The Best Ways to Kill Yourself – Emotional Management

At death, the suicidal person merely "steps into" this hellish spiritual condition they created during life. All too often, people kill themselves without thinking how it will affect others. For example, my sister's father-in-law was bipolar and in a serious depression when he killed himself with a gun blast to his chest.

don't actively want to kill yourself but would welcome death if it happened. You might view death as a release or way of taking control don't know why you are having suicidal thoughts or suicidal feelings, and are completely powerless to know what to do about it. We can talk with you through all of this.

[4 Reasons Not To Kill Yourself \(Read This First\) - Jordan ...](#)

It appears that there's absolutely no safe and painless way to kill yourself. There's always some possibility that it goes all wrong and you die an awful death. Or, you survive and live with a kind of physical disability, becoming a burden for someone who will have to take care of you possibly for decades.

[I want to kill myself | Samaritans](#)

When you kill yourself, you don't kill your sadness, you just pass it on to other people for the rest of their lives. 2. A doctor will have to tell your loved ones that they couldn't save you. We take doctors for granted all the time, but one of them will have to tell your family that they couldn't save you.

[What It Means When You're Suicidal but Too Afraid to Die](#)

NO-HARM CONTRACT I, agree to not harm myself in any way, attempt to kill myself, or kill myself during the period from to, (the time of my next appointment). I agree that, for any reason, if the appointed session is postponed, canceled, etc., that this time period is extended until the next direct meeting with my counselor.

I Will Not Kill Myself

So please, take a minute to consider the four following reasons not to kill yourself. I have

written them with you in mind, and I want your heart to hear and receive them so badly. 1. There are people who love you dearly, and it would crush them for hundreds of years. If you add up the emotional pain that all of your friends, relatives, co-workers, admirers, and past lovers would feel if they ...
