The SP-20 allows for 2 radios to be plugged into at once. I am currently using this speaker between my IC-736 and my IC-275H. Let me say the audio this speaker brings into my shack is nothing short of magnificent. The difference is day and night when listening to the internal speaker versus the external SP-20 speaker.

Icom SP-20 Speaker with audio filter

Earlier 5-star review posted by VE3WCQ on 2015-01-20 ... Upon listening to the Icom SP-33, my initial reaction was "WOW". Like the previous review, this little speaker sounds

better than anything I've heard. I'm amazed at the richness and quality coming from this speaker. No spec sheet is included in the box, and not available on Icom web site.
