A collection of critical essays on the noted postwar Italian director includes pieces that examine his works from a range of social and political perspectives to consider his motivations and impact on modern film. Simultaneous.

The Sixth Speed Penguin

Touch, feel, and hear the trucks on every page of this sturdy board book. Engaging

photographs and appealing textures encourage young readers to explore the exciting world of trucks. Jewel Archie Comic Publications (Trade) In the backwoods of Mississippi, a land of honeysuckle and grapevine, Jewel and her husband, Leston, are truly blessed; they have five fine children. When Brenda Kay is born in 1943, Jewel gives thanks for a healthy baby, last-born and most welcome. Jewel is the story of how quickly a life can change; how, like lightning, an unforeseen event can set us on a course without reason or compass. In this story of a woman's devotion to the child who is both her burden and God's singular way of smiling on her, Bret Lott has created a mother-daughter relationship of matchless intensity and beauty, and one of the

finest, most indomitable heroines in contemporary American fiction.

Sudoku Puzzles 100 Large Print Beacon Press An award-winning novel, Sazzae opens the door to a wondrous cityscape where Japanese and American youth find each other in Tokyo. Discover the machinations of a lovers' triangle, a painter's inspiration, and a teen idol's dark secret through sensuous and evocative language. The pain and pleasures of Japan are remembered with lyric passion.

Doing Film Studies examines what it really means to study

---

film, encouraging the reader to question the dominant theories as well as understanding the key approaches to cinema. This book provides an overview of the construction of film studies - including its history and evolution - and examines the application of theories to film texts. Important questions discussed include: Why does film studies need a canon? What is the relationship between authorship and genre theory? What is screen theory? How do we read a film text? Why is the concept of the spectator important to film? How is film involved in national identity? What is meant by a 'film industry'? Aimed at students in their final year of secondary education or beginning their degrees, *Doing Film Studies* equips the reader with the tools needed in approaching the study of film.

**Room 555** Paper Chase  
This book is dedicated to Aristid Lindenmayer on the occasion of his 60th birthday on November 17, 1985.

Contributions range from mathematics and theoretical computer science to biology. Aristid Lindenmayer introduced language-theoretic models for developmental biology in 1968. Since then the models have been customarily referred to as L systems. Lindenmayer's invention turned out to be one of the most beautiful examples of interdisciplinary science: work in one area (developmental biology) induces most fruitful ideas in other areas (theory of formal languages and automata, and formal power series). As evident from the articles and references in this book, the interest in L systems is continuously growing. For newcomers the first contact with L systems usually happens via the most basic class of L systems, namely, DOL systems. Here "0" stands for zero context between developing cells. It has been a major typographical problem that printers are unable to

---

distinguish between 0 (zero) and 0 (oh). Thus, DOL was almost always printed with "oh" rather than "zero", and also pronounced that way. However, this misunderstanding turned out to be very fortunate. The wrong spelling "DOL" of "DOL" could be read in the suggestive way: DO L Indeed, hundreds of researchers have followed this suggestion. Some of them appear as contributors to this book. Of the many who could not contribute, we in particular regret the absence of A. Ehrenfeucht, G. Herman and H.A. Maurer whose influence in the theory of L systems has been most significant.

Following the Pulitzer prize-winning collection *Stag's Leap*, Sharon Olds gives us a stunning book of odes. Opening with the powerful and tender "Ode to the

Hymen," Olds addresses and embodies, in this age-old poetic form, many aspects of love and gender and sexual politics in a collection that is centered on the body and its structures and pleasures. The poems extend parts of her narrative as a daughter, mother, wife, lover, friend, and poet of conscience that will be familiar from earlier collections, each episode and memory burnished by the wisdom and grace and humor of looking back. In such poems as "Ode to My Sister," "Ode of Broken Loyalty," "Ode to My Whiteness," "Blow Job Ode," and "Ode to the Last Thirty-Eight Trees in New York City Visible from This Window," Olds treats us to an intimate examination that, like all her work, is universal, by turns searing and charming in its honesty. From the bodily joys and sorrows of childhood to the deaths of those dearest to us, Olds shapes the world in language

that is startlingly fresh, profound in its conclusions, and life-giving for the reader. Noisy Trucks Notion Press  
Rip Van Goofy was a friendly fellow who lived in a sleepy town. He was always chatting with his friends and loved to go fishing. But when his friends were busy one sunny afternoon, Rip Van Goofy set out alone to fish at his favorite fishing hole. Then, with his line in the water, Goofy fell asleep...and woke up forty years later! Don't miss this retelling of the classic tale of Rip Van Winkle—with a Disney twist! The Complete Saki My First  
Intensely private radio personality Art Bell, who lives in the middle of the desert 65 miles west of Las Vegas--where he broadcasts his radio shows--finally comes forward with his fascinating autobiography. **His Reluctant Omega** Simon and Schuster

Fourteen-year-old Rooney  
loves hip-hop almost as much  
as she loves her grandmother.  
She cannot wait to compete in  
her school's dance  
competition. But as her  
grandmother's health  
deteriorates, Rooney becomes  
more and more reluctant to  
visit her in the care home.  
These feelings of guilt and  
frustration cause Rooney to  
mess things up with her hip-  
hop dance partner and best  
friend, Kira. But while doing  
some volunteer hours in the  
hospital geriatric ward,  
Rooney meets an active senior  
recovering from a bad fall.  
Their shared love of dance  
and the woman's zest for life  
help Rooney face her fears,  
make amends with Kira and  
reconnect with Gram before  
it's too late.

Mitchell is an alpha among alphas  
in the brutal Mountain Ridge Pack.  
He rules with equal parts fear and  
respect, but his pack is growing  
restless after decades without an  
heir to his proverbial throne.  
Only an alpha and an omega pair  
can sire another alpha to lead the  
pack, but Mitchell's not-so-secret  
shame is the fact that he hasn't  
been able to impregnate any of his  
female omegas. Unlike the other  
weaker packs, the Mountain Ridge  
wolves have always kept their

omegas in line and at a safe  
distance through the infamous yet  
efficient Breeding Program. On the  
recommendation of an old rival  
turned tentative friend, Mitchell  
decides to try his hand--among  
other things--in a last-ditch  
effort at siring an heir with a  
rare male omega. When a transfer  
request for one of the only male  
omegas in the pack uncovers  
unspeakable abuse and corruption  
within the Breeding Program, the  
very future of the pack is thrown  
into question. -Angel's heart has  
turned to stone after a lifetime  
of abuse at the hands of the alpha  
shifters who oversee the Breeding  
Program in his pack unit. The only  
love he has left belongs to the  
three other omegas he shares his  
little corner of hell with. Angel  
will do whatever it takes to  
protect them, even if it means  
becoming the mate of the top alpha  
himself. Angel knows better than to  
believe the gruff Mitchell when he  
claims that he's not like the  
others. Despite his best attempts  
to steel himself against the  
strange bond that forms between  
them, Angel discovers that  
Mitchell is the most dangerous

---

alpha of all because he wants the one thing Angel has sworn never to give--his heart. With war looming on the horizon, a pack in chaos and two hardened hearts melted by an unlikely spark of love, only one outcome is certain. The Mountain Ridge Pack will never be the same. Disclaimer: See inside cover for content warnings. This is the second book in The Mountain Shifters series. Reading His Unclaimed Omega may provide context, but this book can be read as a standalone.

#### Thinking about Significance

Springer Science & Business Media  
A dynamic and hip collective biography that presents forty-four of America's greatest movers and shakers, from Frederick Douglass to Aretha Franklin to Barack Obama, written by ESPN's TheUndeatead.com and illustrated with dazzling portraits by Rob Ball. Meet forty-four of America's most impressive heroes in this collective biography of African American figures authored by the team at ESPN's TheUndeatead.com. From visionaries to entrepreneurs, athletes to activists, the Fierce 44 are beacons of brilliance,

perseverance, and excellence. Each short biography is accompanied by a compelling portrait by Robert Ball, whose bright, graphic art pops off the page. Bringing household names like Serena Williams and Harriet Tubman together with lesser-known but highly deserving figures such as Robert Abbott and Dr. Charles Drew, this collection is a celebration of all that African Americans have achieved, despite everything they have had to overcome.

#### **Alternators and Starter Motors**

The complete works of one of England's greatest Edwardian writers Saki is perhaps the most graceful spokesman for England's 'Golden Afternoon' - the slow and peaceful years before the First World War. Although, like so many of his generation, he died tragically young, in action on the Western Front, his reputation as a writer continued to grow long after his death. His work is humorous, satiric, supernatural, and macabre,

highly individual, full of eccentric wit and unconventional situations. With his great gift as a social satirist of his contemporary upper-class Edwardian world, Saki is one of the few undisputed English masters of the short story and one of the great writers of a bygone era. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
