Shepherding a Child's Heart is about how to speak to the heart of your child. The things your child does and says flow from the heart. Luke 6:45 puts it this way: "...out of the overflow of the heart the mouth speaks." Written for parents with children of any age, this insightful book provides perspectives and procedures for shepherding your child's heart into the paths of life. In this revised edition of Shepherding a Child's Heart, Dr. Tedd Tripp not only draws on his thirty years experience as a pastor, counselor, school administrator, and father, but he also shares insights gained in many years of teaching this material in conferences worldwide, providing more valuable help for parents.

Daily comforts from the gospel of Christ provide busy Christian women with brief but deep reminders of how his truths powerfully connect to their daily lives. Nothing comforts a woman's soul more than a fully understood and embraced gospel. But many women aren't finding solace in their relationship with Christ because they don't see how his life, death, and resurrection connect with soccer practices and swim lessons. Besides, they just don't have time to sit down and read a theology book, no matter how much they might hunger for God's truths. That's where Elyse Fitzpatrick's latest book comes in. Comforts from the Cross provides those well-intentioned women with bite-sized readings to remind them of their place in Christ and of his love and ministry in their busy lives. It also dusts off the facts of the gospel to show how ancient truths such as justification, sanctification, and redemption can free and enliven their souls every day. Even more, these five-minute celebrations of the gospel relieve readers of legalistic condemnation and empower them for joyful obedience by engendering fresh love for the Savior. A perfect choice for gift-giving or personal encouragement, Fitzpatrick's book helps active women grasp the practicality of the gospel message and experience its deep comforts.

In order to help pastors and other Christian leaders to lovingly lead God's flock to Jesus Christ and into God's mission, Scott Thomas and Tom Wood clarify a process of coaching and shepherding that is rooted in the patterns of the Good Shepherd himself, a process in which leaders stir up the gifts, passion, and calling upon others' lives. This book addresses the needs of the leader, his or her sinful tendencies, and church leadership issues. It directs the

leader to the person and work of Jesus. It provides a system to intentionally shepherd leaders to glorify God in their personal, spiritual, and missional lives. Many ministry leaders serving in churches find themselves overwhelmed, disillusioned, and depressed by the enormous and challenging task of leading and ministering in a congregation. As a result, the ministry suffers, the leaders suffer, and the result is often an unhealthy church existent with little or no Gospel influence. These leaders need someone to shepherd their soul so that they can lead others to the Chief Shepherd, Jesus Christ. We suggest that coaching for the church leader looks less like corporate consulting or humanistic psychology and more like biblical-shepherding. We suggest that every church leader needs a Gospel Coach to come alongside with words of truth, wisdom and experience to encourage, admonish, comfort and help—words drawn from Scripture and godly wisdom, grounded in the gracious saving work of Jesus Christ, and presented in the context of a trusting relationship. Gospel Coaching is an intentional relationship to skillfully care for others with four ancient shepherding principles: 1) Know the sheep, 2) Feed the sheep, 3) Lead the sheep, and 4) Protect the sheep. A Gospel Coach both inquires about the personal, spiritual, and missional aspects of a ministry leader's life in a loving yet focused manner, and also probes the church leader for compulsive unbelief or selfish motivation, or disobedience and sin, and leads the ministry leader back to the Gospel, through belief, repentance and obedience. Churches that desire to be rich in a Gospel application toward their city, their relationships with one another, their communication and worship, as well as their service, will benefit to a greater degree by having their leaders being coached by a Gospel-centered leader.

I'm longing for God... * to answer my prayers * to forgive me * when my heart has grown cold * to take me deeper * to display his glory * to take me home The latest in the popular Keswick study guide series matches the banner theme of Keswick Convention 2019: Longing for God. Seminars, Bible readings and evening celebrations will be tightly focussed around this

topic. As in previous years, we want convention-goers and those who don't benefit from Keswick to explore the subject at home, on their own or in a group setting. For the latter, there are leaders' notes on the six standalone sessions. You can find out what the Bible says and what it means in your life, and be encouraged through praying the prayers and digging deeper. As you interact with this resource, you will find yourself equipped to face life's challenges though knowing the God of the Bible better. We pray that your longing will be satisfied.

The issue of idolatry has been with the human race for thousands of years; the subtle temptation is always to take what is good and turn it into the ultimate good, elevating it above all other things in the search for security and meaning. In this timely and challenging book, New York pastor Timothy Keller looks at the issue of idolatry throughout the Bible -- from the worship of actual idols in the Old Testament, to the idolatry of money by the rich young ruler when he was challenged by Jesus to give up all his wealth. Using classic stories from the Bible Keller cuts through our dependence on the glittering false idols of money, sex and power to uncover the path towards trust in the real ultimate -- God. Today's idols may look different from those of the Old Testament, but Keller argues that they are no less damaging. Culturally transforming as well as biblically based, **COUNTERFEIT GODS** is a powerful look at the temptation to worship what can only disappoint, and is a vital message in today's current climate of financial and social difficulty.

This book is a learned essay at the intersection of politics, philosophy, and religion. It is first and foremost a diagnosis and critique of the secular religion of our time, humanitarianism, or the "religion of humanity." It argues that the humanitarian impulse to regard modern man as the measure of all things has begun to corrupt Christianity itself, reducing it to an inordinate concern for "social justice," radical political change, and an increasingly fanatical egalitarianism. Christianity thus loses its transcendental reference points at the same time that it undermines balanced political judgment. Humanitarians, secular or religious, confuse peace with pacifism, equitable social arrangements with socialism, and moral judgment with utopianism and sentimentality. With a foreword by the distinguished political philosopher Pierre Manent, Mahoney's book follows Pope Emeritus Benedict XVI in affirming that Christianity is in no way reducible to a "humanitarian moral message." In a pungent if respectful analysis, it demonstrates that Pope Francis has increasingly confused the Gospel with left-wing humanitarianism and egalitarianism that owes little to classical or Christian wisdom. It takes its bearings from a series of thinkers (Orestes Brownson, Aurel Kolnai, Vladimir Soloviev, and Aleksandr Solzhenitsyn) who have been instructive critics of the "religion of humanity." These thinkers were men of peace who rejected ideological pacifism and never confused Christianity with unthinking sentimentality. The book ends by affirming the power of reason, informed by revealed faith, to provide a humanizing alternative to utopian illusions and nihilistic despair.

When an idol and fan stand face to face and the idol's mask comes off, is it simply the fan staring into a mirror, admiring their own reflection? **Idol Limerence** explores the mass phenomena of the Korean idol, in particular, BTS and how it intersects with the psychological experience of limerence, as originated by Dorothy Tennov. Further phenomena will be introduced with an exploration of persona as a link to a fantasy realm accessed by both idol and fan. Culminating in the exploration of the revolutionary capacity of BTS and their fan base, ARMY, who were created in their image. Echo's narrative spans from her first love as a child to falling in love with BTS as an adult, an experience she feels is largely out of her control. **Idol Limerence** is a love story wrapped in social theory that spans this universe and the next. **Insperence** is the space where the revolution can begin to take hold; **insperence** is where we can all become revolutionaries. In many ways, we already are. **Idol Limerence: The Art of Loving BTS as Phenomena** by Wallea Eaglehawk is a scholarly and literary work on the phenomenon that is BTS, the most popular and influential music group of our generation. **Idol Limerence** is a cognitive and emotional state of loving adoration and attachment to an Idol or celebrity. Echo, a young millennial woman, finds herself falling deeply in love with a group of blouse-wearing Korean men who sing, dance and dish out uncommon potent eye contact like it's a period drama. This book joins Echo on her journey from first love as a child to falling in love with K-pop group BTS as an adult. Echo learns just how and why she can't control her feelings towards BTS, not that she really wants to; and this is not an isolated experience, she is not alone but part of BTS' fan base, ARMY. The theory of **Idol Limerence** is developed from the psychological idea of limerence and linked to sociological concepts of identity, persona, parasocial relationships, love and celebrity. The theory development is interwoven with the love narrative of Echo which shows how **Idol Limerence** can be a 'safe-love' alternative for millennials overwhelmed by loving and dating in a world on the brink of collapse. If the question is 'Why can't I stop thinking about what my life with BTS would look like?' **Idol Limerence** is the answer and becoming a revolutionary to save the world is the result.

In our world, we use the word heart to refer to our emotions. But the Bible uses the word heart to refer to the governing center of life. We need to grasp the true meaning of the heart in order to better understand ourselves, our sin, and our need for redemption. As we rediscover the heart as the source of all our thoughts, fears, words, and actions, we will discover principles and practices for orienting our hearts to truly love and obey God with all that we are.

New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In *Radical*, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a "successful" suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in *The Radical Experiment* -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

Don't Bow is a book to encourage and motivate young people to stand against the idols of our generation. On a daily basis, youth are challenged by the images they see on television, on the internet, and through social media. In addition, this generation is influenced by the sounds they hear within the music and entertainment industry. Author, DeMarquis R. Battle shares biblical truths and heart felt experiences to expose the plan of the enemy and to let our generation know their true value and worth through Christ Jesus. Benefits of this book include: 1. Learning who modern day idols are and how our youth are trapped into idol worship. 2. Gaining an understanding of the enemy's tactics and how they are defeated. 3. Receive encouragement regarding self-

worth, value, and the calling of God on their lives. Upon completion of the book, individuals will have the opportunity to complete the "Don't Bow Pledge" and connect with other young people who have given their lives to Christ and are determined not to bow down!

Are you looking for a brief introduction to what the biblical counseling movement is and how it has changed over the years? In *Developments in Biblical Counseling*, J. Cameron Fraser turns a journalistic eye to this question and presents a concise assessment. Introducing us to the formative work of Jay Adams, Fraser outlines several themes of biblical counseling that became foundational for the movement as a whole and observes how the movement received criticisms from outside and made necessary developments from within. He points out that some of these developments have an affinity with Puritan approaches to counseling that Adams rejects but may point in a more consistently biblical direction. Table of Contents: 1. Some Foundational Views of Nouthetic Counseling 2. Some Criticisms of Nouthetic Counseling 3. Some Developments in Biblical Counseling 4. Biblical and Puritan Counseling
