Why does everything sound better if it's said in French? That fascination is at the heart of *The Story of French*, the first history of one of the most beautiful languages in the world that was, at one time, the pre-eminent language of literature, science and diplomacy. In a captivating narrative that spans the ages, from Charlemagne to Cirque du Soleil, Jean-Benoît Nadeau and Julie Barlow unravel the mysteries of a language that has maintained its global influence despite the rise of English. As in any good story, *The Story of French* has spectacular failures, unexpected successes and bears traces of some of history's greatest figures: the tenacity of William the Conqueror, the staunchness of Cardinal Richelieu, and the endurance of the Lewis and Clark expedition. Through this colorful history, Nadeau and Barlow illustrate how French acquired its own peculiar culture, revealing how the culture of the language spread among francophones the world over and yet remains curiously centered in Paris. In fact, French is not only thriving—it still has a surprisingly strong influence on

---

other languages. As lively as it is fascinating, *The Story of French* challenges long held assumptions about French and shows why it is still the world's other global language.

iGen Harper Collins

The white man, leaning with both arms over the roof of the little house in the stern of the boat, said to the steersman-"We will pass the night in Arsat's clearing. It is late."The Malay only grunted, and went on looking fixedly at the river. The white man rested his chin on his crossed arms and gazed at the wake of the boat. At the end of the straight avenue of forests cut by the intense glitter of the river, the sun appeared unclouded and dazzling, poised low over the water that shone smoothly like a band of metal. The forests, sombre and dull, stood motionless and silent on each side of the broad stream. At the foot of big, towering trees, trunkless nipa palms rose from the mud of the bank, in bunches of leaves enormous and heavy, that hung unstirring over the brown

swirl of eddies. In the stillness of the air every tree, every leaf, every bough, every tendril of creeper and every petal of minute blossoms seemed to have been bewitched into an immobility perfect and final. Nothing moved on the river but the eight paddles that rose flashing regularly, dipped together with a single splash; while the steersman swept right and left with a periodic and sudden flourish of his blade describing a glinting semicircle above his head. The churned-up water frothed alongside with a confused murmur. And the white man's canoe, advancing upstream in the short-lived disturbance of its own making, seemed to enter the portals of a land from which the very memory of motion had forever departed.

Homegoing Hodder Education

Many of us are alarmed by the accelerating rates of extinction of plants and animals. But how many of us know that human cultures are going extinct at an even more shocking rate? While biologists estimate that 18 percent of mammals and 11 percent of birds are threatened, and botanists anticipate the loss of 8 percent of flora, anthropologists predict that fully 50 percent of the 7,000 languages spoken around the world today will disappear within our lifetimes. And languages are merely the canaries in the coal mine: what of the knowledge, stories, songs, and ways of seeing encoded in these voices? In *The Wayfinders*, Wade Davis offers a gripping and enlightening account of this urgent crisis. He leads us on a fascinating tour through a handful of

---

indigenous cultures, describing the worldviews they represent and reminding us of the encroaching danger to humankind's survival should they vanish.

History for the IB Diploma: Civil Rights and Social Movements in the Americas Pan Macmillan Australia

The powerful tools in this invaluable resource equip students with the skills to write successful entrance essays for top-notch universities. The strengths and weaknesses of 50 application compositions from Ivy League schools, as well as Caltech, Duke, MIT, Stanford, and University of Chicago, are analyzed in detail, highlighting techniques to emulate and mistakes to avoid. College admission officers from some of these schools provide informative strategies and inside information on their writing assessment criteria. A comprehensive writing workshop provides tips toward selecting topics, developing stories, editing drafts, and applying finishing

touches. Acknowledging that the written portion of the process is one of the most important factors for admission into highly selective schools, this helpful guidebook offers sage advice and inspiration to keep applicants on the right track. Our Dynamic Planet House of Anansi

#### How Soccer Explains the World

Oxford IB Diploma Programme  
The winner of the Australian Booksellers' Award, a novel in which notions and memories and fiction and reality float together as an octogenarian narrates the legend of the silver hands to a woman in her twenties, who in turn passes on a tale to a man who claims it as his own. The Orchard Oxford University Press, USA  
After being left at the altar by her soap star fiancé, Los Angeles high school teacher Zadie Roberts wants nothing more to do with love and romance. With the help of her best buddy Grey and several bottles of wine, she just might survive the trauma of the wedding that wasn't. Unexpectedly, Grey gets engaged to Zadie's prim and proper cousin Helen, and suddenly Zadie is dragged back into wedding festivity hell. The coup de grace is Helen's bachelorette party, thrown by her clique of prissy friends and certain to be a day of torture. But when the Pinot Grigiot goes down and the

sweater sets come off, things get out of control. Helen turns into a girl gone wild and manages to get herself into a situation that just might sink the happy couple for good. Zadie faces a major debacle: should she tell Grey about Helen's night of indiscretion, or forever hold her peace? The Bachelorette Party is a remarkable, assured debut. Lutz's terrific characters and sharp insights put this delightful novel a step above the rest.
