World Bank Discussion Paper No. 337. Draws on household survey data from 87 rural villages in Bangladesh to examine the contribution that government family planning programs, as well as other health care interventions, have made toward the recent reduction in fertility by increasing contraceptive use and reducing infant mortality. The paper suggests that the programs have been effective and finds that targeted credit program placement, such as the Grameen Bank and the Bangladesh Rural Advancement Committee

(BRAC), contributed to the effort as well.

 Statistical information is an important tool for analysing changing patterns of urban development and the impact that policy decisions have on life in our cities, towns and suburbs. Urban Europe - statistics on cities, towns and suburbs provides detailed information for a number of territorial typologies that can be used to paint a picture of urban developments and urban life in the EU Member States, as well as EFTA and candidate countries. Each chapter presents statistical information in the form of maps, tables and figures, accompanied by a description of the policy context and a set of main findings. The publication is broken down into two parts : the first treats topics under the heading of city and urban developments, while the second focuses on the people in cities and the lives they lead. Overall there are 12 main chapters, covering : the urban paradox, patterns of urban and city developments, the dominance of capital cities, smart cities, green cities, tourism and culture in cities, living in cities, working in cities, housing in cities,

foreign-born persons in cities, poverty and social exclusion in cities, as well as satisfaction and the quality of life in cities.

 Redefining Airmanship offers the first concrete model of the abstract ideal of "airmanship," and gives the reader step-by-step guidance for self-appraisal and improvement in the areas of

flight proficiency, teamwork, and good judgment in crisis situations. The author, Major Tony Kern, draws on his extensive flight and crew-training experience in the U.S. Air Force, but his model is invaluable for all pilots, whether military, recreational, or commercial.
 "Kern's work is a breakthrough, and a benchmark." --John J. Nance, author of Blind Trust Understanding Brazil-United States Relations Lulu.com
 This proceedings volume presents recent theoretical and practical advances in operational research (OR). The papers focus on a number of key areas including combinatorial optimization, integer programming, heuristics, and mathematical programming. In addition, this volume highlights OR applications in different areas such as financial decision making, marketing, e-business, project management, scheduling, traffic and transportation. The chapters are based on papers presented at the 13th Balkan Conference on Operations Research (BALCOR). BALCOR is an established biennial conference. The selected papers promote international collaboration among researchers and practitioners, with a particular focus on the Balkan countries.

This 2002 book is a guide to Italian usage for students who have already acquired the basics of the language and wish to extend their knowledge. Unlike conventional grammars, it gives special attention to those areas of vocabulary and grammar which cause most difficulty to English-speakers. Careful consideration is given throughout to questions of style, register, and politeness which are essential to achieving an appropriate level of formality or informality in writing and speech. It surveys the contemporary linguistic scene in Italy and gives ample space to the new varieties of Italian that are emerging in modern Italy. The influence of the dialects in shaping the development of Italian is also acknowledged. Clear, readable and easy to consult via its two indexes, this is an essential reference for learners seeking access to the finer nuances of the Italian language.

First published in 1972, *The Origin and Development of the Bengali Language* (Vol. 3) is the updated supplement to the two-volume *The Origin and Development of the Bengali Language*. It contains certain additions and corrections to the first systematic and detailed history of a Modern Indo-Aryan Language written by an Indian, and incidentally, as it is comparative in its treatment, taking into consideration facts in other Indo-Aryan speeches, it is an invaluable contribution to the

scientific study of the Modern Indo-Aryan languages as a whole. This book will be of interest to students of language, linguistics and South Asian studies.

"Manual 60 has been issued as a supplement to Part 60 of the Civil Air Regulations. This manual deals with those sections of Part 60 which pertain directly to air traffic control. It outlines, in easily understandable form, the procedures and phraseologies for both airport and airway traffic control. It should be understood that while procedures and phraseologies in this manual are not regulation in themselves, they have been set up as recommended practices which will provide for safety in the operation of aircraft."--Title page verso

Flight Discipline (PB)

The Arabs played an important role in Roman-controlled Oriens in the four centuries or so that elapsed from the Settlement of Pompey in 64 B.C. to the reign of Diocletian, A.D. 284 – 305. In *Rome and the Arabs* Irfan Shahîd explores this extensive but poorly known role and traces the phases of the Arab-Roman relationship, especially in the climactic third century, which witnessed the rise of many powerful Roman Arabs such as the Emperors of the Severan Dynasty, Emperor Philip, and the two rulers of Palmyra, Odenathus and Zenobia. Philip the Arab, the author argues, was the first Christian Roman emperor and Abgar the Great (ca. 200 A.D.) was the first Near Eastern ruler to adopt Christianity. In addition to political and military matters, the author also discusses Arab cultural contributions, pointing out the role of the Hellenized and Romanized Arabs in the urbanization of the region and in the progress of Christianity, particularly in Edessa under the Arab Abgarids.
