Identity Essay Guidelines . Discovery of who you are is one of the joys of writing and learning. For this first essay you must write an analytical descriptive narrative in which you relate the story of who you are. Who are you? What makes you tick? What has made you who you are today? What does the future hold? Who will you be ten years from now?

The purpose of an identity essay is to answer questions about who you are, how you perceive yourself and how others perceive you as well. For an identity essay to have impact, it should cover different facets of your identity from your name's origin to your character, principles and values.
