By reading this book, you will gain insight from industry veteran Hank Balch on what it takes to make your sterile processing department (SPD) efficient and safe, and how to keep staff morale and motivation high, all of which lead to improved patient safety. If you work in sterile processing, this book is for you. The Front Line will provide valuable information to help you grow professionally and help your SPD operate effectively. Additionally, you will gain 4.5 continuing education units (CEUs) upon completing the online quiz. The number of surgical cases combined with the ever-increasing complexity of medical instrumentation makes thoroughly cleaning and sterilizing delicate surgical instruments challenging. Overcoming this challenge requires more than the mere process of cleaning instruments. The process of managing yourself and your department are critical aspects of keeping your department humming.

OAT Practice Questions are the simplest way to prepare for the OAT test. Practice is an essential part of preparing for a test and improving a test taker's chance of success. The best way to practice taking a test is by going through lots of practice test questions. Taking lots of practice tests helps ensure that you are not surprised or disappointed on your test day. Our OAT Practice Questions give you the opportunity to test your knowledge on a set of questions. You can know everything that is going to be covered on the test and it will not do you any good on test day if you have not had a chance to practice. Repetition is a key to success and using practice test questions allows you to reinforce your

strengths and improve your weaknesses. Detailed answer explanations are also included for each question. It may sound obvious, but you have to know which questions you missed (and more importantly why you missed them) to be able to avoid making the same mistakes again when you take the real test. That's why our OAT Practice Questions include answer keys with detailed answer explanations. These in-depth answer explanations will allow you to better understand any questions that were difficult for you or that you needed more help to understand.
