St. Catherine of Bologna,
much venerated in her own
city, has been little known
outside of her native region but
interest in her is now
increasing. The outline of her
life is clear and her own work,
The Seven Spiritual Weapons,
tells a good deal about her
inner experiences and early
years in the cloister. The
introduction to this translation
situates her life in the history of
Ferrara and Bologna and
studies how the external history
of the community impinged on
Catherine's own religious
experience and how it was

interwoven with her successful
struggle against depression.

Il movimento cattolico

PublicAffairs

Dear Reader, What you are
now holding is a most
interesting book. The world
beyond is speaking. It is
offering advice, asking for help
and giving answers. It exists
and speaks about life -- our life
here on earth and of possible
consequences of our
behaviour. It tells us that it is
not the same to be humble,
loving, good, merciful, loyal
and honest as it is to be proud,
loveless, bad, merciless,
betraying and dishonest.
At death this is not forgotten
but rather remembered in total

clarity. Not only is the
punishment, or better yet the
cleansing, spoken about; but
also the length of this
cleansing is so very much
more. Then you ask yourself, is
it possible? In the Catholic
church one speaks about a
transitory state which for a very
long time has been referred to
as Purgatory. Despite there
being different theories, this
state is always taken seriously.
One needs it because one can
only come before God
cleansed and pure.

MAFIA. CAMORRA.
'NDRANGHETA. The
Sicilian mafia, known as
Cosa Nostra, is far from
being Italy's only
dangerous criminal
fraternity. The country
hosts two other major
mafias: the camorra from
Naples; and, from the poor
and isolated region of
Calabria, the mysterious
'ndrangheta, which has now
risen to become the most
powerful mob group active
today. Since they emerged,

the mafias have all
corrupted Italy's
institutions, drastically
curtailed the life-chances of
its citizens, evaded justice,
and set up their own self-
interested meddling as an
alternative to the courts.
Yet each of these
brotherhoods has its own
methods, its own dark
rituals, its own style of
ferocity. Each is uniquely
adapted to corrupt and
exploit its own specific
environment, as it
collaborates with, learns
from, and goes to war with
the other mafias. Today, the
shadow of organized crime
hangs over a country

racked by debt, political
paralysis, and widespread
corruption. The 'ndrangheta
controls much of Europe's
wholesale cocaine trade
and, by some estimates, 3
percent of Italy's total GDP.
Blood Brotherhoods traces
the origins of this national
malaise back to Italy's roots
as a united country in the
nineteenth century, and
shows how political violence
incubated underworld sects
among the lemon groves of
Palermo, the fetid slums of
Naples, and the harsh
mountain villages of
Calabria. Blood
Brotherhoods is a book of
breathtaking ambition,

tracing for the first time the interlocking story of all three mafias from their origins to the present day. John Dickie is recognized in Italy as one of the foremost historians of organized crime. In these pages, he blends archival detective work, passionate narrative, and shrewd analysis to bring a unique criminal ecosystem—and the three terrifying criminal brotherhoods that have evolved within it—to life on the page.

La Civiltà cattolica

Mondadori Scuola

Romanzo idolatrato da fervide schiere di fans o

demolito e persino irriso da altrettanto convinti detrattori, i "Promessi sposi" sono comunque un testo inevitabile, che non può lasciare indifferenti. Questo libro di Angelo Marchese propone una rivisitazione del capolavoro manzoniano per più aspetti originale e stimolante. E' innanzitutto una rilettura del romanzo capitolo per capitolo, attenta ad esplorarne gli snodi strutturali, l'intreccio, il sistema dei personaggi, i modelli di riferimento della scrittura. Ed è anche, nell'ampia introduzione, la prima indagine organica del

racconto secondo una prospettiva dichiaratamente semiologica. Il rigore del metodo non va tuttavia a scapito della chiarezza dell'esposizione, che si astiene da ogni inutile e astruso tecnicismo. [...] (Fonte: 4. di cop.).

Opere predicabili per tutto l'anno, in cui i parrochi, i predicatori, i missionarj son provveduti di spiega de' Vangeli, di novene del S. Natale, ... e d'esercizj, ed istruzioni pel popolo, e religiose. Disposte in quattro tomi. Tomo 1. [-4.] ...

We appreciate your support of the preservation process, and thank you for the time of his youth, but also drawing from bygone incidents that were yet memorable in the area's folk history. Pescara may not have had the cachet of celebrated cities such as Venice or Florence, but sympathetically and wryly revealed here by the pen of one of Italy's great writers it lives and breathes with a vitality probably best compared to that of James Joyce's 'dear dirty Dublin'. Indeed D'Annunzio, may well have been inspired by the

keeping this knowledge alive and relevant. The Exile of the Word, from the Silence of the Bible to the Silence of Auschwitz Franklin Classics Trade Press The setting for his collection of eighteen stories by Gabriele D'Annunzio (1863-1938) was the Adriatic seaport of Pescara and its hinterland in the Italian region of Abruzzo, the author depicting events and personalities from

Italian's cameos of small-town life, his parade of saints, voluptuaries and reprobates, their repressions, obsessions, individual dissolutions, collective explosions of anarchy, and their aptness for bizarre behavior that extended from the catatonic to the manic. D'Annunzio came to recognize just how exotic his native region was after he had left it for Rome, where he worked for some years as a journalist and essay writer in the employ of various literary magazines. His Abruzzo articles, and especially those in which he records examples of extraordinary devotional behavior (akin to what Mark Twain was witnessing at that time on the banks of the Ganges), became the basis of the stories in this collection. D'Annunzio was a published poet at the age of sixteen, and his verse has never been absent from the Western Canon since. Something of his painterly style, the layered brushwork of his descriptions, the gorgeous romantic renderings of rural scenes and the moods of the sea, his celebrations of sensuality, his aesthete's fascination with all the possible bodily conditions, from the virginal-voluptuous to the decayed and moribund (he has been hailed as 'the body's poet'), will amaze and delight the reader even in the blandest and most dictionary-dependent translation. The present

one is no such, however. Vladislav Zhukov is an experienced translator who has rendered works from four languages into English, including a substantial book of poetry, three volumes of short stories, and a novel (all available on Amazon.com). His knowledge of Italian is that of someone who acquired the language while living in Italy during his youth.

The Decameron Effata

Elie Wiesel ' s classic look
at Job and seven other

Biblical characters as they grapple with their relationship with God and the question of his justice.

“ Wiesel has never allowed himself to be diverted from the role of witness for the martyred Jews and survivors of the Holocaust, and by extension for all those who through the centuries have asked Job's question: ‘ What is God doing and where is His justice? ’ Here in a masterful series of mythic portraits, drawing upon Bible tales and the Midrashim (a body of commentary), Wiesel explores ‘ the distant and

haunting figures that molded him ’ : Adam, Cain and Abel, Abraham and Isaac, Jacob, Joseph, and Job. With the dramatic invention of a Father Mapple and the exquisite care of a Talmudic scholar, Wiesel interprets the wellsprings of Jewish religious tradition as the many faces of man ’ s greatness facing the inexplicable. In an intimate relationship with God it is possible to complain, to demand. Adam and Eve in sinning “ cried out ” against the injustice of their entrapment; Cain assaulted God rather than his brother; and Abraham's agreement

to sacrifice his son placed the burden of guilt on Him who demanded it. As for Job, Wiesel concludes that he abdicated his defiance as did the confessing Communists of Stalin ' s time to ' underline the implausibility ' of his trial, and thus become the accuser. Wiesel ' s concern with the imponderables of fate seems to move from strength to strength " (Kirkus Reviews).

To Change the Church
Palombi Editori
A New York Times
columnist and one of
America ' s leading

conservative thinkers considers Pope Francis ' s efforts to change the church he governs in a book that is " must reading for every Christian who cares about the fate of the West and the future of global Christianity " (Rod Dreher, author of The Benedict Option). Born Jorge Mario Bergoglio in 1936, today Pope Francis is the 266th pope of the Roman Catholic Church. Pope Francis ' s

stewardship of the Church, while perceived as a revelation by many, has provoked division throughout the world. " If a conclave were to be held today, " one Roman source told The New Yorker, " Francis would be lucky to get ten votes. " In his " concise, rhetorically agile...adroit, perceptive, gripping account (The New York Times Book Review), Ross Douthat explains why the particular

debate Francis has opened—over communion for the divorced and the remarried—is so dangerous: How it cuts to the heart of the larger argument over how Christianity should respond to the sexual revolution and modernity itself, how it promises or threatens to separate the church from its own deep past, and how it divides Catholicism along geographical and

cultural lines. Douthat argues that the Francis era is a crucial experiment for all of Western civilization, which is facing resurgent external enemies (from ISIS to Putin) even as it struggles with its own internal divisions, its decadence, and self-doubt. Whether Francis or his critics are right won't just determine whether he ends up as a hero or a tragic figure for Catholics. It will

determine whether he's a hero, or a gambler who's betraying both his church and his civilization into the hands of its enemies. "A balanced look at the struggle for the future of Catholicism... To Change the Church is a fascinating look at the church under Pope Francis" (Kirkus Reviews). Engaging and provocative, this is "a pot-boiler of a history that examines a growing ecclesial

crisis ” (Washington
Independent Review of
Books).
