For His Eyes Only Alena Kobesová
Faith: I'm a waitress in a small town, so when a handsome stranger

leaves me a hundred-dollar tip and asks me to meet him at his place, I throw caution to the wind. Sure, I might be abducted or even worse, but what Hunter and I ended up doing in private made it *totally* worth it. Hunter: The minute I saw Faith in that flirty waitress outfit, I lost it. Was I pushy and possessive? Yes. Did I help myself to those curves the minute she stepped through the door? Yes. But there's something strange about Faith because she looks eerily like a woman I used to know. To my horror, she is my ex-wife's daughter ... but that's not going to stop me from putting a baby in her belly! Hey Readers - Hunter's a pro athlete who had a 6-second marriage back in the day, but it comes back to haunt him when he meets the woman of his dreams. After all, Faith is everything that he wants, but what happens when she shares the DNA of his ex-wife? There is *nothing* realistic about this story, but I promise you'll love it because this is forbidden romance at its best! This book is a follow-up to Hot Single Daddy, but all of my books may be read as standalones. No cheating, no cliffhangers, and always a HEA for my readers. Enjoy! Xoxo, Cassie

MASTER OF DECEPTION Rugged Special Agent Reese Garrick never expected to find himself posing as a dashing movie star. Nor did he expect to find his dream woman on the steel decks of a naval warship. Lieutenant Jade Parker was gorgeous, though hardly wife material. Besides, his perilous mission hinged

on winning her confidence not her heart. Jade had one goal in sight, and it wasn't marriage. If coddling a temperamental actor would get her closer to becoming captain, she would suffer through. When you get married, you expect your relationship to be a partnership in which you make decisions and face the world together, united. But often a husband's perspective and a wife's perspective on the same issue can be very different and unity in decision making can be tough. Should spouses take turns getting their way? Should they compromise? Can they avoid making decisions altogether? Dr. Harley says there's a better way--a way in which both partners get what they want and believe is best every time. In *He Wins, She Wins*, Dr. Harley introduces the

revolutionary concept of joint agreement in marriage that keeps both husband and wife on equal footing and equally satisfied. This win-win model for negotiation starts with a simple rule: Never do anything without enthusiastic agreement between you and your spouse. Dr. Harley walks couples through the five most common sources of conflict in marriage, (friends and family, career and time management, finances, children, and sex), applying the joint agreement rule in every situation. And he teaches readers how to resolve conflicts the right way, so that not only are those conflicts resolved once and for all but the couple's love for one another actually grows and is sustained for the rest of their lives. Anyone who has been married long enough to have a disagreement will benefit from this unique new book from everyone's favorite marriage doctor.

Mel Dawson keeps talking me into doing things, like watching the sunset and slowing down to enjoy life. When she trains me,

I don't even know who I am when I'm with her. I'm suddenly a completely different man. But, I like this version of myself better. Mel's smart, determined, and keeps me guessing. She's everything I need and want, but I've been burned before. I'm used to taking chances in the boardroom, just not in my personal life. How much am I willing to risk for a chance to make her mine?
