Directly linked to the Oxford Biology Course Book to extend and sharpen comprehension, this book supports maximum achievement in the course and

assessment. About the series: Reinforce student understanding of all the crucial subject material. Fully comprehensive and matched to the most recent syllabuses, these resources provide focused review of all important concepts, tangibly strengthening assessment potential.

Biology for the IB Diploma Coursebook

Chemistry for the IB Diploma Standard and Higher Level

The International Baccalaureate® (IB) was founded in Geneva, Switzerland in 1968 as a non-profit educational

foundation that endeavored to develop inquiring, knowledgeable and caring young people who would go on to create a better and more peaceful world through intercultural understanding and respect. What began as a single program for internationally mobile students preparing for college, has grown into a series of programs for students up to age 19. Barron's is pleased to offer a brand new review guide for the IB Biology exam. The content of the exam is compiled from the newly revised IB Biology course syllabus. This review book focuses specifically on the syllabus material to ensure that students are fully prepared and includes: An overview of the tests/papers, including an explanation of scoring, command terms, and optional topics based on the brand new 2014 syllabus Connections to the Nature of Science (NOS) theme that runs throughout the syllabus Study tips and strategies for maximizing scores

A section on mathematical calculation and statistical analysis review 2 full-length paper 1, 2, and 3 practice exams with fully explained answers The book is formatted to prepare students for either

the one-year SL (standard level) or the two-year HL (higher level) biology exam.

Biotechnology and Bioinformatics John Catt Educational Ltd

Offering an unparalleled level of assessment support, IB

Prepared: Biology has been developed directly with the IB to provide the most up-to-date, authentic and authoritative guidance on DP assessment.
