*Thing of Beauty* Currency

What happens when media and politics become forms of entertainment? As our world begins to look more and more like Orwell's 1984, Neil's Postman's essential guide to the modern media is more relevant than ever. "It's unlikely that Trump has ever read *Amusing Ourselves to Death*, but his ascent would not have surprised Postman."

-CNN Originally published in 1985, Neil Postman's groundbreaking polemic about the corrosive effects of

television on our politics and public discourse has been hailed as a twenty-first-century book published in the twentieth century. Now, with television joined by more sophisticated electronic media—from the Internet to cell phones to DVDs—it has taken on even greater significance. *Amusing Ourselves to Death* is a prophetic look at what happens when politics, journalism, education, and even religion become subject to the demands of entertainment. It is also a blueprint for regaining control of our media, so that they can serve our highest goals. "A brilliant, powerful, and important book. This is an

indictment that Postman has laid down and, so far as I can see, an irrefutable one."  
—Jonathan Yardley, *The Washington Post* Book World  
**Troublemakers** Running Press Adult  
**Behind the Cloak of Buddha** is the true story about a group of captive tigers subjected to a lifetime of abuse and wildlife trade, and of a woman's fight to bring justice and peace to their lives. Set in the seemingly idyllic surrounds of a Thai Buddhist Temple, this

---

landmark book lifts the lid on the hidden atrocities that species are subjected to for greed and confirms the enduring spirit of both human and animal.

*The Times Index* Penguin  
Do you know how many post boxes there are in the UK? Could you guess how many times the word 'goat' appear in the King James Version of the bible? Fancy playing a game of charades where all of the books, films and plays are entirely made up? Now, look around the

room. Is anyone there the kind of person who'll say 'I just don't understand this', when faced with something that's not just perfectly easy to understand, but is ... well, fun? Ask them to leave. Have they gone? Good. Now welcome inside the House of Games ... Featuring questions based on some of the most loved rounds from the hit BBC2 show, including Roonerspisims, Venn Will I Be Famous?, Dim Sums and Answer Smash, Richard Osman's House of Games Quiz Book is the ultimate test

of wit, wisdom and imagination. Curated by Richard Osman and Alan Connor and featuring over 50 new and exclusive games to try out, this is your chance to step inside the House of Games and pitch your trivia skills against your family and friends. Quirky, unique and exactly the right amount of silly, House of Games contains hours of guaranteed fun!

entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is

intensely interested in a lifestyle that is uniquely Southern Californian. *Preventing Tobacco Use Among Youth and Young Adults* Running Press Adult FORBES #1 CAREER BOOK TO READ IN 2018 The larger-than-life journey of an 18-year-old college freshman who set out from his dorm room to track down Bill Gates, Lady Gaga, and dozens more of the world's most

successful people to uncover how they broke through and launched their careers. The Third Door takes readers on an unprecedented adventure—from hacking Warren Buffett's shareholders meeting to chasing Larry King through a grocery store to celebrating in a nightclub with Lady Gaga—as Alex Banayan travels from icon to icon, decoding their

---

success. After remarkable one-on-one interviews with Bill Gates, Maya Angelou, Steve Wozniak, Jane Goodall, Larry King, Jessica Alba, Pitbull, Tim Ferriss, Quincy Jones, and many more, Alex discovered the one key they have in common: they all took the Third Door. Life, business, success... it's just like a nightclub. There are always three ways in. There's the First

Door: the main entrance, where ninety-nine percent of people wait in line, hoping to get in. The Second Door: the VIP entrance, where the billionaires and celebrities slip through. But what no one tells you is that there is always, always... the Third Door. It's the entrance where you have to jump out of line, run down the alley, bang on the

door a hundred times, climb over the dumpster, crack open the window, sneak through the kitchen—there's always a way in. Whether it's how Bill Gates sold his first piece of software or how Steven Spielberg became the youngest studio director in Hollywood history, they all took the Third Door.

ecological crisis. Eight thousand years of artifacts attest to its charisma, and to the fraught relationships between our two species. In the White Bear, we acknowledge the magic of wildness: it is both genuinely itself and a screen for our imagination. Ice Bear traces and illuminates this intertwined history. From Inuit shamans to Jean Harlow lounging on a bearskin rug, from the cubs trained to pull sleds toward the North Pole to cuddly superstar Knut, it all comes to life in these pages. With meticulous research and more than 160 illustrations, the author brings into focus this powerful and elusive animal. Doing so, he delves into the stories we tell about Nature and about ourselves hoping for a future in which such tales still matter.

Los Angeles Magazine  
Prentice Hall  
A history of celebrity from Byron to Beckham Love it or hate it, celebrity is one of the dominant features of modern life—and one of the least understood. Fred Inglis sets out to correct this problem in this entertaining and enlightening social history of modern celebrity, from eighteenth-century London to today's Hollywood. Vividly

---

written and brimming with fascinating stories of figures whose lives mark important moments in the history of celebrity, this book explains how fame has changed over the past two-and-a-half centuries. Starting with the first modern celebrities in mid-eighteenth-century London, including Samuel Johnson and the Prince Regent, the book traces the changing nature of celebrity and celebrities through the age of the Romantic hero, the European fin de siècle, and the Gilded Age in New York and Chicago. In the twentieth century, the book covers the Jazz Age, the rise of political celebrities such as Mussolini, Hitler, and Stalin, and the democratization of celebrity in the postwar decades, as actors, rock stars, and sports heroes became the leading celebrities. Arguing that celebrity is a mirror reflecting some of the worst as well as some of the best aspects of modern history itself, Inglis considers how the lives of the rich and famous provide not only entertainment but also social cohesion and, like morality plays, examples of what—and what not—to do. This book will interest anyone who is curious about the history that lies behind one of the great preoccupations of our lives. Some images inside the book are unavailable due to digital copyright restrictions.
