The U.S. Dollar fell against a basket of major currencies on Wednesday, confirming the previous session's closing price reversal top.

Milder than expected consumer inflation pressured the index early in the session. The selling intensified later in the day after the 10-year Treasury note auction showed adequate demand, driving yields lower.

GATINEAU, Que. — The CRTC says that consumers with smartphone-financing plans of three years or longer will be protected by a policy that caps cancellation fees. Since 2019, Canada's major mobile phone carriers have increasingly offered plans that separate instalment payments for mobile phones from the monthly service fees. That same year, a CRTC consultation noted that if wireless service ...
