He'll say, 'I wish I knew you I wish I met you when time was still on my side.' She'll say, 'I wish I knew you I wish I loved you

before I was his bride.' And so they must depart, Two many more broken hearts. But I've seen that all before, In T.V, books, and film and more. And there's a happy ending, Every single day. And they'll meet one day far away, And say, 'I wish I was something more.'
