When an idol and fan stand face to face and the idol's mask comes off, is it simply the fan staring into a mirror, admiring their own reflection? **Idol Limerence** explores the mass phenomena of the Korean idol, in

particular, BTS and how it intersects with the psychological experience of limerence, as originated by Dorothy Tennov. Further phenomena will be introduced with an exploration of persona as a link to a fantasy realm accessed by both idol and fan. Culminating in the exploration of the revolutionary capacity of BTS and their fan base, ARMY, who were created in their image. **Echo's** narrative spans from her first love as a child to falling in love with BTS as an adult, an experience she feels is largely out of her control. **Idol Limerence** is a love story wrapped in social theory that spans this universe and the next. **Insperence** is the space where the revolution can begin to take hold; **insperence** is where we can all become revolutionaries. In many ways, we already are. **Idol Limerence: The Art of Loving BTS as Phenomena** by Wallea Eaglehawk is a scholarly and literary work on the phenomenon that is BTS, the most popular and influential music group of our generation. **Idol Limerence** is a cognitive and emotional state of loving adoration and attachment to an Idol or celebrity. **Echo**, a young millennial woman, finds herself falling deeply in love with a group of blouse-wearing Korean men who sing, dance and dish out uncommon potent eye contact like it's a period drama. This book joins **Echo** on her journey from first love as a child to falling in love with K-pop group BTS as an adult. **Echo** learns just how and why she can't control her feelings towards BTS, not that she really wants to; and this is not an isolated experience, she is not alone but part of BTS' fan base, ARMY. The theory of **Idol Limerence** is developed from the psychological idea of limerence and linked to sociological concepts of identity, persona, parasocial relationships, love and celebrity. The theory development is interwoven with the love narrative of

Echo which shows how **Idol Limerence** can be a 'safe-love' alternative for millennials overwhelmed by loving and dating in a world on the brink of collapse. If the question is 'Why can't I stop thinking about what my life with BTS would look like?' **Idol Limerence** is the answer and becoming a revolutionary to save the world is the result.

Gospel Treason Shepherd Press

For the modern Christian woman living in today's sexually charged society, embracing God's design for sex and purity can often feel like an impossible pursuit. As the culture seeks to normalize things such as pornography, erotica, and casual sex, both single and married women of all ages feel immense pressure to conform. With alluring temptations constantly inviting them to join in, they might even begin to question whether God's design is truly good. They wrestle with questions like - What is the purpose of my sexuality? - What does it mean to pursue purity? - Are my sexual longings good or bad? In this encouraging book, **Kristen Clark** and **Bethany Beal** share honestly about their own struggles and victories, and invite women on a personal journey to discover and reclaim a biblical vision for their sexuality. **Kristen** and **Bethany** help women understand why God's design for sexuality is good, relevant, and leads to true hope and lasting freedom.

Don't Bow Multnomah

Shepherding a Child 's Heart is about how to speak to the heart of your child. The things your child does and says flow from the heart. Luke 6:45 puts it this way: "...out of the overflow of the heart the mouth speaks." Written for parents with children of any age,

this insightful book provides perspectives and procedures for shepherding your child's heart into the paths of life. In this revised edition of *Shepherding a Child's Heart*, Dr. Tedd Tripp not only draws on his thirty years experience as a pastor, counselor, school administrator, and father, but he also shares insights gained in many years of teaching this material in conferences worldwide, providing more valuable help for parents.

You Are What You Love Crossway

Your heart is who you are on the inside. It is what you think, your motives, and your desires.

Transformed heart attitudes such as a high and proper view of God, humility, love, and gratitude are a grace-work of God in the life of Christians as they learn from the Scriptures a biblical view of God, man, and sin. Maturing in godly heart attitudes requires grace from God as well as work on our part for our minds to be transformed to think God-honoring thoughts and to truly discern unbiblical philosophies.

Attitudes of a Transformed Heart Harvest House Publishers

Why do we find it so hard to change? Is it because modern-day idols trap us to commit treason against the gospel? Brad Bigney shows, using poignant testimonies, how to live joyfully and free.

Replace Your Worries with God's Peace

You're not alone in your struggles with anxiety. Christian women in all seasons of life battle worries about their family, work, health, faith, and more. Yet God has compassion for your weary heart, and when you turn to Him, He'll guide you to freedom from your fears. Illuminated by abundant guidance in the Bible, author and biblical counselor Elyse Fitzpatrick provides practical strategies for overcoming anxiety, all the while pointing you back to the One who has overcome your every hardship. You'll learn how you can identify the true sources of your fears trade stress and worry for joy and trust rest secure in God's tender protection Find comfort and encouragement as you learn from the examples of other women like you—women who have discovered that it really is possible to have peace-filled confidence in every circumstance, even when it feels impossible.

Learning by Heart InterVarsity Press

Jesus taught that true change doesn't come by adding more rules, but from the inside out, with a change of the heart that only the gospel can bring. When you identify the heart problems behind the chaos in your life, lasting change can happen. This will reduce the stress in your life and help you be more effective in your service to God.

Twilight of the Idols Hachette UK

Renowned in the blogosphere as *The anchoress* and as Catholic Portal editor of the popular *Patheos.com*, Elizabeth Scalia offers a powerful critique of the "gods"

we worship today, reminding readers that life's deepest desires can be satisfied only in Christ. *Strange Gods*, Scalia's debut book, is packed full of the iconoclastic vim and vigor that has won her a large, faithful Internet following. She presents readers with a surprising look at the ways in which modern people still commit the sin of idolatry in their everyday lives. While literal golden calves no longer dot the landscape, Scalia describes how legitimate loves become obsessively twisted into idols. She unmasks idolatry in a number of everyday experiences—friendships that become needy or possessive, commitments political and religious that grow so intense they lead to hatred of others, to name a few—and points to the incarnation of Christ and authentic worship of him as a way out of idolatry and into peace, happiness, and love.

The Organized Heart: A Woman's Guide to Conquering Chaos Lulu.com

The issue of idolatry has been with the human race for thousands of years; the subtle temptation is always to take what is good and turn it into the ultimate good, elevating it above all other things in the search for security and meaning. In this timely and challenging book, New York pastor Timothy Keller looks at the issue of idolatry throughout the Bible -- from the worship of actual idols in the Old Testament, to the idolatry of money by the rich young ruler when he was challenged by Jesus to give up all his wealth. Using classic stories from the Bible Keller cuts through our dependence on the glittering false idols of money, sex and power to uncover the path towards trust in the real ultimate -- God.

Today's idols may look different from those of the Old Testament, but Keller argues that they are no less damaging. Culturally transforming as well as biblically based, *COUNTERFEIT GODS* is a powerful look at the temptation to worship what can only disappoint, and is a vital message in today's current climate of financial and social difficulty.

Playing God Crossway

"Here is a book to be welcomed enthusiastically, to be read carefully, and to be returned to frequently." — Sinclair B.

Ferguson In our world, we use the word heart to refer to our emotions. But the Bible uses the word heart to refer to the governing center of life. We need to grasp the true meaning of the heart in order to better understand ourselves, our sin, and our need for redemption. As we rediscover the heart as the source of all our thoughts, fears, words, and actions, we will discover principles and practices for orienting our hearts to truly love and obey God with all that we are.

Idols of the Heart Simon and Schuster

Although it's never our personal choice, it is frequently God's plan that his daughters walk through storms and difficulties. Using

the picture presented in Psalm 57, readers will discover the secret of experiencing God's presence and comfort in trial and will grow in their appreciation of his purposes in their lives.

When I Don't Desire God Focus Publishing (MN)
Minter explores what happens when good desires become false gods, robbing people of an intimate relationship with the heavenly Father. (Christian)
Identity and Idolatry P&R Publishing

This book is a learned essay at the intersection of politics, philosophy, and religion. It is first and foremost a diagnosis and critique of the secular religion of our time, humanitarianism, or the "religion of humanity." It argues that the humanitarian impulse to regard modern man as the measure of all things has begun to corrupt Christianity itself, reducing it to an inordinate concern for "social justice," radical political change, and an increasingly fanatical egalitarianism.

Christianity thus loses its transcendental reference points at the same time that it undermines balanced political judgment. Humanitarians, secular or religious, confuse peace with pacifism, equitable social arrangements with socialism, and moral judgment with utopianism and sentimentality. With a foreword by the distinguished political philosopher Pierre Manent, Mahoney's book follows Pope Emeritus Benedict XVI in affirming that Christianity is in no way reducible to a "humanitarian moral message." In a pungent if respectful analysis, it demonstrates that Pope Francis has increasingly confused the Gospel with left-wing humanitarianism and egalitarianism that owes little to classical or Christian wisdom. It takes its bearings from a series of thinkers (Orestes Brownson, Aurel Kolnai, Vladimir Soloviev, and Aleksandr Solzhenitsyn) who have been instructive critics of the "religion of humanity."

These thinkers were men of peace who rejected ideological pacifism and never confused Christianity with unthinking sentimentality. The book ends by affirming the power of reason, informed by revealed faith, to provide a humanizing alternative to utopian illusions and nihilistic despair.
