Hodder Education While spending the day in the Robinson household, Wilbur's best friend Lewis helps search for Grandfather Robinson's missing false teeth in this classic picture book

from William Joyce that inspired the Disney animated sci-fi comedy, Meet the Robinsons! No need to knock, just step right in. You're just in time to two-step with Grandfather Robinson and his dancing frog band. Cousin Laszlo is demonstrating his new antigravity device. And Uncle Art's flying saucer is parked out back. It seems like all the Robinson relatives are here, so be prepared. And keep your head down...Uncle Gaston is testing out the family cannon. Oh, and watch where you sit, Grandpa's lost his teeth again. Welcome to the Robinson's.

This comprehensive and engaging text, developed in cooperation with the IB, follows the new curriculum for first assessment in 2022. With accessible, engaging lessons students will actively relate economics to real-world issues and the global economy. The international examples and case studies encourage students to analyse economics in terms of present-day challenges and concerns. Conceptual links are provided to help students understand the overarching big questions that relate economics to the multi-faceted challenges of the world economy including how it works and changes over time. Through inquiry-based tasks and links to TOK and ATL activities students will gain a deep understanding of economics. Practice activities will develop the skills required to succeed in the IB

assessment including exam-style questions and data response questions. Clear explanations will help students achieve assessment success. About the Series: Oxford's IB Diploma Course Books are essential resource materials designed in cooperation with the IB to provide students with extra support through their IB studies. Course Books provide advice and guidance on specific course assessment requirements, mirroring the IB philosophy and providing opportunities for critical thinking.
