I really miss my IC-737. I sold  
it to buy a Yaesu FT-890,  
which is a terrific radio.  
However, the IC-737 was so

intuitive to program that I miss  
it very much. I could do many  
things with the 737 without  
referring to the manual. Can't  
say that about the FT-890/AT.
