IAAP Test Study Guide with Practice Questions The IAAP Certified Professional Secretary focuses on three content areas: office technology; office systems and administration; and management. The IAAP Certified Administrative Professional exam is a bit more challenging, and focuses on four content areas: office technology; office systems and administration; management; and advanced organizational management.

IAAP Certification Testing - Pearson VUE

IAAP is excited to launch the CAP (ip), or Certified Administrative Professional in progress. It is designed for students who graduate from an office professional program with a 2-year degree and don't yet have the necessary years of professional experience.
