Get the Knowledge Without the College! You are a writer. You dream of sharing your words with the world, and you're willing to put in the hard work to achieve success. You may have even considered earning your MFA, but for whatever reason--tuition costs, the time commitment, or other responsibilities--you've never been able to do it. Or maybe you've been looking for a self-guided approach so you don't have to go back to school. This book is for you. DIY MFA is the do-it-yourself alternative to a Master of Fine Arts in creative writing. By combining the three main components of a traditional MFA--writing, reading, and community--it teaches you how to craft compelling stories, engage your readers, and publish your work. Inside you'll learn how to:

- Set customized goals for writing and learning.
- Generate ideas on demand.
- Outline your book from beginning to end.
- Breathe life into your characters.
- Master point of view, voice, dialogue, and more.
- Read with a "writer's eye" to emulate the techniques of others.
- Network like a pro, get the most out of writing workshops, and submit your work successfully. Writing belongs to everyone--not only those who earn a degree. With DIY MFA, you can take charge of your writing, produce high-quality work, get published, and build a writing career.

[The Truth of You](#) Simon and Schuster

From Iain S. Thomas, the creator of I Wrote This For You, and artist Carla Kreuser comes a collection of 300 things they truly and sincerely hope for you: from wishing you always have a pen, to hoping you're never lonely, and everything in-between. This collection of inspiring prose and illustrations will move you, and remind you of what's important in life as you live it. Or, that's what they hope. My Son I Wrote This Book about You I Wrote This for You Gerald tells of the very unusual animals he would add to the zoo, if he were in charge.

[I Wrote This Book Because I Love You](#) Vintage

Their love for music sparked a curse... Lark Espinoza could get lost in her music--and she's not so sure anyone in her family would even care to find her. Her trendy, party-loving twin sister and her mother--comelately Beth, who's suddenly sworn off men and onto homemaking, don't understand her love of cassette tapes, her loathing of the pop scene, or her standoffish personality. For outcast Lark, nothing feels as much like a real home as working at Bubble's Oddities store and trying to attract the attention of the cute guy who works at the Vinyl shop next door--the same one she traded lyrical notes with in class. Auden Ellis silences the incessant questions in his own head with a steady stream of beats. Despite the unconditional love of his aunt-turned-mother, he can't quit thinking about the loss of his parents--or the possibility he might end up afflicted with his father's issues. Despite his connection with lyric-loving Lark, Auden keeps her at arm's length because letting her in might mean giving her a peek into something dangerous. When two strangers arrive in town, one carrying a mysterious, dark object and the other playing an eerie flute tune, Lark and Auden find that their painful pasts have enmeshed them in a cursed future. Now, they must come to terms with their budding attraction while helping each other challenge the reflection they see in the mirror. If they fail, they'll be trapped for eternity in a place beyond reality. *Set in 1985 and full of nostalgia! Perfect for fans of Stranger Things and Pretty in Pink. A Memoir Central Avenue Publishing

Ten years ago, I started writing this for you. I wrote it for you and only you. Since then, millions of other people have read it, but none have understood it the way you understand it. I set out to find you a long time ago and today, I'm so glad I finally have. Thank you for reading these words.

Mom, I Wrote a Book about You Cambridge University Press

"An extraordinary book that masterfully illuminates the dream-like writing world of Tennessee Williams; the actresses he worked with and those who inspired him to create his Amanda Wingfield, his Blanche DuBois, Stella Kowalski, Alma Winemiller, Lady Torrance, and the other now iconic characters of his plays that revolutionized the American theater of the mid-20th century"--

The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of How To Stop Time and The Comfort Book. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In The Midnight Library, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

I Wrote This for You: 2007-2017 Createspace Independent Publishing Platform

A New York Times political cartoonist and writer presents a collection of his most popular essays and drawings about life and government hypocrisy, exploring the darkly comic aspects of such topics as falling in love with unlikeable people, managing a friend with outspoken political views and reacting to a long acquaintance's sex-change operation. By the creator of The Pain--When Will It End?

This is the truth of you. Because you are all I see. Because you are all I breathe. Because when I cannot find you, I am lost. Because when I ' m with you, I am found. Because you have the fire of the universe in you, and sometimes you forget. So this book is here to remind you. Dear You, I want you to know that I see you. I want you to know that even if no one else does, even if you are a ghost in this bookshop, or just the static floating across the screen of your computer, wherever you ' re reading this, I see you. I see you in the dark and I see you in the grey. I see you as a story, as words I have spoken or may yet speak. Maybe only in a memory or a dream. I see your hands and your arms and your body and your legs and your face and I see what you have been and what you will be. I see you and in looking at you, I want you to know that whoever you ' ve had to be to survive all this, I will not look away. I want you to know that there ' s a space inside this book for you. So if you have the time and the inclination, you can sit here with me, just for a while. And perhaps between us, we can see everything that matters. -pleasefindthis

I wrote a book about you. (No, really. I did. You're holding it.)

[A Novel](#) Andrews McMeel Publishing

At some point in their life, most people think, "I should write a book." But most people never do it. In this little booklet for would-be nonfiction authors, Allen Taylor shares his insights into why writing a book is a necessity for business professionals, executives, and entrepreneurs. He outlines six clear benefits of having a book with your name on it, but he also emphasizes why not having writing skills is no reason to prevent yourself from receiving those benefits. In his first sentence, he explains why writing this easy-to-

read booklet was important--for him and for you: "I wrote this book to show how easy it is to write a book, and to illustrate that you can write one too."As a professional ghostwriter, Taylor has written books for others who are known as the authors of those books.

He's also edited books for authors. After delving into why to write a book, he discusses who can write a book and who makes the perfect non-fiction author, the benefits of authorship for people who are already recognized authorities in their fields, and how to get started writing your non-fiction book even if you don't have any writing skills or other book publishing knowledge. "Why I Wrote This Book" is simple and easy to read in one sitting. There's no better introduction to book authorship and its benefits, and nothing more motivational for the business professional longing to be an author.
