The Mighty Captain Marvel Vol. 1 Harper Collins

There were no surprises in Gatlin County. We were pretty much the epicenter of the middle of nowhere. At least, that's what I thought. Turns out, I couldn't have been more wrong. There was a curse. There was a girl. And in the end, there was a grave. Lena Duchannes is unlike anyone the small Southern town of Gatlin has ever seen, and she's struggling to conceal her power and a curse that has haunted her family for generations. But even within the overgrown gardens, murky swamps and crumbling graveyards of the forgotten South, a secret cannot stay hidden forever. Ethan Wate, who has been counting the months until he can

escape from Gatlin, is haunted by dreams of a beautiful girl he has never met. When Lena moves into the town's oldest and most infamous plantation, Ethan is inexplicably drawn to her and determined to uncover the connection between them. In a town with no surprises, one secret could change everything.

#1 New York Times bestselling author Margaret Stohl and Lewis Peterson are back for book two in the hilarious middle grade series! Book one of the Cats vs. Robots series was praised for its "mix of tech and kitties, STEM and heart" by the Bulletin of the Center for Children's Books. In book two, the intergalactic war between the Feline Empire and Robot Federation has escalated to the brink of war. Cats and robots are preparing to converge on Earth and battle it out for the Infinity Engine. And the inventors and safekeepers of that powerful weapon? The Wengrod family. Max, Min, their parents, and cousin Javi, all know the stakes are higher than ever as the fate of their planet rests on their shoulders. The family creates an elite swarm of

Ro murmurs into my ear. "Don't be afraid, Dol. They're not coming for us." Still, he slips his arm around me and we wait until the sky is clear. Because he doesn't know. Not really. Everything changed on The Day. The day the Icon appeared in Los Angeles. The day the power stopped. The day Dol's family dropped dead. The day Earth lost a war it didn't know it was fighting. Since then, Dol has lived a simple life in the countryside with fellow survivor Ro - safe from the shadow of the Icon and its terrifying power. Hiding from the one truth she can't avoid. They're different. They survived. Why? When the government discovers their secret, they are forced to join faint-hearted Tima and charismatic Lucas in captivity. Called the Icon Children, the four are the only humans on Earth immune to the power of the Icons. Torn between brooding Ro and her evolving feelings for Lucas, between a past and a future, Dol's heart has never been more vulnerable. And as tensions escalate, the Icon Children discover that their explosive emotions - which they've

always thought to be their greatest weaknesses - may actually be their greatest strengths. Bestselling author Margaret Stohl delivers a thrilling novel set in a haunting new world where four teens must piece together the mysteries of their pasts - in order to save their future.

The second book in the hit series from New York Times best-selling author Mackenzi Lee! This three-book series explores the untapped potential and duality of heroism of popular characters in the Marvel Universe. The first book in the series, *Loki: Where Mischief Lies*, was an instant New York Times best seller and received two starred reviews! Gamora arrives on Torndune—a once-lush planet that has been strip-mined for the power source beneath its surface—with a mission: collect the heart of the planet. She doesn't know who sent her, why they want it, or even what the heart of a planet looks like. But as the right hand and daughter of Thanos, and one of the galaxy's most legendary warriors, her job is not to ask questions. Her job is to do what she's told, no matter the cost. What she doesn't know is that her sister, Nebula, is in hot pursuit. Nebula has followed Gamora to Torndune in hopes of claiming the planet's heart first and shaming her sister as vengeance for the

part she played in Nebula losing her arm. While Gamora falls in with a group of miners attempting to overthrow the tyrannical mining corporation that controls their lives, Nebula allies herself with the Universal Church of Truth, whose missionaries wait on every street corner to recruit more followers and tithes for the Matriarch. Both sisters hope their alliance will give them access to one of the massive diggers capable of drilling to the center of the planet. But they closer they get to the heart of the planet—and to each other—the closer they get to uncovering the truth of what brought them there and the role they may unknowingly be playing in a twisted competition with galactic consequences. A competition they can never win . . . unless they learn to trust each other. And trust is the biggest lie in the galaxy. Sixteen-year-old Bentley Royce seems to have it all: an actual Bentley, tuition to a

fancy private school, lavish vacations, and everything else that comes along with being an LA starlet. But after five seasons on her family's reality show, *Rolling with the Royces*, and a lifetime of dealing with her narcissistic sister, Porsche, media-obsessed mother, Mercedes, and somewhat clueless brother, Maybach, Bentley wants out. Luckily for her, without a hook for season six, cancellation is looming and freedom is nigh. With their lifestyle on the brink, however, Bentley's family starts to crumble, and one thing becomes startlingly clear--without the show, there is no family. And since Bentley loves her family, she has to do the unthinkable--save the show. But when her future brother-in-law's car goes over a cliff with both Bentley and her sister's fiancé; inside-on the day of the big made-for-TV wedding, no less--things get real. Really real. Like, not reality show real. Told in a tongue-in-cheek voice that takes a swipe at all things Hollywood, *Royce Rolls* is a laugh-out-loud funny romp with an LA noir twist about what it means to grow up with the cameras rolling and what really happens behind the scenes.

The Icons came from the sky. They belong to an inhuman enemy. They ended our civilization, and they can kill us. Most of us. Dol, Ro, Tima, and Lucas are the four Icon Children, the only humans immune to the Icon's power to stop a human heart. Now that Los Angeles has been saved, things are more complicated - and not just because Dol has to choose between Lucas and Ro, the two great loves of her life. As she flees to a resistance outpost hidden beneath a mountain, Dol makes contact with a fifth Icon Child, if only through her visions. When Dol and the others escape to Southeast Asia in search of this missing child, Dol's dreams, feelings and fears collide in an epic showdown that will change more than just four lives -- and stop one heart forever. In this riveting sequel to Icons, filled with nonstop action and compelling romance, bestselling author Margaret Stohl explores what it means to be human and how our greatest weakness can be humanity's strongest chance at survival.

Spider-Man Noir: Twilight in Babylon Feiwel & Friends

The third book in the New York Times bestselling series, perfect for fans of Cassandra Clare and Maggie Stiefvater! Ethan Wate thought he was getting used to the strange, impossible events happening in Gatlin, his small Southern town. But now that Ethan and Lena have returned home from the Great Barrier, strange and impossible have taken on new meanings. Swarms of locusts, record-breaking

heat, and devastating storms ravage Gatlin as Ethan and Lena struggle to understand the impact of Lena's Claiming. Even Lena's family of powerful Supernaturals is affected -- and their abilities begin to dangerously misfire. As time passes, one question becomes clear: What -- or who -- will need to be sacrificed to save Gatlin? For Ethan, the chaos is a frightening but welcome distraction. He's being haunted in his dreams again, but this time it's not Lena -- and the mysterious figure is following him out of his dreams and into his everyday life. Worse, Ethan is gradually losing pieces of himself -- forgetting names, phone numbers, even memories. He doesn't know why, and he's afraid to ask. Sometimes there's no going back. And this time there won't be a happy ending.
