Kemp: Passage at Arms Cengage Learning

When you get married, you expect your relationship to be a partnership

in which you make decisions and face the world together, united. But often a husband's perspective and a wife's perspective on the same issue can be very different and unity in decision making can be tough. Should spouses take turns getting their way? Should they compromise? Can they avoid making decisions altogether? Dr. Harley says there's a better way--a way in which both partners get what they want and believe is best every time. In *He Wins, She Wins*, Dr. Harley introduces the revolutionary concept of joint agreement in marriage that keeps both husband and wife on equal footing and equally satisfied. This win-win model for negotiation starts with a simple rule: Never do anything without enthusiastic agreement between you and your spouse. Dr. Harley walks couples through the five most common sources of conflict in marriage, (friends and family, career and time management, finances, children, and sex), applying the joint agreement rule in every situation. And he teaches readers how to resolve conflicts the right way, so that not only are those conflicts resolved once and for all but the couple's love for one another actually grows and is sustained for the rest of their lives. Anyone who has been married long enough to have a disagreement will benefit from this unique new book from everyone's favorite marriage doctor.

### Sirt Diet Canelo

I ' ve done everything right, my whole life. I never snuck out, never partied, never drank, never even had a high school boyfriend. Got all the best grades, got into all the best schools. I received not one, but TWO Ivy League University degrees. Had the paper-perfect fiancé, the paper-perfect life. And then it all fell apart. My fiancé cheated on me with my boss. I quit my job, left my fancy, upper-crust Boston condo, dumped my cheating fiancé ...quit my entire life, basically. Took to day-drinking and bingeing Netflix. And then my younger sister Lexie calls me in a panic. She needs me to come rescue her, but won ' t say from what, just that I need to come get her...at her university...in New York. Which leads Lexie and I on road trip across the country. We form the no-bra man-hating day-drinkers roadtrip club...membership two. And then I...ummm...overindulge just a little bit, at a country music festival. Get harassed by assholes. Have to be saved by tall, dark, and handsome man named Crow. Crow turns my whole world upside down. He shows me what real pleasure is. Shows me what I ' ve been missing my whole life...what a man can and should do to make a woman feel really, really good. He ' s bad. Dangerous. Wild. He has a bad mouth, hard fists, and a dark, mysterious past. And a talented tongue. And hands I find myself wanting all over me, in a desperate way I thought was only real in the romances I read. And now, suddenly,

I find myself wanting a wild mustang of a man, an untamable force of nature...and wondering if there ' s room in my safe, orderly, good girl world for him. Or if maybe I can learn how to be...not so good. \* \* \* She ' s everything good and sweet and innocent in the world, and I ' m a hard-fisted brawler, an outlaw with a bloodstained past. I ' m the exact, polar opposite to everything Charlie Goode is. I want her—I want her quick mind and her soft skin, her sexy curves and her sharp tongue. I want her body, and I want her soul. But I can ' t have her. When she finds out about the bloody, violent truth of my past, she won ' t want anything to do with me. She ' ll run away as fast and as far as she can, because I ' m not meant for a sweet, innocent thing like her. Until then, though, I plan on getting her a little dirty. Showing her some of the wild side where I live my life. Take what I can get, and enjoy the ride, and worry about the state of my heart later. You know what they say about the best laid plans, though.

Lieutenant Jade Parker was gorgeous, though hardly wife material. Besides, his perilous mission hinged on winning her confidence not her heart. Jade had one goal in sight, and it wasn't marriage. If coddling a temperamental

actor would get her closer to becoming captain, she would suffer through. But Jade soon realized there was more to sexy, secretive Reese than met the eye. Lifetime ambition aside, she wanted him. And that terrified her more than the danger that was closing in .

*DNS FIT KID Exercise Journal* Cassandra Dee  
Romance

?DNS Exercise Journal - A brochure for kids  
This journal or DNS Fit Kid App is intended for coaches and therapists who use DNS FIT KID in their practice, particularly those working with young children and their parents. The application consists of twenty exercises based on five developmental positions and serves as a home exercise program for children aimed at both the treatment and prevention of musculoskeletal pain. More generally, these exercises can also be used as a fundamental, dynamic warm-up for not only common recreational play, but also youth athletic training. The DNS exercise app explains the developmental exercise positions to children in a fun, relatable manner, comparing them with the way animals characteristically move and pose. The concise text and colorful illustrations help to explain not only how the child ought to move, but also what they should feel during each movement or position. Of course, these also describe how to detect and correct errors and movement faults typically found with each exercise. Furthermore, in order to help train exercise transitions, movement memory, mimicry, and team exercise (while also incorporating

---

speech development), the DNS app has included a variety of rhythmic songs that are meant to be sung along with every global movement routine. By incorporating both animal imagery and catchy songs into each routine, the DNS Fit Kid App motivates children to exercise regularly in a pleasurable, playful way, while also emphasizing DNS principles like optimal posture and ideal movement coordination.
