Media Studies TV in the USA: A History of Icons, Idols, and Ideas [3 volumes]
Vocabulary in Use Intermediate is a reference and practice book for students of North American English at the intermediate level. Each unit is on two pages. The left-hand page teaches an important selection of vocabulary that is related by grammar or topic. The right-hand page provides practice exercises. Vocabulary in Use Intermediate can be used as a classroom text or for self-study. www.cambridge.org/vinu Additional activities for extra vocabulary and listening practice are available on the companion Web site.

New Television, Globalisation, and the East Asian Cultural Imagination Metro Books
'Fizzes with clever vignettes and juicy tidbits... [a] joyous romp of a book.' Guardian 'A fascinating, rollicking book in search of why, where and how fame strikes. Sit back and enjoy the ride.' Peter Frankopan, author of The Silk Roads '[An] engaging and well-researched book... Jenner brings his material to vivid life' Observer Celebrity, with its neon glow and selfie pout, strikes us as hypermodern. But the famous and infamous have been thrilling, titillating, and outraging us for much longer than we might realise. Whether it was the scandalous Lord Byron, whose poetry sent female fans into an erotic frenzy; or the cheetah-owning, coffin-sleeping, one-legged French actress Sarah Bernhardt, who launched a violent feud with her former best friend; or Edmund Kean, the dazzling Shakespearean actor whose monstrous ego and terrible alcoholism saw him nearly murdered by his own audience - the list of stars whose careers burned bright before the Age of Television is extensive and thrillingly varied. In this ambitious history, that spans the Bronze Age to the coming of Hollywood's Golden Age, Greg Jenner assembles a vibrant cast of over 125 actors, singers, dancers, sportspeople, freaks, demigods, ruffians, and more, in search of celebrity's historical roots. He reveals why celebrity burst into life in the early eighteenth century, how it differs to ancient ideas of fame, the techniques through which it was acquired, how it was maintained, the effect it had on public tastes, and the psychological burden stardom could place on those in the glaring limelight. DEAD FAMOUS is a surprising, funny, and fascinating exploration of both a bygone age and how we came to inhabit our modern, fame obsessed society.

Lulu Press, Inc
NATIONAL BESTSELLER • A witty, charming, and engaging dive into trivia’s colorful history, from America’s highest-earning game show contestant of all time “Insightful, informative, and written with a strong dose of humor and humility. . . . I loved this book.”—Will Shortz, crossword editor, The New York Times Ken Jennings is trivia’s undisputed king—and as he traces his rise from anonymous computer programmer to nerd folk icon, he explores his newly conquered kingdom: the world of trivia itself. Trivia, he has found, is centuries older than his childhood obsession with it. Whisking us from the coffeehouses of seventeenth-century London to the Internet age, Jennings chronicles the ups and downs of the trivia fad: the quiz book explosion of the Jazz Age; the rise, fall, and rise again of TV quiz shows; the nostalgic campus trivia of the 1960s; and the 1980s, when Trivial Pursuit® again made it fashionable to be a know-it-all. Jennings also investigates the shadowy demimonde of today’s trivia subculture, guiding us on a tour of trivia across America. He goes head-to-head with the blowhards and diehards of the college quiz-bowl circuit, the slightly soused faithful of the Boston pub trivia scene, and the raucous participants in the annual Q&A marathon in Stevens Point, Wisconsin, “The World’s Largest Trivia Contest.” And, of course, he takes us behind the scenes of his improbable 75-game run on Jeopardy! But above all, Brainiac is a love letter to the useless fact. (Who knew that there’s a crater on Venus named after Laura Ingalls Wilder? Ken Jennings, that’s who.) Engaging and erudite, Brainiac is an irresistible celebration of nostalgia, curiosity, and geeky obsession—in a word, trivia.

Weekly World News Random House
Americans love talk shows. In a typical week, more than 13 million Americans listen to Rush Limbaugh, whose syndicated radio show is carried by about 600 stations. On television, Oprah Winfrey's syndicated talk show is seen by an estimated 30 million viewers each week. Talk show hosts like Winfrey and Limbaugh have become iconic figures, frequently quoted and capable of inspiring intense opinions. What they say on the air is discussed around the water cooler at work, or commented about on blogs and fan web sites. Talk show hosts have helped to make or break political candidates, and their larger-than-life personalities have earned them millions of fans (as well as more than a few enemies). Icons of Talk highlights the most groundbreaking exemplars of the talk show genre, a genre that has had a profound influence on American life for over 70 years. Among the featured: • Joe Pyne • Jerry Williams • Herb Jepko • Randi Rhodes • Rush Limbaugh • Larry King • Dr. Laura Schlesinger • Steve Allen • Jerry Springer • Howard Stern. • Oprah Winfrey • Don Francisco • Cristina Saralegui • Tavis Smiley • James Dobson • Don Imus Going behind the scenes, this volume showcases the techniques hosts used to motivate (and sometimes aggravate) audiences, and examines the talk show in all of its various formats, including sports-talk, religious-talk, political-talk, and celebrity-talk. Each entry places the talk format and its hosts into

historical context, addressing such questions as: What was going on in society when these talkers were on the air? How did each of them affect or change society? What were the issues they liked to talk about and what reaction did they get from listeners and from critics? How were talk hosts able to persuade people to vote for particular candidates or support certain policies? Which hosts were considered controversial and why? Complete with photographs, a timeline, and a resource guide of sources and organizations, this volume is ideal for students of journalism and media studies.
The Ultimate Britney Spears Quiz Book ABC-CLIO
Over the sixty years of his existence, Batman has encountered an impressive array of cultural icons and has gradually become one himself. This fascinating book examines what Batman means and has meant to the various audiences, groups and communities who have tried to control and interpret him over the decades. Brooker reveals the struggles over Batman's meaning by shining a light on the cultural issues of the day that impacted on the development of the character. They include: patriotic propaganda of the Second World War; the accusation that Batman was corrupting the youth of America by appearing to promote a homosexual lifestyle to the fans of his comics; Batman becoming a camp, pop culture icon through the ABC TV series of the sixties; fans' interpretation of Batman in response to the comics and the Warner Bros. franchise of films.

There Are No Wrong Answers Simon and Schuster
Why did Uuq become FI? Why is the sky blue? Why is the sky black? What is spaghettification? There ’ s a problem with the typical quiz. It always features far too much sport, 1980s pop and celebrity gossip — and not nearly enough science. How Many Moons Does the Earth Have? is the ultimate solution. Test your knowledge to the limit with a sizzling collection of brain-stretching, science-based questions in two eight-round quizzes. Turn the page to get the answer immediately — and as each answer page explores the subject in more depth, this the only quiz that ’ s just as entertaining to read from beginning to end as it is to play competitively. Where was the Big Bang? What links the elephant Tusko and Timothy Leary? What is the significance of 6EQUJ5? Science explainer extraordinaire Brian Clegg tells all...

Batman Unmasked Simon and Schuster
Now in its fourth edition, this book is one of the leading texts on the evolution of electronic mass communication in the last century, giving students a clear understanding of how the media of yesterday shaped the media world of today. Now Media, Fourth Edition (formerly Electronic Media: Then, Now, Later) provides a comprehensive view of the beginnings of electronic media in broadcasting and the subsequent advancements into ‘ now ’ digital media. Each chapter is organized chronologically, starting with the electronic media of the past, then moving to the media of today, and finally, exploring the possibilities for the media of the future. Topics include the rise of social media, uses of personal communication devices, the film industry, and digital advertising, focusing along the way on innovations that laid the groundwork for ‘ now ’ television and radio and the Internet and social media. New to the fourth edition is a chapter on the amazing world of virtual reality technology, which has spawned a ‘ now ’ way of communicating with the world and becoming a part of video content, as well as a discussion of the impacts of the COVID-19 pandemic on media consumption habits. This book remains a key text and trusted resource for students and scholars of digital mass communication and communication history alike. The new ‘ now ’ edition also features updated online instructor materials, including PowerPoint slides and test banks. Please visit www.routledge.com/cw/medoff to access these support materials.

English Unlimited Intermediate A and B Teacher's Pack (Teacher's Book with DVD-ROM) Andrews UK Limited
Challenging assumptions that have underpinned critiques of globalisation and combining cultural theory with media industry analysis, Keane, Fung and Moran give a groundbreaking account of the evolution of television in the post-broadcasting era, and how programming ideas are creatively redeveloped and franchised in East Asia. In this first comprehensive study of television program adaptation across cultures, the authors argue that adaptation, transfer, and recycling of content are multiplying to the point of marginalising other economic and cultural practices. They also show that significant re-modelling of local TV production practices occur when adaptation is genuinely responsive to local values. Examples of East Asian format adaptations include Survivor, Who Wants to be a Millionaire?, The Weakest Link, Coronation Street, and Idol.

How Many Moons Does the Earth Have? Ballantine Books

Longtime Jeopardy! host and television icon Alex Trebek reflects on his life and career. When he debuted as the host of Jeopardy! in 1984, Alex Trebek became something like a family member to millions of television viewers, bringing entertainment and education into their homes five nights a week. In 2019, he made the stunning announcement that he had been diagnosed with Stage IV pancreatic cancer. What followed was an incredible outpouring of love and kindness. Social media was flooded with messages of support, and the Jeopardy! studio received boxes of cards and letters offering guidance, encouragement, and prayers. For more than three decades, Trebek had resisted countless appeals to write a book about his life. Yet he was moved so much by all the goodwill, he felt compelled to finally share his story. “ I want people to know a little more about the person they have been cheering on for the past year, ” he writes. The book combines illuminating personal anecdotes with Trebek ’ s thoughts on a range of topics, including marriage, parenthood, education, success, spirituality, and philanthropy. Trebek also addresses the questions asked most often by Jeopardy! fans, such as what prompted him to shave his signature mustache, his insights on legendary players like Ken Jennings and James Holzhauer, and his opinion of Will Ferrell ’ s Saturday Night Live impersonation. The book uses a novel structure inspired by Jeopardy! and features dozens of never-before-seen photos that candidly capture Trebek over the years. This wise, charming, and inspiring book is further evidence of why Trebek has long been considered one of the most beloved and respected figures in entertainment.

The 5 Seconds of Summer Quiz Book Bloomsbury Publishing USA

A RECOMMENDED SUMMER READ BY THE NEW YORK TIMES, USA TODAY, TIME, AND NEWSWEEK Longtime Jeopardy! host and television icon Alex Trebek reflects on his life and career. Since debuting as the host of Jeopardy! in 1984, Alex Trebek has been something like a family member to millions of television viewers, bringing entertainment and education into their homes five nights a week. Last year, he made the stunning announcement that he had been diagnosed with stage four pancreatic cancer. What followed was an incredible outpouring of love and kindness. Social media was flooded with messages of support, and the Jeopardy! studio received boxes of cards and letters offering guidance, encouragement, and prayers. For over three decades, Trebek had resisted countless appeals to write a book about his life. Yet he was moved so much by all the goodwill, he felt compelled to finally share his story. “ I want people to know a little more about the person they have been cheering on for the past year, ” he writes in The Answer Is...: Reflections on My Life. The book combines illuminating personal anecdotes with Trebek ’ s thoughts on a range of topics, including marriage, parenthood, education, success, spirituality, and philanthropy. Trebek also addresses the questions he gets asked most often by Jeopardy! fans, such as what prompted him to shave his signature mustache, his insights on legendary players like Ken Jennings and James Holzhauer, and his opinion of Will Ferrell ’ s Saturday Night Live impersonation. The book uses a novel structure inspired by Jeopardy!, with each chapter title in the form of a question, and features dozens of never-before-seen photos that candidly capture Trebek over the years. This wise, charming, and inspiring book is further evidence why Trebek has long been considered one of the most beloved and respected figures in entertainment.

Ditch That Textbook Simon & Schuster

Advance praise for "Murder at The Grove" Fans of mysteries, especially West Coast-centric mysteries, rejoice! The irrepressible and irresistible teenage sleuth Adriana Hofstetter is back, with funny-snarky attitude, 40s wardrobe, hippy-dip but caring mom and BFF Billy Feldman intact, and a puzzling new murder to occupy her summer vacation. This time the scene is L.A.'s super mall, The Grove, with Adriana forced to deal with such alien (to her) contemporary concepts as iPods, YouTube and FaceBook to catch the killer of an Apple Store employee. Put away that new iPhone and enjoy. Dick Lochte, author of Sleeping Dog and Croaked! In Murder at the Grove, occasional teenage gumshoe and always odd duck, Adrianna Hofstetter, is at it again, sticking her quirky nose where it doesn't belong; worrying her mother, fretting her friends (make that friend...just one), irritating the police, and persistently interrogating an array of annoyed suspects about a murder case which everyone insists doesn't exist. But the determined and indefatigable Ms. Hofstetter's skewed sleuthing ferrets out the facts faster than she can wolf down onion rings at a local Hollywood bistro. The clues, characters, and locale are all explored with the same eccentric but affectionate Kimmel whimsey displayed in Murder at Hollywood High and the Benjamin Kritzer trilogy. Charles Edward Pogue, screenwriter of The Fly and Dragonheart
