**International Baccalaureate (IB) –
Haese Mathematics**

I prefer to write questions that
require students to demonstrate that
they understand a concept, rather than

relying on rote memorisation. When a
new or revised syllabus is released for a
curriculum that we write for, a lot of work
goes into devising a structure for the
book that addresses the syllabus. We'll
suggest content based on your
keywords

The IB MYP is designed for students aged
11 to 16. It provides a framework of
learning that encourages students to
become creative, critical and reflective
thinkers. The MYP emphasizes intellectual
challenge, encouraging students to make
connections between their studies in
traditional subjects and the real world.
