aftermath, what is absolutely clear is that he indeed is racing towards the centre stage, making the 2014 General Elections look more like a Presidential system – where, you either vote for him or against him. And that, as they say, is the Modi effect. Kingshuk Nag paints the most vivid portrait of the extraordinary politician who is poised to take on a new role in the coming years.

In this inspiring and provocative memoir about a young black man, Caylin Moore tells the against-all-odds story of his rise from racial injustice and cruel poverty in gang-ridden Los Angeles to academic success at the University of Oxford, with hope as his compass. A Dream

to Big is for readers who want to . . . enjoy a compelling, true, hard-to-believe inspirational story; thoughtfully embrace a long-overdue conversation about equality and justice in America; and be inspired and find hope from a firsthand account of redemption through even the most painful life experiences. When Caylin Louis Moore was a young child, his mother gathered her three young children and fled an abusive marriage, landing in poverty in a heavily policed, gang-ridden community. When Moore's mother suffered from health complications and a devastating experience in the hospital and his father was sentenced to life imprisonment, Moore was forced to enter adulthood prematurely. His hope was fueled by embracing his mother's steely faith in a brighter future. Moore skirted the gangs, the police, and the violence endemic to Compton to excel as a student and athlete, eventually reaching the pinnacles of academic achievement as a Rhodes Scholar. Moore's eye-opening, against-all-odds story reveals that there is no such thing as a dream too big.
