This remarkable workbook reveals a system that shows you how to learn faster, easier and without frustration. By mastering the hidden language of the subject and exams, you will be poised to tackle the toughest of questions with ease. We've discovered that the key to success on the CLEP Biology Exam lies with mastering the Insider's Language of the subject. People who score high on their exams have a strong working vocabulary in the subject tested. They know how to decode the vocabulary of the subject and use this as a model for test success. People with a strong Insider's Language consistently: Perform better on their Exams Learn faster and retain more information Feel more confident in their courses Perform better in upper level courses Gain more satisfaction in learning The CLEP Biology Exam Vocabulary Workbook is different from traditional review books because it focuses on the exam's Insider's Language. It is an outstanding supplement to a traditional review program. It helps your preparation for the exam become easier and more efficient. The strategies, puzzles, and questions give you enough exposure to the Insider Language to use it with confidence and make it part of your long-term memory. The CLEP Biology Exam Vocabulary Workbook is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success! After nearly 20 years of teaching Lewis Morris discovered a startling fact: Most students didn't struggle with the subject, they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the "Insider's Words". When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of workbooks and applications to teach this "Insider's Language" to students around the world.

Written by experienced teachers and school leaders with an in-depth understanding of teaching and assessments for the IB Sports, Exercise and Health Science SL and HL courses. This new TestPrep book in the Revise IB series helps students to familiarise themselves with the SEHS exams set by the International Baccalaureate. It provides information about the format of the papers and the types of exam questions included. Students can practise answering the questions by writing directly into the book, just like they do in the exam. And, as they work through, there are strategies, hints and support for answering the questions PLUS fully worked solutions at the end. From some excellent and unique multiple choice questions for Paper 1 to invaluable advice from the experts on how to tackle Papers 2 and 3, this book provides essential exam practice support for students revising for their Sports, Exercise and Health Science exams. Students will... Understand what to expect from the SEHS exam papers such as question types, how questions are assessed and how marks are assigned, plus information about the assessment objectives See example answers to Paper 1, Paper 2 and Paper 3-style questions - with brand new, unseen sample answers to exam-style questions and answer analysis from the point of view of an examiner. Test themselves - with three complete sets of exam-style SEHS practice papers (the first set includes loads of additional tips, examiner commentary and support to guide students to achieve high marks; the second set has fewer helpful prompts; the last set has no additional help and is designed so students can have a go at it themselves!). Check answers - with fully-worked solutions in the back of the book. Practice exam papers are one of the best ways to make sure students feel confident, reassured and prepared for their exams. With full sets of exam-style papers to work through, Sports, Exercise and Health Science: Revise IB TestPrep Workbook is the perfect resource for students to use as part of their exam revision - whether this is before the mock exams or before the real thing.
